Wanke, 2016-04-14 Attitudes have been a central topic in social psychology from its early beginnings But what exactly are attitudes where do they come from and how can they be modified The overall aim of Attitudes and Attitude Change is to provide students with a comprehensive and accessible introduction to these basic issues in the psychological study of attitudes In four parts readers learn about how attitudes can be measured how attitudes are shaped in the course of life how they are changed by other people and finally how attitudes in turn affect our thoughts and behavior This completely revised and updated second edition covers many recent developments and reports cutting edge research while also addressing the classic findings and theories that advanced the field In addition to integrating the newly emerged topics of implicit attitudes and recent models regarding the coexistence of explicit and implicit attitudes this edition also adds chapters on social influence and resistance to persuasion This comprehensive and user friendly book carefully balances theoretical underpinnings and empirical findings with applied examples to enable readers to use the insights of attitude research for practical applications Critical discussions also instigate readers to develop their own thinking on key topics **Media Influence on Opinion Change and Democracy** Manuel Goyanes, Azahara Cañedo, 2024-10-30 This book reviews and advances the theoretical and empirical knowledge at the intersection of opinion change and democracy Specifically the volume addresses how opinion change and political persuasion unfold in three main domains of media effects private media i

e news organizations public service media state own media services and social media platforms Divided in these three different sections the volume serves as a venue to discuss and further advance the most recent theoretical assumptions and empirical findings that underpin our current understanding on how media influence public opinion and shape liberal democracies The book also explores how media literacy and critical thinking can mitigate the effects of misinformation and propaganda emphasizing the importance of educating the public to discern credible information from deceptive content Furthermore it discusses the ethical implications of media practices and the responsibilities of media producers in maintaining the integrity of democratic discourse By highlighting these aspects the book provides a comprehensive understanding of the complex interplay between media public opinion and democracy offering valuable insights for scholars policymakers and anyone interested in the role of media in shaping public opinion **Ideology** Teun A Van Dijk,1998-02-05 The definition of ideology continues to occupy scholars across a wide range of disciplines In this book Teun A van Dijk sketches a challenging new multidisciplinary framework for theorizing ideology He defines ideology as the basis of the social representations of a group its functions in terms of social relations between groups and its reproduction as enacted by discourse Contemporary racist discourse is examined to illustrate these ideological relations between cognition society and discourse Handbook of Implicit Social Cognition Bertram Gawronski,B. Keith Payne,2011-07-06 Virtually every question in social psychology is currently being shaped by the concepts and methods of implicit social cognition This tightly edited volume provides the first comprehensive overview of the field Foremost authorities synthesize the latest findings on how automatic implicit and unconscious cognitive processes influence social judgments and behavior Cutting edge theories and data are presented in such crucial areas as attitudes prejudice and stereotyping self esteem self concepts close relationships and morality Describing state of the art measurement procedures and research designs the book discusses promising applications in clinical forensic and other real world contexts Each chapter both sums up what is known and identifies key directions for future research

Persuasion How Opinions And Attitudes Are Changed: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. Persuasion How Opinions And Attitudes Are Changed : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
