heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman s journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime
