Love Of Christ:

A Heavenly Treatise on the Divine Love of Christ John Preston, 2013-03-11 John Preston D D 1587 1628 was a Reformed English puritan minister and master of Emmanuel College Cambridge It is clear that his heart was firmly set on the propagation of the Calvinistic theology his posthumous works edited by Richard Sibbes John Davenport Thomas Ball and partly by Thomas Goodwin D D are a storehouse of such sentiments How much do you love Jesus Christ Is your love true or manufactured Such questions rub Christians the wrong way since it calls into question whether or not one has true love to the Savior Jesus Christ Preston not only questions how one loves Christ but shows both how one might love Christ sincerely as well as the accursed state of those who do not love the Lord Jesus at all or in a hypocritical manner His text is 1 Cor 16 22 If any man love not the Lord Jesus Christ let him be anathema maranatha He shows how to love Christ reasons to love Christ who Christ is as the one we ought to love and consequences for not loving him as we should both as a Christian and as the result of not being converted This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions [Discovering the Glorious Love of Christ](#) John Durant, C. Matthew McMahon, 2021-03-15 Durant in this wonderful work on making a discovery of Christ's love to his people plumbs the depths of Christ's transcendent love from Ephesians 3 19 And to know the love of Christ which passeth knowledge that ye might be filled with all the fulness of God He will explain what it means that this love is transcendent It is a preeminent and supreme love lying beyond the ordinary range of perception Can such a study be accomplished adequately in light of Christ's infinite benevolence to his people Durant will take a course to outline and explain four main parts to his overall subject demonstrating how the love of Christ passes knowledge as it 1 includes the truth and reality of Christ's love to the saints 2 As it concludes the height and royalty or transcendency of that love 3 As it holds out the apostle's desire that the Ephesians might know both And 4 As it contains the grounds of keeping up the Ephesian's hearts from fainting at Paul's tribulations which is the drift and scope that Paul strives for in them In exploring this transcendent love of Christ to the soul he affirms that it is so high there is no reaching of it so deep that there is no sounding of it so long that it exceeds measuring and so broad that there is no comprehending it Yet believers are beckoned to strive to understand to apprehend it in its communication to their heart soul and mind In fact when they have finished reading this work by Durant if they have soaked in even a measure of what he explains they will come away with being lovesick for the Savior **The Love of Christ** Richard Sibbes, 2022-11-21 The Puritan John Dod wrote that this book is so full of heavenly treasure and such lively expressions of the invaluable riches of the love of Christ that it kindles in the heart all heavenly affections unto Jesus Christ Indeed it does And that was very much what Richard Sibbes 1577 1635 was about in all his ministry The Love of Christ is a series of sermons preached on Song of Solomon 4 16 6 3 For Sibbes this Bible book is nothing else but a plain demonstration and setting forth of the love of Christ to his church and of the love of the church to Christ The Song of Solomon does not

