Theise,2018-11-06 A paean to authentic wines and a New York Times Best Wine Book of the Year from the James Beard Award winning author of *Reading Between the Wines* What makes a wine worth drinking As celebrated wine writer Terry Theise explains in this gem of a book answering that seemingly simple question requires us to look beyond what's in our glass to consider much bigger questions about beauty harmony soulfulness and the values we hold dear Most of all Theise shows what makes a wine worth drinking is its authenticity When we choose small scale family produced wine over the industrially produced stuff or when we opt for subtle companionable wines over noisy vulgar ones we not only experience their origins with the greatest possible clarity and detail we also gain a new perspective on ourselves and the world we inhabit In this way artisanal wine is not only the key to good drinking it is also the key to a good life An unforgettable literary journey into the heart and soul of wine *What Makes a Wine Worth Drinking* is a gift to be cherished from a writer whose id is directly connected to his mouth Eric Asimov The New York Times Winner of the Louis Roederer International Wine Writers Awards Chairman's Award A Best Wine Gift by WineSpeed Grown up wine writing full of emotion and in these dangerously cynical times exactly what we wine enthusiasts we human beings need The World of Fine Wine Theise's fans as well as those just meeting him for the first time will revel as he leads us on an existential tour of wine Dave McIntyre The Washington Post
