Autobiographical reminiscences of Ram Naik born 1934 politician from Maharashtra India The Legend of Chip Stanley Campbell,2017-12-03 When supernatural forces threaten to rip Chip s world apart he must find a power he never thought possible and defeat the darkness within himself as well When Chip accepts a stranger s offer to earn more money unexplainable things begin to happen Soon he discovers that dark forces are at work lurking in the shadows and threatening to destroy everyone he cares about If he wishes to protect those he loves he must find a power he never thought possible and defeat the darkness inside himself as well **Einstein on the Beach: Opera beyond Drama** Jelena Novak,John

Richardson,2019-12-06 Philip Glass and Robert Wilson s most celebrated collaboration the landmark opera Einstein on the Beach had its premiere at the Avignon Festival in 1976 During its initial European tour Metropolitan Opera premiere and revivals in 1984 and 1992 Einstein provoked opposed reactions from both audiences and critics Today Einstein is well on the way itself to becoming a canonized avant garde work and it is widely acknowledged as a profoundly significant moment in the history of opera or musical theater Einstein created waves that for many years crashed against the shores of traditional thinking concerning the nature and creative potential of audiovisual expression Reaching beyond opera its influence was felt in audiovisual culture in general in contemporary avant garde music performance art avant garde cinema popular film popular music advertising dance theater and many other expressive commercial and cultural spheres Inspired by the 2012 2015 series of performances that re contextualized this unique work as part of the present day nexus of theoretical political and social concerns the editors and contributors of this book take these new performances as a pretext for far reaching interdisciplinary reflection and dialogue Essays range from those that focus on the human scale and agencies involved in productions to the mechanical and post human character of the opera s expressive substance A further valuable dimension is the inclusion of material taken from several recent interviews with creative collaborators Philip Glass Robert Wilson and Lucinda Childs each of these sections comprising knee plays or short intermezzo sections resembling those found in the opera Einstein on the Beach itself The book additionally features a foreword written by the influential musicologist and cultural theorist Susan McClary and an interview with film and theater luminary Peter Greenaway as well as a short chapter of reminiscences written by the singer songwriter Suzanne Vega *An Anguished Crack in Being* Charles Schlee,2018-04-11 This book is an answer to the question with which Sartre concludes being and nothingness how are we to understand a freedom that wants to be a freedom One of Sartres most fundamental concepts is what he has called the circuit of selfness our attempt to fill ourselves with being This is how we typically live our lives Yet a focus on filling ourselves with being is

psychologically unhealthy for it leads to bad faith and conflict In this book Dr Schlee presents an alternative psychologically healthier approach based not on filling ourselves with being but on embracing the freedom we truly are **Specifications and Drawings of Patents Issued from the United States Patent Office** United States.
