Love So Fresh A:

Songs from the Heart Catrina De jong Parkinson,2011-03-03 Songs From The Heart is a book on poetry written in the authors own words They come from her thoughts feelings emotions and experiences It is her way of making sense of her life lessons and resolving any unresolved issues she may have carried in her heart They also shed light on her own awakening into the conscious world You get a sense of her mood and emotions as she writes It gives you a small window in to her world and her thoughts as well as letting you reflect on your own feelings You see that she finds great pleasure in writing about her love for her children and her desire to express these feelings for them But on the other had you also get to feel her frustrations as she travels through her life journey As you read on you see her growth both in mind and soul as she learns when to let go and let be and when to act This is a book that will touch the lives of those who let it and change the way you see your world It allows you to see that life is full of different emotions and it is not necessarily about how it makes us feel but what we can do about those feelings inside Each feeling is a gift of growth and its up to us to see those gifts Harlot's Moon Meryl Taylor,2019-03-01 This is the most recent in Meryl Taylor s long series of literary offerings since 1987 when she first published Earthbound as a tribute to Elizabeth Steinberg a murdered child from New York City Proceeds went to the World Hunger Coalition Since then SCRAPs 1988 with New Horizons in Chula Vista donated funds to Humane Society Brown Mare with Avant Garde in Missouri gifted WWF Big Trouble on Hog s Back helped Wounded Warriors and her other works with Xibris aided animal charities across the world She was widely published in magazines under pen names in the late 70s and won contests with her teachers help Writing has been her passion and solace Now with her love Charles at her side she reaches out to those who hurt need to heal survive move on and grow past life that no longer work Living in Dayton Ohio she writes for adults and children who need to laugh at lives that may not always seem funny With a freshly minted PhD she soars into the stratosphere to entertain and enlighten A mother and grandmother she sees life as a challenge a tunnel where that light is no roaring train but an opportunity To aspiring authors write on publish or perish YOU & ME AUTHORS OF THE BHARAT,2023-09-25 In You and Me Unravelling the Tapestry of Shared Stories a diverse group of co authors come together to craft a mosaic of narratives that explore the intricate threads that connect us all This compelling anthology transcends genres weaving together poignant memoirs heartwarming fiction thought provoking essays and evocative poetry Each author brings a unique perspective offering readers a journey through a kaleidoscope of experiences emotions and insights From the quiet introspections of a seasoned traveller to the exuberant tales of youth s unbridled spirit this collection navigates the depths of human connection love loss triumph and the ever constant pursuit of self discovery Through vivid prose and lyrical verses the authors uncover the beauty in vulnerability the strength in unity and the resilience of the human spirit From the bustling streets of a metropolis to the serenity of a distant countryside these stories resonate on a deeply personal level transcending cultural boundaries and leaving an indelible mark on the reader s heart You and Me is more than

a book it s an invitation to embark on a journey of self discovery empathy and connection With every turn of the page readers will find themselves transported to new worlds and touched by the shared experiences of fellow travellers on this beautiful unpredictable journey we call life So open the pages of You and Me and let these stories remind you that despite our differences we are all woven into the same tapestry bound together by the threads of our shared humanity
