The Breath of Horse Crazy Lynn Baber, 2019-03-28 Horses make Dreams Come True Horses live move and think at the speed of trust and unlike some people horses can t be bought The end of the rainbow for horse crazy ladies is transformation becoming more than they were alone Horses tell you things about yourself you don t already know Horses are as true to their nature as you are never believing things about themselves that aren t real I slept on that horse and ate breakfast lunch and dinner on the toy Wonder pony When I woke out of a dead sleep I cried because I wasn t done riding my Wonder horse From that moment the breath of horse crazy was instilled in me Jessica Shively Until I was thirty three years old I kept the dream

of horses alive in my heart doing everything possible to ride pet talk to or simply be near one This book is for my sisters in the Realm of Horses those living the dream and those still clinging to the hope that one day hers will come true My years as an equine entrepreneur taught me lessons I couldn't learn anywhere else because each one either blessed my heart or broke it Horse crazy isn't a fad It's true love I'm so grateful to my Sisters of the Realm generous women who share their memories and hearts with readers Even if youth is a memory and you aren't living your horse dream yet don't let it fade For some the dream takes wings as a little girl and for others it arrives with wrinkles and grandchildren Girls and horses go together like moss on a north facing rock Some of my sisters in the Realm of Horses come late to the party but have just as much fun Why do women love horses Husband fathers and sons try to understand us but often give up accepting that the woman in his life was born that way and it's better to accept than resist If you're in the sisterhood of horsewomen I invite you to share the dream
