Eroticism, Spirituality, and Resistance in Black Women's Writings Donna Aza Weir-Soley,2017-06-13 Provocative articulates the importance of embodied erotic spirituality to black female subjectivity and empowerment *Tulsa Studies in Women's Literature* Sets out to reclaim the right of black women to their sexual and erotic expression untainted by the stereotypes and disparagements that have historically confined them *African American Review* Captures one of the most challenging concerns of scholars who engage black women's literature culture and theory the ongoing quest to locate a form of black female sexual agency that neither withers in the chilly lake of sexual repression nor explodes in the heat of hypersexual stereotypes *MELUS Journal of the Society for the Study of the Multi Ethnic Literature of the United States* Successfully undertakes an analysis of how black women writers have used overlapping narrative depictions of sexuality and spirituality to recast the denigrated black female body and rewrite an empowered and fully actualized black female subject Candice M Jenkins author of *Private Lives Proper Relations Regulating Black Intimacy* Weir Soley speaks with an authority that comes from real knowledge of investment in and attention to the details of the African cosmologies and textual complexities she unearths Carine Mardorossian SUNY Buffalo The most original and significant contributions are the often brilliant readings of Morrison Adisa and Danticat The work is riveting both methodologically and critically Leslie Sanders York University Western European mythology and history tend to view spirituality and sexuality as opposite extremes But sex can be more than a function of the body and religion more than a function of the mind as exemplified in the works and characters of such writers as Zora Neale Hurston Toni Morrison Opal Palmer Adisa and Edwidge Danticat Donna Weir Soley builds on the work of previous scholars who have identified the ways that black women's narratives often contain a form of spirituality rooted in African cosmology which consistently grounds their characters self empowerment and quest for autonomy What she adds to the discussion is an emphasis on the importance of sexuality in the

development of black female subjectivity beginning with Hurston's *Their Eyes Were Watching God* and continuing into contemporary black women's writings. Writing in a clear, lucid and straightforward style, Weir Soley supports her thesis with close readings of various texts including Hurston's *Their Eyes Were Watching God* and Morrison's *Beloved*. She reveals how these writers highlight the interplay between the spiritual and the sexual through religious symbols found in Voodoo, Santería, Candomblé, Kumina, and Hoodoo. Her arguments are particularly persuasive in proposing an alternative model for black female subjectivity.

My Angel Christine Young, 2021-09-09 *A BEAUTY IN BUCKSKINS* When her father decided to send her to a finishing school back East, Angela Chamberlain refused to be confined to stuffy drawing rooms. Instead, the daring spitfire who could shoot like a man and ride like the wind longed for a life of adventure and romance, and she knew exactly who could give it to her. Devil Blackmoor was a hired gun with a dangerous reputation. But Angela was willing to go to the ends of the earth to capture the handsome devil's heart. *A DEVIL IN DISGUISE* He'd come to America looking for excitement, but Devil Blackmoor got more than he bargained for when he encountered a beautiful rebel who answered his kisses with a wild innocence that touched his very soul. Yet standing between them were more obstacles than either ever dreamed. For Devil had strapped on a gun for the wrong man. And that made Angela his enemy. Now he'll have to choose between his duty and the woman he loves more than life.