simply mouth a doctrine its sensuous imagery sings its message It is as if this love story is played on violins The reader is thus brought not simply to understand but to taste and share the delights of the lovers This is precisely what Christ s people need as Sibbes knew it is not enough to be aware of Christ s love we must sense grasp and enjoy it Only then will we truly love the Lord our God with all our hearts That is one reason why so many avoid books like this one they want information and they want it fast But Sibbes intends to affect you to hold your eyes on Jesus that you might develop a stronger appetite for him Such work cannot be fast work but it is profoundly transforming *The True Christians Love to the Unseen Christ*
 Thomas Vincent, Rev Terry Kulakowski, Editor, 2015-11-28 The essence of Christianity is love God is love said the Apostle John Obedience to God s commands is nothing more than a manifestation of our love to God The Ten Commandments show how we are to love God and one another Love then is of the utmost importance in true biblical Christianity In this book first written in the 17th century and out of print since 1812 Thomas Vincent known for his lectures on the Shorter Catechism of the Westminster Confession of Faith expounds 1 Peter 1 8 whom having not seen ye love in whom though now ye see Him not yet believing ye rejoice with joy unspeakable and full of glory This is one of the most poignant tender books ever to come from a Puritan pen **THOUGHTS ON THE LOVE OF CHRIST** David Harsha , This work is not designed as a systematic treatise but as a humble essay on the great the inexhaustible subject of the love of Christ as manifested to a lost world It was composed during a long period of recovery from a chronic disease which brought the author to the gates of death and well near terminated his life In the present essay the author has endeavored to notice a few ways in which Christ has manifested his great love to sinners His object in writing this work is to do good and should this volume be the means of leading any sinner to the blessed Jesus or of kindling a single spark of divine love in his bosom or even of refreshing the soul of any saint of animating him on his way to glory he will feel amply rewarded for the toil of writing it when in a state of much physical inability and most gratefully would he ascribe all the praise and glory to God He can bless the feeblest instrument and without his blessing all our labors for good must be futile While the author would endeavor to lead others to the Lamb of God to the bleeding Savior most humbly would he himself glory in the cross of Christ God forbid that I should glory save in the cross of our Lord Jesus Christ by whom the world is crucified unto me and I unto the world and ever does he hope to proclaim the love and set forth the praise of that blessed Redeemer who left the regions of glory to live and die for sinners Jesus I my Shepherd Husband friend My Prophet Priest and King My Lord my life my way my end Accept the praise I bring Weak is the effort of my heart And cold my warmest thought But when I see you as you art I ll praise you as I ought Till then I would your love proclaim With every fleeting breath And may the music of your name Refresh my soul in death God designed from eternity to create this world and people it with intelligent beings This design was put into execution in the beginning of time In the beginning God created the heavens and the earth He spoke and this earth with all its multifarious occupants sprung into being It required nothing but his almighty fiat to usher a world and its inhabitants into existence Man was created in the

image of God hence he was a holy and a happy being Uncontaminated by moral pollution his soul was one of purity holiness and happiness He was lord of this lower creation enjoying the smiles of his beneficent Creator and the delight of the terrestrial paradise Primeval beauty mantled all sublunary objects Paradise bloomed with its richest productions and all was peace and harmony between man and his Creator At length man disobeyed the divine command sinned against God and fell from his original blessedness by eating the forbidden fruit By one man sin entered into the world and death by sin and so death passed upon all men for all have sinned When we contrast man s present deplorable condition with his pristine state of innocence we may well exclaim with the Prophet How is the gold become dim how is the most fine gold changed The crown is fallen from our head woe unto us that we have sinned By his fall man lost all communion with God and became exposed to the miseries of this life to death itself and to the wrath of God through eternity From this sinful and lost condition he could not extricate himself he could not redeem himself nor pay unto God a sufficient ransom for his manifold transgressions A broken law was to be fulfilled the justice of God to be satisfied and a complete atonement to be made for the sins of men or else God and the sinner could never be reconciled Punishment everlasting punishment and destruction from the presence of the Lord and from the glory of his power awaited all mankind in the world of just retribution All was forlorn all was hopeless forever hopeless with regard to man s redemption had not God interposed on our behalf to give unto us an expected end It was the grand design of God from all eternity to exhibit a magnificent plan of salvation to a lost world And everlasting praise and thanksgiving be unto his most blessed name that the glad tidings of this unspeakably precious salvation have reached our ears When there was no eye to pity sinners nor arm to save them God s eye pitied and his arm alone brought salvation to them In infinite love to lost and perishing sinners he said Deliver them from going down to the pit I have found a ransom To every redeemed sinner God says But I came by and saw you there helplessly kicking about in your own blood As you lay there I said Live And I helped you to thrive like a plant in the field You grew up and became a beautiful jewel Your breasts became full and your hair grew though you were still naked And when I passed by and saw you again you were old enough to be married So I wrapped my cloak around you to cover your nakedness and declared my marriage vows I made a covenant with you says the Sovereign Lord and you became mine God did not leave all mankind to perish in their fallen miserable and polluted condition No his love saved them his wisdom devised a way by which we polluted sinners might be raised from the horrible pit into which our iniquities had consigned us When in our blood we lay He would not let us die Because his love had fixed a day To bring salvation nigh

