one telling difference German replacement policy detracted from rather than enhanced German combat effectiveness Organizations had high paper strength but low manpower and commanders consolidated decimated units time after time until these ever dwindling bands of soldiers disappeared forever killed wounded captured or surrendered The performance of American and German forces during this harrowing eighteen days of combat was largely a product of their respective backgrounds training and organization This pre battle aspect not normally seen in combat history helps explain why the Americans were successful and the Germans were not Rush s work underscores both the horrors of combat and the resiliency of American organizations While honoring the sacrifice and triumph of the common soldier it also compels us to reexamine our views on the requisites for victory on the battlefield The Law Times Reports ,1904 **The Effects which ERISA and MPPRA Have Had on the Competitiveness of Small Business** United States.
