English File 4E Elementary Student Book Christina Latham-Koenig, Clive Oxenden, Kate Chomacki, Jerry Lambert, 2020-07-28 English File's unique lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills, communication and language practice than ever before, helping students develop relevant communication skills they can use immediately in the workplace. [Power and Passion in Shakespeare's Pronouns](#) Penelope Freedman, 2017-03-02 In revealing patterns of you/thou use in Shakespeare's plays, this study highlights striking and significant shifts from one to the other. Penelope Freedman demonstrates that understanding of the implications of you/thou use in early modern English has been bedevilled by overconcern with issues of power and status, and her careful research analysing all the plays reveals how a fuller understanding of Shakespeare's usage can provide a key to unlock puzzles of motive and character and a glass to clarify relationships and emotions. The work focuses particularly on dialogue between men and women and sheds new light on male and female language use. The scholarship presented in this volume is augmented with tables and a glossary of linguistic terms. **Exercises on Morris's grammar** John Wetherell, 1882 [face2face Starter Student's Book with DVD-ROM](#) Chris Redston, Gillie Cunningham, 2013-09-05 face2face Second edition is the flexible, easy-to-teach 6-level course A1 to C1 for busy teachers who want to get their adult and young adult learners to communicate with confidence.
