*Those Who Choose to Be Chosen* Virginia A. Ashmore,2008-03-17 Those Who Choose to be Chosen offers thought provoking inspirational lessons that encourage anyone on a spiritual journey to focus on awakening their divine life mission

At a young age Virginia Ashmore's practicing religion prohibited her from attending a friend's church. In her young mind she reasoned that her friend and the members of her friend's church must have prayed to a different God than the God she worshipped. That significant impression launched Ms. Ashmore on a life-long pilgrimage in search of her own divine destiny. She points out that we are all made in the likeness of God and must carve out our individuality when contributing to the overall collective consciousness of the world. After years of study her personal reflections have developed into lessons that will teach you how to See yourself the way God sees you. Open your heart and find the gift of love. Discover who you were intended to be. Use prayer to open the door to God's work. Through Ms. Ashmore's teachings you will learn that you are not alone. Open your eyes so you can truly experience all you are intended to see, feel, and love through the glory of God. **One! the Book About Everything and Nothing!** Chimie, 2011-11-23. Mother Earth is calling for help but her children are not listening. The four horsemen of apocalypse are fast approaching, created and driven by our actions and greed. As we think we understand all now when we can wield the four elements: water, earth, air, and fire. We have lost the balance of order and chaos as we have forgotten once again the important intangible elements: harmony, symphony, serenity, and love. With four can glory can be shown and with the other four passion achieved when combined all the peace is found and truth can be discovered. All great civilizations on earth have ended for the same reason, so will the current one, but never so far has there been a global civilization before this one. Our egoism and dualistic thinking will open the path to apocalypse and it will start on December 21, 2012, if we do not stop it. The first question is to be or not to be, the second is to do or not to do, the third is to believe or not to believe. Chimie. In a time of universal deceit, telling the truth is a revolutionary act. George Orwell. Is this the One? Male Nostradamus prophecies. Is this the Book of Life? Somebody. From the three water signs will be born a man who will celebrate Thursday as his holiday. His renown, praise, rule, and power will grow on land and sea, bringing trouble to the East. Nostradamus. **First Nations Version** Terry M. Wildman, 2021-08-31. The First Nations Version (FNV) recounts the Creator's Story, the Christian Scriptures following the tradition of Native storytellers' oral cultures. While remaining faithful to the original language of the New Testament, the FNV is a dynamic equivalence translation that captures the simplicity, clarity, and beauty of Native storytellers in English. **How To Write a Poem** HowExpert, 2011-01-26. more Through insightful commentary and the sharing of his own spiritual journey the author invites you to examine your own life experiences You will come to understand what the unification of mind body and spirit truly means Along the way you will find reunion with God You will begin living your life in joy through understanding oneness In that life should be a fascinating voyage of discovery the author has long been intrigued by why we seem to respond to lifes circumstances in very similar ways From an early age he sought to find answers to the reasons behind our actions Why did events in many instances come in repetitive cycles Why do many of us emit preprogrammed responses to the simplest of questions we encounter on a daily basis The responses often appeared to be automatic and devoid of conscious thought What was the underlying cause Did people really stop and think about what they said and why Did people really take notice of the world around them or were they just going through a daily routine on automatic pilot Coupled with these questions was the search for spiritual truth His early exposure to spirituality was not gained through organized faith Principles of living that is the way to conduct your life was taught by his family His one experience with organized religion at the age of six is revealed within the narrative as well as the search that followed for many years This culminated in an event at thirty seven that was to change his life Over the next twenty years he gradually began to put together each event that had occurred to form a cohesive picture of all life experiences A series of challenges that followed was the key to unlock the door to a heightened awareness and expanded consciousness These events reached their climax when he had to face the thing he feared most That was surgery This was another milestone in spiritual growth The experience transformed his life It was as if a door was opened to previously unknown levels of awareness Inspiration flowed The dots were connected Life suddenly made perfect sense not only within himself but on a universal level as well That which he had been searching for all his life became manifested He had come to understand and live oneness Throughout this book the author shares with you the steps that outline and explain the process of awakening as he experienced them They may serve to assist the reader not only to attain an in depth understanding but also to provide a benchmark to help you assess your own spiritual growth This enables the contents to be practically applied in terms of your actual life experiences not just in a theoretical manner It is the authors intent to afford the reader with practical knowledge to accelerate your spiritual advancement along the path to oneness by pointing out the misconceptions he had to work through and their often discomfoting results Perhaps these will be of benefit to you in your own spiritual development If so then the authors intent will have been achieved The following is an excerpt from the book Our purpose throughout these pages is to become aware of who we are why we are here and what we came here to do To understand that no matter what our circumstances in life may be we can live our lives in happiness and joy We reach this level of consciousness by understanding oneness Oneness simply stated is the unification of all life School, The Seedbed of Society Wendy Beth Rosen,2023-04-11 The pandemic exposed pervasive societal fractures that have long been destabilizing our educational system These imbalances and injustices that have compromised teachers children families and communities
