## Presences Of Jesus:

*Christ's presence in the Gospel History* Hugh MARTIN (of Edinburgh.), 1860      In the Presence of Jesus Paul Bane, Matt Litton, 2021-11-09 A 40 day journey to calm your restless anxious thoughts and listen for the voice of Jesus In the stress noise and activity of modern life there is a way of finding inner peace and contentment In the Presence of Jesus will help you learn to quiet your mind and focus your attention on the grace and love that is only available in God s presence Deeply faithful to Scripture and infused with the truth of Christ s unwavering love on every page In the Presence of Jesus is an easy to understand step by step daily guide that will empower you to transfer the truth of His everlasting love for you from your head to your heart This 40 day journey will help you focus on the character of Jesus and open your spirit to His presence in your life Every day you ll experience an invocation welcoming Christ s presence into your devotional time a personal note as if it were written by Jesus to you drawn carefully from Scripture and opening your heart to the grace of Christ Bible verses to meditate on daily prayers reflection activities and blessings to help you focus on Christ s presence with you throughout your day Awaken moment by moment to the presence of a loving God and find peace for your mind and soul      **The Fruit of Christ's Presence** Harry Lee Poe, 1990 Harry L Poe explores the meaning of the Fruit of the Spirit as described by Paul in Galatians book back cover      **The Body of Jesus** Patrick Schreiner, 2016-07-14 Little attention is usually given to the space or place of the kingdom Yet Matthew employs the distinctive phrase kingdom of heaven and also portrays Jesus as Immanuel God with us In this volume Patrick Schreiner argues that by expanding one s view of space one can see that Jesus purpose is to reorder the space of the earth in Matthew as the heavenly king Jesus pierces the barrier between the two realms in his incarnation and the spaces of heaven and earth begin to collide in his ministry Therefore in Matthew Jesus does not just promise a temporal or ethereal kingdom but one that is located one that has a sense of rootedness Jesus is granted authority over this space and inspires people to follow him in this construction project The spatial kingdom begins in his body and he extends it to his church by promising his presence      **The Presence of Christ in the Holy Eucharist** Edward Bouverie Pusey, 1871      *The Practice of the Presence of God, and the Spiritual Maxims* Brother Lawrence, 2006-12-01 A former soldier French mystic Nicholas Herman aka BROTHER LAWRENCE 1611 1691 was converted to a powerful love of God at age 18 by a humble observation of nature and his thoughts collected in these two uncomplicated works of devotion remain among the most pure and most powerful adorations of the divine A lay Carmelite brother Lawrence spent most of his time in the monastery s kitchens and his simple earthy observations on the direct paths to communication with God continue to inspire those seeking a stronger more potent spirituality today      Christ's presence in the Gospel history Hugh Martin, 1860      The Identity of Jesus Christ Hans W. Frei, 1997-09 In this seminal work Frei considers the concepts of Jesus identity and presence maintaining that the logic of Christian faith requires that we begin with identity not presence Drawing on Ryles philosophy Frei argues that a person is primarily what they say or do Hence theologians should not look for Jesus essence by looking

past the stories but must look to the stories themselves      **The Tabernacled Presence of God** Susan Booth, 2015-09-18 Although a large majority of believers agree that they should share their faith most report that they in fact do not That s not really all that surprising given today s pluralistic cultural setting But maybe this same culture s longing for transcendence community and a place to call home points to a backstory that makes sense of it all If such a narrative exists it deserves a hearing and those who know and live this story have both the responsibility and privilege of sharing its message of hope The narrative of the Bible tells just such a story where God s purpose from the beginning has been to dwell or tabernacle in the midst of the people he has created This book traces the theme of God s tabernacled presence across Scripture reading the story afresh through a missional lens in order to gain insights for mission and gospel witness The hope is that readers will awaken wide eyed to the wonder of God s tabernacled presence in our midst that we will live in such a way that others recognize this reality and that we will boldly and joyfully share the good news of Jesus under the direction and power of his indwelling Spirit      **The Real Presence of Jesus Christ in the Sacrament of the Eucharist** Catholic Church. United States Conference of Catholic Bishops, 2001

**Exploring the Belief in the Real Presence** David J. Keys, PhD, 2015-03-12 The Eucharistic celebration is an ancient ritual originating almost 2000 years ago It took place during the last Passover supper Jesus had with his apostles on the day before he died At that time Jesus took bread blessed it broke it and gave it to the apostles saying This is my body Subsequently Jesus took the wine gave thanks and gave it to the apostles saying This is my blood Jesus commanded the apostles to Do this in memory of me Currently the religions of more than three fourths of the worlds Christians believe that when these same words are said during their faiths Eucharistic liturgy the bread and wine turn into the real presence of Jesus Christ that is into the body blood soul and divinity of Jesus Christ In addition many individuals belonging to those religions which believe in the real presence have little understanding of the basis for this ancient belief In Exploring the Belief in the Real Presence author Dr David J Keys provides an understanding of the real presence in the Eucharist for both newcomers to the principle and for those who wish to extend their belief to a deeper level Through scripture and documentation Keys shares the beauty and richness of this ancient teaching concerning the real presence of Jesus in the Eucharist      **The Person of Christ and His Presence in the Lord's Supper** Jeremiah Zimmerman, 1919

The Christian Sacraments of Initiation Kenan B. Osborne, 1987 A contemporary theology of these three sacraments surveying their historical development their theology today and liturgical and pastoral implications      **The Theological Intentions of Mark's Literary Devices** Dean B. Deppe, 2015-10-22 What sets The Theological Intentions of Mark s Literary Devices apart from other books What niche does it fill that makes its publication important This volume will interest all those who value a literary approach to the Gospel of Mark Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices Deppe argues that Mark employs the literary devices of intercalation framework allusionary repetitions narrative surprises and

three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day *Walk with Jesus Christ, the Truth Ii' 2008 Ed. (maturing in Jesus Christ)* , **The Identity of Jesus Christ, Expanded and Updated Edition** Hans W. Frei,2013-11-19 This is a book about Jesus of Nazareth It is not a book about story nor about narrative theology Hans Frei was not a theologian of story or of narrative in any general way and this book is neither about the narrative quality of our existence and the gospel s relation to that quality nor about the narrative shape of the Scriptures as a whole and the call on us to place ourselves within that narrative Rather this is a book about the way in which Jesus of Nazareth s identity is rendered by the Gospels largely the Synoptic Gospels particularly the Gospel of Luke and especially in the passion and resurrection sequences by means of a certain kind of narrative from the Foreword by Mike Higon *Yoga: The Alpha and the Omega, Vol 1* Osho,2023-03-13 Discourses on the Yoga Sutras of Patanjali During the early 1980 s it was planned to publish the Yoga The Alpha and the Omega volumes as Yoga The Science of the Soul Only the first three volumes were actually published the title stayed as Alpha and Omega for the other seven volumes **The Clifton tracts** Brotherhood of st. Vincent of Paul,1851 **School of the Presence** Kynan Bridges,2017-11-21 Experience the supernatural as a way of life Many Christians are frustrated because the kinds of supernatural encounters seen in the Bible are so rare in their personal experience But don t be discouraged It is possible to consistently walk in God s powerful presence Respected apostolic voice Kynan Bridges invites you to *The Person and Work of Jesus Christ In Each Book of the Old Testament Seen In Its New Testament Fulfillment - An Emmaus Walk* Gary Staats,2010
