Love And Commitment:

The Power of Commitment Scott M. Stanley, 2005-04-06 The Power of Commitment What is commitment and what s so scary about it How can we better understand and appreciate the value of commitment and make it last for a lifetime In his new book Scott Stanley best selling marriage expert reveals that the secret ingredient for finding lasting love is understanding commitment Too often men and women find themselves in half committed Maybe I Do relationships that lead to frustration sadness and in many cases divorce But it doesn t have to be this way Scott Stanley offers a five step plan based on his groundbreaking marital research and uniquely spiritual approach for understanding commitment including learning to handle the pressures of everyday life moving through the pain of unfulfilled dreams and hopes overcoming attraction to others that might endanger a marriage transforming your thinking from me versus you to we and us and capturing the beauty and mystery of lifelong devotion loyalty teamwork and building a lasting vision for the future Nobody is more qualified to write this book than Dr Scott Stanley Drs Les and Leslie Parrott Seattle Pacific University authors Love Talk This book should be mandatory reading for dating engaged newlywed and not so newlywed couples Bravo Michele Weiner Davis author Divorce Busting and The Divorce Remedy

Learning to Live the Love We Promise Lewis B. Smedes, 2001-03-20 Each one of us enjoys deep relationships held together by an invisible cord called commitment and every important community depends on the strength of that unseen cord At times we find it a joy to keep our commitments At others it seems difficult even impossible to honor those spoken and unspoken pledges If you deeply desire to make and keep commitments If you want insight into what makes relationships work or to learn what to do when a relationship is in crisis If you feel trapped by a bad commitment and wonder if you can experience grace and a new beginning Best selling author Lewis Smedes offers insights that will profoundly affect the way you interact with and relate to others Find out what you and those you love can gain from committed relationships discover how to cope when someone close to you breaks your trust and determine which if any relationships should continue forever as well as how you can make these relationships last in Learning to Live the Love We Promise

Worship James D Janzen, 2025-08-25 Worship content and styles need not be complicated or mysterious leading to tension and disunity When we understand how scripture defines worship we easily avoid disagreements and misunderstandings Worship is like a building with a cornerstone a six part foundation strong walls conditions and activities labelled as worship in scripture a roof to link all aspects of worship We use one word worship to describe church music but scripture uses nine additional words defined in this book This book s careful use of scripture moves the reader to become the true worshiper God seeks John 4 23

Love Unfolded Abdur Rahim, 2019-08-08 Where there is love there is life But what love is To understand love at the deepest level we need to know what love is and how it is explained This book attempts to share inspiring insights anecdotal experiences and perhaps incomplete yet valuable

materials and viewpoints of general and notable people across the global cultures over time which is presented precisely easy to read and understand to the readers on the matter of love marriage and sexual behavior towards fulfilling the life's most intrinsic desire and happiness. The book is for the general public of all sections of global society and culture. The three key messages readers shall take away from this book are: a love is the essence, b marriage is a bond, and c sex is the ultimate supreme pleasure of life. Explaining these themes, attempts have been made to broadly discuss about the topics bringing together various ideas from diverse sources: historical periods, cultures, and philosophical perspectives along with contemporary empirical work from psychology, sociology, anthropology, and neuroscience. The readers not only will enjoy the many flavors of the substance of the book but also get the facts and analysis of why we approach love marriage relationships and observed or unobserved differences between men and women and what social, historical, cultural, political, evolutionary, or biological factors might influence them. Nonetheless, the substance of the book tells the innermost words of every man and woman that are being preserved since their young age. Finally, the book will be of good values and understanding with readers' own journey of love marriage and relationship. These are the reasons why the readers will buy the book. The main objective of the book is to let the readers rethink about the changing pattern of love and relationships over time. **12**

Secrets To Finding Love & Commitment Jeffrey Ullman, 1995-02-01 From getting real about dating opportunities today to making connections to recognizing what the opposite sex is really looking for. 12 Secrets to Finding Love Commitment is Jeffrey Ullman's guide to finding love. The founder of the world's largest and most respected relationship service gives an outline of proven techniques for finding lasting love.

Sex, Love, and Friendship Adrienne Leigh McEvoy, 2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town. The reason that the other conventioners do it, philosophers just talk about it. And talk about sex and love and friendship is what the contributors to this volume do. They talk and argue, split hairs, and clarify, all trying to advance our understanding of this most interesting practice of the human species. Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery, commitment, cross-dressing, gender politics, date rape, family, friendship, friends as lovers, gayness, love, marital pluralism, marriage, prostitution, religiously motivated anti-queer sentiments, same-sex marriage, seduction, and self-respect. Rather than preach, participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species. The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed. The work is accessible to readers from high school through college and beyond.
