Nation Comes Of Age A Peoples History Of:

The Nation Comes of Age Page Smith,1990 Volume four of a multi volume history of the United States A history of America from 1826 to 1861 **The Nation Comes of Age** Page Smith,1997 **America's First Ladies** Nancy Hendricks,2015-10-13 Meet the First Ladies of the United States sometimes inspiring sometimes tragic always fascinating women who though often unsung helped hold the nation together in its infancy and advance it as a world power More than simply serving as America s hostesses many of the nation s First Ladies played vital roles in shaping their husband s presidency and serving as political activists in their own right From Martha Washington to Michelle Obama their inspiring stories come alive in this handsomely illustrated encyclopedia Within its pages the First Ladies are revealed as human beings who one day awoke to find the eyes of the world upon them The book differs from others by showcasing America s First Ladies in their own words as flesh and blood individuals Readers will discover which First Lady held off Napoleon s army with a toy sword why women had to be pale frail and ailing and which First Lady was called Sunshine and which was Hellcat Each entry includes a biographical essay that details the life of the woman and places her within the political social and cultural context of her time Each also offers a related primary document that helps define the First Lady s legacy as well as a short bibliography for further information Written in a lively compelling style this highly readable volume is perfect for junior high high school and college students as well as the general public **Fascinating Facts from American History** Bill Lawrence,1995 Provides telling insights into American history through scores of personality profiles anecdotes advertisements and more Includes sources and references for use in independent study **The Greenwood Encyclopedia of Daily Life in America** Randall M. Miller,2008-12-30 The course of daily life in the United States has been a product of tradition environment and circumstance How did the Civil War alter the lives of women both white and black left alone on southern farms How did the Great Depression change the lives of working class families in eastern cities How did the discovery of gold in California transform the lives of native American Hispanic and white communities in western territories Organized by time period as spelled out in the National Standards for U S History these four volumes effectively analyze the diverse whole of American experience examining the domestic economic intellectual material political recreational and religious life of the American people between 1763 and 2005 Working under the editorial direction of general editor Randall M Miller professor of history at St Joseph s University a group of expert volume editors carefully integrate material drawn from volumes in Greenwood s highly successful Daily Life Through History series with new material researched and written by themselves and other scholars The four volumes cover the following periods The War of Independence and Antebellum Expansion and Reform 1763 1861 The Civil War Reconstruction and the Industrialization of America 1861 1900 The Emergence of Modern America World War I and the Great Depression 1900 1940 and Wartime Postwar and Contemporary America 1940 Present Each volume includes a selection of primary documents a timeline of important events during the

period images illustrating the text and extensive bibliography of further information resources both print and electronic and a detailed subject index

The Antebellum Period James M. Volo, Dorothy Volo, 2004-06-30 The Antebellum Era was a complex time in American culture Young ladies had suitors call upon them while men often settled quarrels by dueling and mill girls worked 16 hour days to help their families make ends meet Yet at the same time a new America was emerging The rapid growth of cities inspired Frederick Law Olmstead to lead the movement for public parks Stephen Foster helped forge a catalog of American popular music writers such as Washington Irving and Ralph Waldo Emerson raised the level of American literature artists such as Thomas Cole and Thomas Doughty defined a new style of painting called the Hudson River School All the while schisms between northern and southern culture threatened to divide the nation This volume in Greenwood's American Popular Culture Through History recounts the ways in which things old and new intersected in the decades before the Civil War James and Dorothy Volo are one of the more prolific author teams in reference publishing today and with this volume they make important contributions to Greenwood's successful series on America's other history

John L. Sullivan and His America Michael T. Isenberg, 1994-01-15 A knockout biography of John L. Sullivan that puts the fabled boxing champ squarely in the context of his rough and tumble times Drawing on a wealth of contemporary sources including the scandalous National Police Gazette Isenberg's History Annapolis recounts how Sullivan brawled his way from a working class background in Boston's Irish ghetto to the top of the prizefighting world

Voices of Antebellum America John A. Wagner, 2025-01-09 Uncover the history of Antebellum America through the voices of those who lived it This book analyzes more than 70 primary documents from the antebellum period of American history shedding light on various aspects of life in the USA from 1815 to 1861 From these document excerpts organized into 40 topical sections readers will come away with a first hand account of what life was like in a period characterized by growing political social and economic tensions through exploring documents relating to society economy religion foreign relations war literature and more Documents are supported by commentary biographical profiles a chronology and glossary of terms Connecting the glory of the American Revolution Early National era with the tragedy of the Civil War the antebellum period often receives less attention in history books than either of these major events Yet to understand antebellum America is to gain a fuller picture of American history and the significant events that followed it especially many political and social developments of the early twenty first century This is a key resource for students wanting to delve into the history of this period aided by an expert guide

