Wandering and Welcome Joseph Grant, 2019-10-30 Feeling unsettled or searching for peace Looking for a new way to find hope Every searching heart needs this book Times are difficult Joseph Grant's meditative delivery wraps his reader in hope tenderness and gratitude Wandering and Welcome is a beacon of poetic kindness rooted in honesty Scripture and truth You'll want to call loved ones and read pieces to them aloud Some pages will make you sigh in astonishment some will cause you to pause in revelation and others will bring tears of joy and appreciation If a book could be both giant reality check and tender hug all wrapped in one this would be it Amid the tumult of these frenzied times contemplative living does not propose an escape from our very real practical and sometimes intractable problems On the contrary it suggests a way of being still while still being in the storms that rage all around and within us Seasoned by tears of joy and lament prayer centered presence invites us to welcome the whole world by drawing it into our heart center Here theology mixes with theater and prophetic action with poetry as walls come tumbling down making way for wonder woe and well being from the introduction

MacGregor,2021-03-19 Paul Tillich and Religious Socialism Towards a Kingdom of Peace and Justice argues that the Kingdom of God the reign of God over all human affairs via God s manifestations in love power and justice can be fragmentarily achieved through a religious socialism that creatively integrates the early Tillich s socialist thinking with later insights throughout Tillich s theological career and with contemporary developments in just peacemaking The resulting religious socialism is defined by economic justice and a recognition of the sacred reality in all human endeavors It employs Christianity to furnish the necessary depth for warding off materialism and affirming the spiritual dimension of both labor and acquiring material goods The unbridgeable Marxist chasm between expectation and reality is bridged through new being already historically inaugurated in the Christhood of Jesus New being is fundamentally oriented toward bringing justice to the poor the disenfranchised and the marginalized It affirms the individual and equal value of all persons and thus in Kantian terms promotes a kingdom of intrinsically worthwhile ends rather than a kingdom of instrumentally worthwhile means of things
