Love In A Nutbag:

Love in a Nutbag Lisa Ammerman, 2001-08-27 *Love in a Nutbag* presents a combination of literary and intellectual as well as sexual and romantic interest The story is a parallel montage in the lives of two women the modern granddaughter and the dead grandmother suggesting how the two lives are bound together in a common quest for those epiphanies or moments of intense often sexual fulfillment that come out of the nutbag that our otherwise humdrum and prosaic lives occasionally present to us The story while rooted in real life presents a subtle line between easy read and soft core literary with a magical sprinkle of sexual realism While the novel may well cater to the romantic inclination of the Joanna Trollope reader it will certainly appeal to the thinking woman and man It has energy and emotional texture as well as beautifully crafted language The style is succinct the language evocative both sensuous and sensual

Notes and Queries ,1905 Monsters in Love Resmaa Menakem, 2023-01-31 A gritty down to earth guide for real life couples Conflict is a natural part of any intimate relationship Yet most couples either avoid it or try to smooth over their differences This often results in at least one partner compromising their integrity and stunting their own growth *Monsters in Love* challenges the idea that conflict between partners is unhealthy or something to avoid Instead it encourages both people to stand by what they need and who they are but to do so with compassion rather than competitiveness or vengefulness This book is about the reality of committed intimate relationships which are designed to inspire both people to grow up It challenges some common misperceptions about what makes for a successful partnership It also rocks the boat of psychotherapy calling out therapists who don't bring their best to their clients Instead of comforting fantasies or false promises *Monsters in Love* offers you and your partner a chance to make your relationship and your lives much bigger and more emergent
