Love Jack:

Jack'S Journey Cecil Rhodes,2011-02-10 Jacks Journey is one mans story of the surprising discovery of grace in the mistakes failures and heartaches of life Jack tells of a ten year journey of self discovery and healing in the everyday and sacred places of grace Soon after his fortieth birthday his happy world crumbled into a sea of heartache and disappointment which escalated in spite of every endeavor he made to get things right again Mistake followed mistake one failure leading to another Eventually he came to terms with the grief all around him and accepted his misfortune as an opportunity to re order his life He discovered the resources he needed to heal in four places of grace By interpreting and understanding the adverse circumstances of his life through the experiences of an initiation and ancient rites of passage By re identifying with the grief heartache disappointment and failure of the great men and women of God as told in the Old and New Testament stories By working through the vigorous discipline required by the church and by experiencing amazing unconditional love and acceptance through the church By experiencing the loyalty and love of family and friends The road to healing and wholeness is long and winding with many unexpected twists and turns All too often the wind was blowing not from behind but into Jacks face and the journey was a long and painful one His story is a testimony that despite the difficulty and longevity of emotional healing grace to heal abounds that the very things that have gone wrong become the seeds of the new life to come and that the secret of love which is joy is discovered in the depths of ones suffering and despair *Plots Unlimited* Tom Sawyer,Arthur David Weingarten,1995 This is a veritable thesaurus of exciting plot twists and story moves that work for any composition of any genre **Anatomised** A.
