H. Spurgeon, Volume 38* Charles Spurgeon, 2015-06-04 Volume 38

Sermons 2237 2288 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the Prince of Preachers, he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world and his many printed works have been cherished classics for decades. In his lifetime Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel, later the Metropolitan Tabernacle in London, for 38 years. He was an inexhaustible author of various kinds of works, including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns, and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London*, Volume 6, 1878, quoting an article from the *Times* regarding one of Spurgeon's meetings at Surrey Fancy, a congregation consisting of 10,000 souls streaming into the hall, mounting the galleries, humming, buzzing, and swarming, a mighty hive of bees eager to secure at first the best places and at last any place at all. After waiting more than half an hour for if you wish to have a seat, you must be there at least that space of time in advance. Mr Spurgeon ascended his tribune. To the hum and rush and trampling of men succeeded a low, concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly, of his language that it is neither high flown nor homely, of his style that it is at times familiar, at times declamatory, but always happy and often eloquent, of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion, cant, hypocrisy, pride, and those secret, bosom sins which so easily beset a man in daily life, and to sum up all in a word, it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity. More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon. **As I See It**

Jane Willis, 2010-08-20. I write for pleasure, and when I feel strongly about something, I find it much easier to be articulate, writing my feelings down than trying to explain myself vocally. Some of the poems I wrote when my marriage broke down after twenty years are quite dark and depressing, but there is always the golden thread of hope running through which lifts the spirit at the end. It would be nice to think that readers of my work could relate to some of my sentiments, especially the humour in poems like *The Ironing Pile* and *The Driving Test*. Those of you who are grandparents could well feel the same as I did when my grandson was born in 1996; he was the inspiration for *For Leo*. And for all those of you with military connections

Kell,2009 The struggle for control of the Southern Baptist Convention which was publicly launched in 1979 and concluded in the 1990s marked an unprecedented turning point in the history of the denomination Just as a new millennium was dawning everything in the denomination was different its priorities its policies and its personalities The conservatives had come decisively to the fore and those Baptists labeled as moderates found themselves largely exiled from the religious communities that had formed them and to which they had given their lives Using rhetorical and historical analysis to illuminate the role of the Baptist moderates and the schisms that led to their banishment Carl Kell argues that the twenty first century Baptist diaspora originated in an unintended fashion after World War II Birthed in a postwar revival movement at Baylor University in Waco Texas young men and women with little or no training in preaching and religious organization became the progenitors of a distinctive community of moderate believers Armed with a spirit of evangelism and missions fueled by a rhetoric of freedom these men and women would be among the first exiles and martyrs of the fundamentalist takeover that occurred years later As he probes the rhetoric that defined the moderate voice in Southern Baptist life Kell also shows how the rise of a conservative counter rhetoric associated with biblical inerrancy and related doctrines came into play to exclude and divide members of the convention Complementing Kell s text are contributions by several other prominent observers of the Southern Baptist holy wars among them William Hull Bill Leonard and Duke McCall The end result is a unique and penetrating examination of not only where the Baptist moderates came from but where they are headed and how they will get there Carl Kell is professor of communication at Western Kentucky University He is the editor of Exiled Voices of the Southern Baptist Convention Holy War and coauthor with Raymond Camp of In the Name of the Father The Rhetoric of the New Southern Baptist Convention

Why be a Christian? Howard P. Giddens,2007 His active service spanned the last six decades of the twentieth century but even in retirement his influence continues unabated A graduate of Mercer University and the Southern Baptist Theological Seminary he served as pastor of three Georgia Baptist churches and then as professor of Christianity at Mercer He is the epitome of the scholar pastor These sermons which cover such subjects as Jesus Christ the Christian life holy days the family evangelism and missions reverberate with a deep love for the Lord for the church for the Bible and for people The book will be a treasure to those who had the privilege of being parishioners or students of Dr Giddens It will also serve as a valuable resource to students and practitioners of preaching First it offers one of the finest examples available of a classical preaching style that was practiced in the mid twentieth century Second it shows how careful scholarship deep piety warm hearted compassion and prophetic challenge can be combined in a sermon Third it contains material that will offer stimulus and inspiration for the crafting of sermons today These sermons inspire teach and convict These are the words of a man who has
