this teacher of all things spiritual Unfold the mysteries of why we are living a life on earth Forget what you heard before and read the basics The answers are simple You will never wonder again **The Long-lost Rachel Wild; Rachel Wild Peterson,1905** The Path to Love Deepak Chopra, M.D.,2007-12-18 NEW YORK TIMES BESTSELLER A remarkable fusion of Eastern wisdom and Western practicality that offers strategies for clearing away the obstacles to love your life for restoring the boundless soul of love and for finding romance that will last a lifetime Drawing on the Vedic texts of India and other great wisdom traditions Dr Deepak Chopra describes the seven stages of love beginning and culminating in ecstasy At each stage we hear stories like those of Clare who only falls in love with unattainable men of Frankie and Della whose eight year old marriage has become a battleground of distrust and of Gail and Jarrett who near retirement without understanding how they will fit together into their new lives As we see these couples overcome their obstacles and as we work through a series of specific exercises we anchor these lessons in our own experience We all know the only way to enjoy the ecstasy of true romance for a lifetime is first to discover love within ourselves but this task has often proved too difficult Until now In The Path to Love you will find an astonishing blueprint to the uncharted territory of your own heart First Dr Chopra orients us with timeless wisdom and contemporary real life examples then guides us step by step on the path to love And once we discover the love inside ourselves we start to see it everywhere in lovers husbands wives mothers fathers brothers sisters friends until our own lives become self sustaining acts of passion romantic and fulling and miraculous **The General Baptist repository, and Missionary observer [afterw.] The General Baptist magazine repository and Missionary observer [afterw.] The General Baptist magazine ,1885** **Victorious Love** John Erol Kocer,2007-09 Do you truly know Love or do you only know about Him Do you also have an in depth understanding of who you are in Christ In his first book entitled Victorious Love John Erol Kocer beautifully unlocks the exquisite treasures found in the Book of John The author clearly portrays our Father s light in such a way that it will transcend the depths of the inquisitive soul It is certainly evident as you peruse the precious pearls contained in this book that our Father s heart of love is poured out upon all of His creation John defines the difference between religion and a very intimate relationship with the Creator of all that is good Allow him to take you through this joyous journey as you will be motivated to become all that Love has created you to be After studying Victorious Love you will be on your way to fulfilling your destiny Very encouraging to the point no fluff and what the cross of Christ is all about *The Padgett Messages-Soulful Teachings Living with Divine Love-* Zara Borthwick,Nicholas Arnold,2018-07-31 Between the years 1914 1920 James E Padgett received spirit communications that introduce the Divine Love and natural love that are connected with teachings relating to the mortal soul God and the spirit world When James himself passed into his spirit life his friend Eugene Morgan received 3 known communications from James 1923 1925 In the year 2017 the message of Divine Love continues as James conveys spirit life experience that relates with his experiences as a man receiving spirit communication and now as a spirit living with Divine Love in his spirit life in the spirit world There is at

present a worldwide readership of The Padgett Messages and now we are fortunate to have James the receiver and James the conveyer along with all the spirits who have contributed toward the realisation and fulfilment when living with Divine Love and perfecting our natural love The Padgett Messages 1914 1920 and 2017 2018 provide a great reach of love that is an example for us all

**Spiritual Gifts** Jennifer Anne Cox, 2018-01-18 Spiritual Gifts A Christ Centered Perspective is just that centered on Christ It provides a new perspective on spiritual gifts seeing the person and work of Christ as the foundation for the gifts of the Spirit The coming of Jesus into the world opens the way for the whole people of God to be indwelt by the Holy Spirit and to share in God's work in the world The book takes a broad New Testament approach to exploring the gifts carefully examining the meaning of the gifts by considering the Gospels Acts and the epistles The focus is on seeing each gift as an extension of what Jesus did in his ministry The gifts of the Spirit equip the church to carry on Jesus work Every gift is a means of proclaiming the gospel God gives his gifts with two purposes in mind to build the church by bringing people to Christ and to build up the church by maturing each believer Consequently Pentecostals Charismatics and conservative Christians alike must embrace spiritual gifts because God desires to transform the world through his equipped people
