**The Snowlygaster** Donna Tisdale, 2016-06-27 The Snowlygaster By Donna Tisdale Once a long time ago beyond the two bluest mountains on the horizon down Misty Lane that led between two giant hemlock trees there lay a beautiful meadow And in this meadow there lived a Snowlygaster He was as big as a house as high as a house as long as a house and as wide as a house Never was there another animal as big as the Snowlygaster He had two heads One like a horse s head with soft brown eyes and a flowing white mane One like a dragon s head with flashing blue eyes and covered with green scales This head breathed fire from its nose and mouth No animal was ever kinder than the Snowlygaster s horse head And none was ever more ferocious than the green dragon head Now the Snowlygaster had eight legs four like a horse s legs and four like a dragon s legs When he drew up his dragon legs and ran on his horse s legs he could go faster than the wind But when he drew up his horse s legs and stood on his dragon legs the wind stopped The earth held its breath So powerful was the Snowlygaster on his dragon legs that he could lick any beast that lived then or lives now or ever will live Slang and Its Analogues Past and Present John Stephen Farmer, 1902 *D.
