**Philosophy** Gabriel L. Rodgers,2019-02-05 The first poem I wrote was I Will Love You For Always The conception came about when I was thinking about a love lost or never had The primary thought was if the love was ever there to lose or did I mess it up and didn t know it As the thoughts persist I put the situations into a simile that started making a vivid comparative life story Days later and with more vivid comparative situations I decided to write the thoughts down Once all the scribbling was done I hammered out the writing The emotions of the events were artistically put into words to flirt with the readers mind to feel my desires as well as relate to ones own desires It was emotionally straining to complete the poem at that time as well as the publication of this book My heart now knows it s over **Hands-On Bible 365 Devotions for Kids** Jennifer

**Philosophical Provocations** Colin McGinn, 2017-08-18 Pithy direct and bold essays that propose new ways to think about old problems spanning a range of philosophical topics In Philosophical Provocations Colin McGinn offers a series of short sharp essays that take on philosophical problems ranging from the concept of mind to paradox altruism and the relation between God and the Devil Avoiding the usual scholarly apparatus and embracing a blunt pithiness McGinn aims to achieve as much as possible in as short a space as possible while covering as many topics as possible Much academic philosophical writing today is long leaden citation heavy dense with qualifications and painful to read The essays in Philosophical Provocations are short direct and engaging often challenging philosophical orthodoxy as they consider issues in mind language knowledge metaphysics biology ethics and religion McGinn is looking for new ways to think about old problems Thus he writes about consciousness I think we have been all wrong and goes on to suggest that both consciousness and the unconscious are mysteries Summing up his proposal on altruism he remarks My suggestion can

now be stated somewhat brutally as follows human altruism is the result of parasitic manipulation He takes a moment to reflect I really don't know why it is good to be alive though I am convinced that the standard suggestions don't work McGinn gets straight to the point and states his position with maximum clarity These essays offer provocative invitations to think again
