He's home among family friends and his three-legged rescue dog in Climax, North Carolina, but his new employee is stirring up feelings he thought he'd left behind. Pint-size Lulubelle Swan is not Ty's or anyone's idea of a construction worker. But she's so eager to join his crew for the Climax library renovation that he gives her a shot and she totally lives down to his expectations. Aside from her fear of ladders, she's a hazard every time she picks up a hammer. He'd toss her out on her tight little tush, but he gets the feeling she needs the job or at least needs something. Lu's trying her hardest, but she's no handywoman. She's sought out Ty because he served in Afghanistan with the man she loved and nearly three years after losing Joe, she still can't move on. Hiding her true intentions, she spends hours with Ty trying to get him to talk about the past and, in the process, learn how to face the future on her own. But when her quest for closure gets complicated, she may have to open her heart in unexpected ways. **The Tudors in Love** Sarah Gristwood, 2022-12-13. Sarah Gristwood's *The Tudors in Love* offers a brilliant history of the Tudor dynasty, showing how the rules of romantic courtly love irrevocably shaped the politics and international diplomacy of the period. Why did Henry VIII marry six times? Why did Anne Boleyn have to die? Why did Elizabeth I's courtiers hail her as a goddess come to earth? The dramas of courtly love have captivated centuries of readers and dreamers. Yet too often they're dismissed as something existing only in books and song, those old legends of King Arthur and chivalric fantasy. Not so. In this ground-breaking history, Sarah Gristwood reveals the way courtly love made and marred the Tudor dynasty. From Henry VIII declaring himself as the loyal and most assured servant of Anne Boleyn to the poems lavished on Elizabeth I by her suitors, the Tudors re-enacted the roles of the devoted lovers and capricious mistresses first laid out in the romances of medieval literature. *The Tudors in Love* dissects the codes of love, desire, and power, unveiling romantic obsessions that have shaped the history of the world. **Roll for Love** M. K. England, 2025-04-08. A second chance queer romance about two teens whose in-world D&D characters fall in love, but in IRL things are more complicated. Perfect for lovers of Ashley Poston and Becky Albertalli, Harper Reid's summer is not off to a great start. After the death of her grandpa, she moves across the country, leaving her friends and the Dungeons & Dragons group behind. She wasn't exactly planning to start her senior year on the farm where she spent her childhood summers, but running into Ollie Shifflet, former best friend and first crush, makes things much better. When Harper discovers Ollie and her friends are starting a new D&D campaign, she quickly joins the group. As Harper and Ollie reconnect in the real world, romantic

tension begins to build between Harper's brash barbarian and Ollie's proud paladin but it's all just part of the game right Ollie's future depends on keeping her bisexuality private while Harper's dreams include an out and proud life in their rural town but as their feelings continue to grow with each gaming session their relationship begins threatening everything they've worked so hard to build As the school year comes to a close and the campaign's final boss looms on the horizon Harper and Ollie must decide are their feelings more than just a fantasy Because if they want a second chance at love they'll have to fight for it both in game and in real life
