Saving The Liar (Colors Reflected) Donato DiCristino,2010-08-03 Saving The Liar was written from personal experience but narrated in poetry with metaphoric undertones Because there is no one or nothing specific actually referenced in the book the reader is given a unique opportunity the gift of choice The book is divided into four sections with each section taking you into a different direction First we go West in search of gold Out West I examine the harsh reality experienced through unrequited love After the heartbreak we head East to examine ourselves There we discover a nest of undesirable feelings we either don t know exist or flat out ignore Stumbling South is exactly as it sounds I use this section to explore society and the effects it has in our lives Finally we head North to discover the silver lining that exists within all of us Saving The Liar is a one of a kind story Deep but to the point Enjoy

 social media to find out what you're supposed to think Are you weary of the latest self-help books that promise to set you free
 but only imprison you with laundry lists of studies to consider positive affirmations to recite and Facebook groups to join We
 've all seen the memes that populate the internet live your truth follow your heart you only have one life to live They sound
 nice and positive But what if these slogans are actually lies that unhinge us from reality and leave us anxious and exhausted
 Another Gospel author and Christian apologist Alisa Childers invites you to examine under the light of Scripture modern lies
 that are disguised as truths in today's culture Everyday messages of peace fulfillment and empowerment swirl around social
 media On the surface they seem like sentiments of freedom and hope but in reality they are deeply deceptive In Live Your
 Truth and Other Lies Alisa brings refreshing honesty and clarity to hot button issues to help you Uncover the common lies
 repeated within progressive circles Hold on to the soul-restoring truths that God's Word offers Be empowered to live the way
 your Creator designed you Being the captain of your own destiny and striving to make your dreams a reality is a huge burden

 Evans, 2009 Everyone knows about Noah Moses and Paul But what about Hagar Michal and Priscilla all women who had a
 direct influence in the story of God's people The Bible is full of fascinating powerful and faithful women as well as lessons
 that have unique meaning for women today In The Women's Study Bible respected Bible scholars draw out these often
 overlooked stories and reveal the lives of women at the time and share lessons for women of today Separate sidebars cover
 topics such as midwifery women disciples and female images of God The Women's Study Bible doesn't shy away from the
 difficult issues but helps readers to understand them better in both their original context and the modern world The New
