Bonafide, 2019-09-13 Although Gabriel Bonaci has achieved great success in life as measured by society the experience of war as a US marine has changed him in a deep and fundamental way He seeks help from his devout family and the resulting search for a worthy purpose in life leads him to a monastic life one that he hopes will enable him to rid himself of the horrors of war and the evil that has permeated his mind and soul When several instances of angelic sightings occur around the world it seems to signal the intercession of God and the possible beginning of Revelation These are the triggers for a strange series of events that develop into a worldwide investigation of what many believe to be the precursor of the end times Even stranger Theresa Gabriel s sister an obscure Carmelite nun from a small hamlet in Wisconsin appears to be at the center of everything Now only time will tell what effect these events will have on Gabriel and the world In this religious novel a man struggling with his purpose in life challenges God to end the persistent growth of evil in the world and becomes witness to the start of the end times *The Free Church Circular* ,1850 **Fabulous Faithful & Free** Juanita R. Nelson McAlexander, 2011-12-05 Chris was there and witnessed my transformation into a much more dynamic person than I had ever been in my entire life After experiencing this transformation seeing me in such a good mood all the time and noticing how focused I was Chris asked me if he could read my fathers book I told him I didnt think hed be very interested in it and that there was more to it than just reading the book I explained a little bit about it and was greatly surprised that he still wanted to read it Truthfully I didnt take him seriously at all I figured he would skim through the book and more than likely hed hand it back to me the same day and tell me he was good on that After just one month Chris was not Chris anymore at least not the same person I had come to know for the past four years He had completely transformed into a very new and improved Chris right before my very eyes much like I must have done as he watched my transformation He was much more mature in touch with his spirituality and most noticeably he was thinking and acting instead of feeling and reacting That was about seven months ago and to see Chris get angry now is a very rare occurrence Now even when something happens that rubs him the wrong way its no big deal because hes able to react calmly and think things through Chris sees the bigger picture now and realizes what is really important isnt behind these prison walls He now realizes that whats most important is whats happening out there with our families and loved ones in the free world Now we both understand and immensely appreciate the fact that The Key to Stay Free empowers us and gives our lives more meaning than weve ever had before Now

we are confident that we can create a life worth living once we are released from prison Now we without doubt know we will no longer be sacrificial pawns and that we can and will be kings in the game of life **Forgiveness** Michelle
