Gerald Lawson Sittser, 2008-09-19 Jesus commanded his disciples to love one another. It's a simple command to understand but very difficult to obey. And in the local church it sometimes seems impossible. Many of us belong to highly diverse Christian communities where we encounter people radically different from ourselves. At the same time controversies and difficulties often threaten to tear us apart. So how can we achieve unity within the body of Christ? Gerald Sittser examines the one another statements from the New Testament distilling much needed biblical wisdom to help us love one another. Drawing on his own pastoral experience of the best and worst of church life he shows us what the love Jesus commanded actually requires of us and how to live it out in struggle and servanthood, compromise and sacrifice. This enjoyable book by a best selling author will guide us in putting one of the most important biblical principles into practice for the good of our local churches.

A summary of the French verbs Auguste Mariot de Beauvoisin, 1862 **Children, Love One Another** Kathleen B. Polo MD, 2021-05-05 Let us draw near to God. Hebrews 10:19 There is no separation from God apart from our own sin which causes us to move away. Baptism in the Spirit has washed and purified us to stand in his presence. Draw near each day by daily inviting the Holy Spirit to open our hearts and minds. Norman Lawson was a United Methodist pastor who served from 1956 to 2012. While cleaning her parents storage unit ten years ago his daughter Dr. Kathleen Polo unearthed a box filled with more than fifty years of his sermons rich with spiritual insight that paralleled the current events of several decades in American history. After pulling thirty meditations from the sermons and presenting them to her father on his eightieth birthday, Kathleen eventually decided to create a compilation of these inspirational writings for every day of the year. Within a daily devotional inspired by the work of the Holy Spirit, Kathleen shares insight into faith, current world struggles and biblical truths intended to enrich the faith journey and stimulate the mind. Throughout the writings, Kathleen offers encouragement to

Religious Affections

Jonathan Edwards,2009-01-01 This volume contains Edwards most mature and persistent attempt to judge the validity of the religious development in eighteenth century America known as the Great Awakening In developing criteria for such judgment he attacked at the same time one of the fundamental questions facing all religion how to distinguish genuine from spurious piety The Awakening created much bitter controversy on the one side stood the emotionalists and enthusiasts and on the other the rationalists for whom religion was essentially a matter of morality or good conduct and the acceptance of properly formulated doctrine Edwards with great analytical skill and enormous biblical learning showed that both sides were in the wrong He attacked both a lifeless morality as too pale as to be the essence of religion and he rejected the excesses of a purely emotional religion more concerned for sensational effects than for the inner transformation of the self which was for him the center of genuine Christianity