Christian live is primarily motivated by our love for Christ Without manifesting love to Christ we are as entirely lacking spiritual life as a dead body lacks life when its soul departs for the other world Therefore professing a belief without loving Christ is dead religion and thus a professed believer who has no love to Christ is a dead man dead in transgression and sin Without a biblical love to Christ we may pretend to be Christians but we would lack entirely the true nature of a Christian In

treating the true love of Christians towards Christ this book is like any other Puritan devotion intertwined with clear doctrine and sharp biblical precision in statements permeates this book on every page of it You will be unable to put it down and your life and devotion to Christ will be changed forever This book was originally published in 1812 under the title The True Christian's Love for the Unseen Christ The current edition has been proofread typeset for eBook readers and slightly updated for modern readers **The True Christian's Love of the Unseen Christ, Etc** Thomas VINCENT (M.A., Nonconformist

blow up the spark of love to Christ which seems so ready to expire Reader the following discourse of the true Christian s love to the unseen Christ is not finely spun and woven with neatness of wit and language It is not flourished and set off with a variety of metaphors hyperboles rhetorical elegancies or poetical fancies and fragments It is not adorned and fringed with the specious show of many marginal quotations excerpted out of divers authors The discourse is plain but the author has endeavored that it might be warm his design being more to advance his Master than himself in your esteem and if he has less of your praise so that his Lord may have more of your love his great end is attained *Pierced & Embraced* Kelli Worrall,2017-08-01 How would you describe the love of God Throughout the Gospel accounts Jesus often engaged women differently than He did men Sometimes the difference is subtle Sometimes it is stark Always it is profound Women today long to experience the same sort of life changing love that Jesus lavished on His followers 2000 years ago We still want to be seen and known and valued and set free *Pierced and Embraced* digs deeply into seven encounters that Jesus had with different women in the Gospels to show how His love can be equally powerful in our lives today It mixes attentive Scriptural engagement with contemporary research and personal narrative making the content accessible engaging and practical *Pierced and Embraced* will help us focus our eyes on the true object of our faith Jesus Christ who loves us passionately completely and sometimes even painfully Includes questions for further reflection at the end of each chapter *The Saint's Knowledge of Christ's Love* John Bunyan,2008-08-08 John Bunyan s *The Saints Knowledge of Christ s Love or The Unsearchable Riches of Christ* 1692 is an exposition of Ephesians 3 18 19 concerning the love of Christ While preaching Christian values Bunyan asserts that the scope of Christ s love encompasses all believers Those who repent and regret their sins are covered in the blessings of the Father and the Son **A Discovery of Glorious Love** John Durant,2022-02-15 Love is glorious we might even say transcendent Yet no love is as glorious as the Lord Jesus s love for His people From Ephesians 3 19 John Durant explains the greatness of Christ s love as beyond what words can express or our wildest imagination While this love is so great that we cannot fully comprehend it it is indeed true and among the sweetest comforts that can ease our troubled hearts Durant reveals the many ways that Christ s heart is full of tender love for all believers But has this love captured your heart *Table of Contents* 1 The Truth of Christ s Love to Believers 2 The Transcendence of Christ s Love to Believers 3 The Demonstration of the Love of Christ to Be Transcendent 4 Further Demonstration of the Love of Christ for Believers 5 Believers Study to Know Their Savior s Love 6 The Love of Christ Is the Strongest Cordial in Tribulation **On the Great Love of God to Mankind, through Jesus Christ our Lord, etc** Thomas Chalkley,1857 **Growing in the Love of Christ** Gregory Toussaint,2018-12-27 Growing up in the Love of Christ is a devotional book that will help you to love God with all your heart soul and strength He offers spiritual exercises to encourage you to grow in this direction