Literary Dollars and Social Sense Ronald J. Zboray, Mary Saracino Zboray, 2013-10-08 Prior to the Civil War publishing in America underwent a transformation from a genteel artisan trade supported by civic patronage and religious groups to a thriving cut throat national industry propelled by profit Literary Dollars and Social Sense represents an important chapter in the historical experience of print culture it illuminates the phenomenon of amateur writing and delineates the access points of the emerging mass market for print for distributors consumers and writers It challenges the conventional assumptions that the

literary public had little trouble embracing the new literary marketing that emerged at mid century The book uncover the tensions that author s faced between literature s role in the traditional moral economy and the lure of literary dollars for personal gain and fame This book marks an important example in how scholars understand and conduct research in American literature

The Battles that Made Abraham Lincoln Larry Tagg,2012-12-19 A timely look at the atmosphere of political hostility surrounding the Civil War and the venom faced by America s sixteenth president Today Abraham Lincoln is a beloved American icon widely considered to be our best president It was not always so This book takes a look at what Lincoln s contemporaries actually thought and said about him during his lifetime when political hostilities and ultimately civil war raged The era in which our sixteenth president lived and governed was the most rough and tumble in the history of American politics The hostility behind the criticism aimed at Lincoln by the great men of his time on both sides of the Mason Dixon line is startling the spectacular prejudice against him often shocking for its cruelty intensity and unrelenting vigor The plain truth is that Lincoln was deeply reviled by many in his time This book is both an entertaining read and a well researched serious look at the political context that begat the president s predicament Lincoln s humanity has been unintentionally trivialized by some historians and writers who have hidden away the real man in a patina of bronze This book helps us better understand the man he was and how history is better and more clearly viewed through a long distance lens Not the warm and fuzzy portrait we re used to seeing An eye opening study the first of its kind to focus on what Lincoln s contemporaries really thought of him On the other hand this is not mean spirited Lincoln bashing Tagg assesses his presidency through the social and political context of mid 19th century America It was a time for example when the rabid press routinely destroyed the reputations of public men when the stature of the presidency stained by feeble performances from a string of the poorest presidents in the nation s history had plunged over decades Civil War Times Magazine

Outsiders in 19th-century Press History Frankie Hutton,Barbara Straus Reed,1995 This anthology of journalism history brings together essays on the early Black press pioneer Jewish journalism Spanish language newspapers Native American newspapers woman suffrage peace advocacy and Chinese American and Mormon publications It shows how marginal groups developed their own journalism to counter the prejudices and misconceptions of the white establishment press The essays address the important questions of freedom of expression in religious matters as well as the domains of race and gender

Uncle Tom's Cabin on the American Stage and Screen John W. Frick,2016-04-30 No play in the history of the American Stage has been as ubiquitous and as widely viewed as Uncle Tom s Cabin This book traces the major dramatizations of Stowe s classic from its inception in 1852 through modern versions on film Frick introduce the reader to the artists who created the plays and productions that created theatre history

Gerstcker's Louisiana Irene S. Di Maio,2006-09-01 A global traveler and adventurer the German author Friedrich Gerstcker 1816 1872 first arrived in Louisiana in March 1838 paddling the waterways leading from the wilds of the northwestern part of the state near Shreveport south to cosmopolitan New

Orleans He returned to the state in 1842 living for a year in the areas of Bayou Sara St Francisville and Pointe Coup e then considered the most beautiful garden and plantation land along the Mississippi River In 1867 he briefly visited Louisiana again observing the devastation wrought by the Civil War and the turmoil of Reconstruction No mere armchair tourist Gerst cker fully engaged himself in exploring Louisiana its landscapes peoples and Peculiar Institution He was in the unique position of being both an insider and an outsider and his sojourns in the state served as the basis for travel books short stories and novels Gerst cker was a remarkable raconteur and a highly popular author During his lifetime and beyond his writings conveyed the tenor of southern life to a German speaking audience Now compiled and translated into English by Irene S Di Maio they offer a window on nineteenth century Louisiana across several decades of growth and upheaval Gerst cker s aim as a writer was to inform and entertain especially through humor drama and suspense His works including his fiction sustain an almost ethnographic level of detail The stories travel sketches and novel excerpts included here comment on slavery and its aftermath ethnic and racial diversity transcultural relations and immigration and multilingualism Gerst cker s impressions of Louisiana remain relevant and deeply engaging

