Is There A God? Hell, Yeah! Jodi Faith,2015-01-02 Jodi Faith doesn t want the world to hear her story from a soap box perspective but rather in a way that lives may be changed by it It s her simple story take it or leave it A story about a God who pursued a quiet broken sparrow and showed her He d loved her since before time began A story worthy of being told Charlotte Reed This is a bold work intimate and entertaining The casual toned narrative is interspersed with Jodi s song lyrics and pertinent Biblical verses It is a story that is both deeply personal and relatable A brave work Jodi Faith is to be commended for her tenacity both in life and in sharing her story Sarah Stewart Jodi Faith reveals herself in this compelling story of lost and found ness Her unabashed truth takes one s breath away at times and stirs concern about the vulnerability of such exposure This book is proof that everyone has an important story to tell because everyone is important to our Creator certainly to each other essentially The reader becomes privy to the transformative process Faith undergoes as her narrative unfolds without shame or blame in order to proclaim God s grace in her life Faith was driven to her knees countless times by life circumstances but as often to praise and give thanks as otherwise This story is far from over Jacqueline Chartrand Connect with international recording artist speaker and media personality Jodi and Robert Faith husband and business partner at www.thefaithteamnetwork.com
