Love And Devotion:

Love and Devotion Nitya Chaitanya Yati,1976 *Finding God's Love* Ethan Walker,2004 Love and Devotion Erica James,2004 Addiction and Devotion in Early Modern England Rebecca Lemon,2018-02-02 Rebecca Lemon illuminates a previously buried conception of addiction as a form of devotion at once laudable difficult and extraordinary that has been concealed by the persistent modern link of addiction to pathology Surveying sixteenth century invocations she reveals how early moderns might consider themselves addicted to study friendship love or God However she also uncovers their understanding of addiction as a form of compulsion that resonates with modern scientific definitions Specifically early modern medical tracts legal rulings and religious polemic stressed the dangers of addiction to alcohol in terms of disease compulsion and enslavement Yet the relationship between these two understandings of addiction was not simply oppositional for what unites these discourses is a shared emphasis on addiction as the overthrow of the will Etymologically addiction is a verbal contract or a pledge and even as sixteenth century audiences actively embraced addiction to God and love writers warned against commitment to improper forms of addiction and the term became increasingly associated with disease and tyranny Examining canonical texts including Doctor Faustus Twelfth Night Henry IV and Othello alongside theological medical imaginative and legal writings Lemon traces the variety of early modern addictive attachments Although contemporary notions of addiction seem to bear little resemblance to its initial meanings Lemon argues that the early modern period s understanding of addiction is relevant to our modern conceptions of and debates about the phenomenon Songs of Faith, Hope, and Love. Love, Devotion, and Longing Donna Goddard,2023-03-29 Combined Volume Books One and Two of the Love and Devotion Series A quiet light lives within us all It calls us home through love devotion and longing In this deeply spiritual and poetic volume Donna Goddard brings together two luminous works The Love of Being Loving and The Love of Devotion offering a heartfelt journey into the soul s awakening In The Love of Being Loving we are gently guided through the early stages of spiritual growth where healing begins with forgiveness clarity and a return to love as our natural state In The Love of Devotion the path deepens Here devotion is not a discipline but a surrender It is the joy of alignment with divine presence the stillness that heals the love that asks nothing and the beauty that shines beneath all appearances Together these books invite us to become a beneficial presence in the world not by striving but by remembering who we truly are *The One I Love* Ellyn Sanna,1999 Love and War Tom Digby,2014-10-28 Ideas of masculinity and femininity become sharply defined in war reliant societies resulting in a presumed enmity between men and women This so called battle of the sexes intensifies in tandem with dispositions to fight actual wars These are among the fascinating discoveries Tom Digby shares in Love and

War which describes the making and manipulation of gender in both militaristic and nonmilitaristic societies and the consequences for men and women in their personal romantic sexual and professional lives Drawing on cross cultural comparisons and examples from popular media including sports culture the rise of gonzo and bangbus pornography and Internet trolls Digby shows how misogyny and toughness are deployed to construct masculinity in ways that undermine relations between women and men Through diverse philosophical methodologies he identifies the cultural elements that contribute to heterosexual antagonism such as an enduring faith in male force to solve problems the glorification of violent men who suppress caring emotions the devaluation of men s physical and emotional lives an imaginary gender binary male privilege premised on the subordination of women and the use of misogyny to encourage masculine behavior Digby tracks the collateral damage of this disabling misogyny in the lives of both men and women but ends on a hopeful note He ultimately finds the link between war and gender to be dissolving in many societies war is becoming degendered and gender is becoming demilitarized