The Business of Charity Kathleen Waters Sander,1998 In the nineteenth century Woman s Exchanges formed a vast national network that created economic alternatives for financially vulnerable women in a world that permitted few respectable employment options One of the nation s oldest continuously operating voluntary movements many are still in business after more than a century the Exchanges were fashionable and popular shops where women who had fallen on hard times could sustain themselves by selling their handiwork on consignment without having to seek public employment Over the century Exchanges became an important forum for entrepreneurial growth and an example of how women used the voluntary sector which had so successfully served as a conduit for their political and social reforms to advance opportunities for economic independence

Extractives, Manufacturing, and Services David O. Whitten,1997-04-22 The second volume in the Handbook of American Business History series this book offers concise histories of extractive manufacturing and service industries as well as extensive bibliographic essays pointing to the leading sources on each industry and bibliographic checklists Supplementing other bibliographic materials in business history this volume provides researchers with a much needed path through the vast array of material available in the library and on the Internet Indicating which resources to check and which to bypass the book is a guide to a sometimes overwhelming amount of information Each of the book s chapters provides a concise industry history beginning with the industry s rise to importance in the U S and continuing to the present The bibliographic essays provide a narrative outline of the leading sources published or made available in archives libraries or museum collections since 1971 when Lovett s American Economic and Business History Information Sources was published Each discussion concludes with a bibliographic checklist of the titles mentioned in the essay as well as other titles In a rapidly expanding information society researchers teachers and students may be easily overwhelmed by the exhaustive

material available in print and electronically What is useful and what can be ignored is a strategic question and few know where to begin This book provides a guide **American to the Backbone** Christopher L Webber,2011-07-15 The incredible story of a forgotten hero of nineteenth century New York City a former slave Yale scholar minister and international leader of the Antebellum abolitionist movement At the age of 19 scared and illiterate James Pennington escaped from slavery in 1827 and soon became one of the leading voices against slavery prior to the Civil War Just ten years after his escape Pennington was ordained as a priest after studying at Yale and was soon traveling all over the world as an anti slavery advocate He was so well respected by European audiences that the University of Heidelberg awarded him an honorary doctorate making him the first person of African descent to receive such a degree This treatment was far cry from his home across the Atlantic where people like him although no longer slaves were still second class citizens As he fought for equal rights in America Pennington s voice was not limited to the preacher s pulpit He wrote the first ever History of the Colored People as well as a careful study of the moral basis for civil disobedience which would be echoed decades later by Gandhi and Martin Luther King Jr More than a century before Rosa Parks took her monumental bus ride Pennington challenged segregated seating in New York City street cars He was beaten and arrested but eventually vindicated when the New York State Supreme Court ordered the cars to be integrated Although the struggle for equality was far from over Pennington retained a delightful sense of humor intellectual vivacity and inspiring faith through it all American to the Backbone brings to life this fascinating forgotten pioneer who helped lay the foundation for the contemporary civil rights revolution and inspire generations of future leaders Applied Business Ethics, Volume 1 Brian Keen,2012-06 The Truth can be known with Theanthropic Ethics which is one of the few scientific ethical categories Dr Brian Keen has researched numerous ethical categories and has found only Theanthropic Ethics understands that there is one universally applicable Truth The Truth has practical application in every enterprise business or profession Any business enterprise or profession operating in an ethical manner will have the necessary POWER to succeed Accounting is featured since accountants as professionals must utilize scientific methodologies Businesses and enterprises require POWER Living People to employ since ethical employees are an asset in Truth Many entrepreneurs are POWER Living People Dr Keen proves through conclusions from objective data that the Truth has relevance for today Ethical dilemmas can be resolved through adherence to the Truth For example would you allow a cashier to accept two 5 bills for a product costing 45 and give a 10 bill for change Would adherence to a philosophy that 5 5 55 be sufficient Dr Keen knows the Truth that 5 5 10 when the same types are added Living the Truth is ethical when utilizing this scientifically verifiable ethical category which is confirmed in Theanthropic Ethics Cultus Americanus Brent Gilchrist,2006-01-01 Cultus Americanus applies a philosophical model of political culture as ideology religion and myth to a re consideration of America s liberal consensus to explain cultural diversity in America Author Brent Gilchrist engagingly depicts a political culture that is more complex and more cohesive than has been previously maintained that will be of great

interest to scholars and students of American politics and history **Dream Reaper** Craig Canine,1997-06-08 An important book rich with history and stories it brings our most essential industry farming into new perspective Reading it made me want to get out a crop Bobbie Ann Mason Copyright Libri GmbH All rights reserved **American Civil War** Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict
