

Hispano-American Congresses, 1829-1865

These congresses were the first attempts at regional integration and served as the foundation for subsequent experiments.

Pan-American and Inter-American integration, 1889-1948

The first pan-American conference, called by the United States in 1889, initiated a regional process of institutional cooperation, extending the spheres of action and the number of states.

Regional integration initiatives in the Americas: 1950s and 1960s

Post WWII regional entities are inter-governmental, but they are confronted with economic and political nationalism and US hegemony.

Regional integration initiatives in the Americas: May 2018

The Americas have been taking part in neoregionalism since the 1980s with new agreements or by breathing new life into old ones, and then went even further with ALBA, CELAC and UNASUR.

Regionalism In America

Gardini, Simon Koschut**

Regionalism In America:

Regionalism in America ,1952 Regionalism in America Merrill Jensen,University of Wisconsin,Felix Frankfurter,Vernon Rosco Carstensen,John Walton Caughey,Gordon Rufus Clapp,Merle Eugene Curti,John M. Gaus,William Best Hesseltine,John Fabian Kienitz,Hans Kurath,Fulmer Mood,Rexford Newcomb,Howard Washington Odum,Lancaster Pollard,Edgar Preston Richardson,Walter A. Rowlands,Francis Butler Simkins,Benjamin Townley Spencer,Louis Wirth,Rupert Bayless Vance,1952 Regionalism in America Merrill Jensen,1965 **Regionalism in America** University of Wisconsin Staff,2003-01-01 Regionalism in America Vernon Rosco Carstensen,Gordon Rufus Clapp,John Walton Caughey,1951

The New American Regionalism Heinz Gert Preusse,2004 **American Regionalism** Howard Washington Odum,Harry Estill Moore,1938 *Regionalism in Latin America* JOSÉ BRICEÑO-RUIZ,Andres Rivarola Puntigliano,2020-11-18 This interdisciplinary edited volume explores the political economy of regionalism in Latin America It identifies convergent forces which have existed in the region since its very conception and analyses these dynamics in their different historical geographic and structural contexts Particular attention is paid to key countries such as Argentina Brazil and Mexico as well as subregions like the Southern Cone and Central America To understand the resilience of regionalism in Latin America this book proposes to highlight four main issues Firstly that resilience is linked to mechanisms of self enforcement that are part of the accumulation of experiences institution building and common cultural features described in this book as regionalist *acquis* Secondly the elements and driving forces behind the promotion and expression of the regionalist *acquis* are influenced and shaped by nested systems in which social processes are inserted Thirdly when looking at systems there is a particular influence by national and global ones which condition the form and endurance of regional projects Finally beyond systems the book highlights the relevance of agents as crucial players in the shaping of the resilience of regionalism in Latin America This insightful collection will appeal to advanced students and researchers in international economics international relations international political economy economic history and Latin American studies **The New American Regionalism** Heinz Gert Preusse,2004-01-01 The heart of Professor Preusse s book deals with the two main integration agreements in the Americas NAFTA and MERCOSUR and the incipient FTAA The handling of these three cases is masterful replete with description data theoretical analysis and opinion His book is a most worthwhile and stimulating read certainly for those interested in Western Hemisphere developments From the foreword by Sidney Weintraub This book provides a broad quantitative analysis of the new facets of regionalism in the Americas In particular major aspects of the New American Regionalism are discussed in terms of two basic notions the genuine political character of economic integration schemes and the profound inter connectedness of the American regions with the global economy

Discovering American Regionalism David Miller,Jen Nelles,2018-07-17 Regions are difficult to govern coordinating policies across local jurisdictional boundaries in the absence of a formal regional government gives rise to enormous

challenges Yet some degree of coordination is almost always essential for local governments to effectively fulfill their responsibilities to their citizens State and local governments have over time awkwardly and with much experimenting developed common approaches to regional governance In this revolutionary new book authors David Miller and Jen Nelles offer a new way to conceptualize those common approaches Regional Intergovernmental Organizations RIGOs that bring together local governments to coordinate policies across jurisdictional boundaries RIGOs are not governments themselves but as Miller and Nelles demonstrate they do have a measure of political authority that allows them to quietly and sometimes almost invisibly work to further regional interests and mitigate cross boundary irritations Providing a new conceptual framework for understanding how regional decision making has emerged in the U S this book will provoke a new and rich era of discussion about American regionalism in theory and practice Discovering American Regionalism will be a future classic in the study of intergovernmental relations regionalism and cross boundary collaboration *North American Regionalism* Eric Herschberg, Tom Long, 2025-02-01 North American Regionalism problematizes North America as an important region in its own right breaking with the area studies convention that divides the Global North and Global South portions of the Western Hemisphere at the US Mexican border By cutting across this division the theoretically sophisticated essays in this volume yield new insights about politics society and the economy of North America opening dialogues with the New Regionalism approach and the literature on comparative regional studies Drawing on a six year interdisciplinary collaboration among leading scholars from Canadian Mexican US and European universities the book brings North America back into International Relations study of regions and regionalism The book includes robust theoretical and empirical engagement with issues of trade migration security energy and climate and the rise of China **Exploring the New South American Regionalism (NSAR)** Ernesto Vivares, 2016-04-15 The events and processes that have taken place in the last decade in South America have given way to one of the most interesting regional phenomena under a global crisis and within a changing world order From the traditional status of Washington s backyard and reign of economic and political stability South America has increasingly turned into a region marked by a heterodox development in the light of other dominant regional tendencies of development the European Union NAFTA and the Asia Pacific The political economic nature of the new South American regionalism NSAR is far from echoing the dominant interpretations about it which reflects the major regional projects today Given the reach and scope of the existing literature on the topic of the NSAR there is an important gap concerning its academic exploration in relation to its nature of development political economic complexity challenges and orientations In this sense this book explores from a wider and pluralist political economic perspective the developmental dimensions of the NSAR within a changing hemispheric and world order in transformation It analyses a set of specific debates regionalism in the Americas then and now social and economic development and regional integration and organized crime intelligence and defence An in depth and critical reflection on the complex and heterogeneous path of regionalization taking place in South

America from different perspectives and in key issues of regional development **American Regionalism** Hoyt Gimlin, 1980 Regionalism in America Walter Curt Behrendt, 1943 **Exploring the New South American Regionalism (NSAR)** Ernesto Vivares, 2016-04-15 The events and processes that have taken place in the last decade in South America have given way to one of the most interesting regional phenomena under a global crisis and within a changing world order From the traditional status of Washington's backyard and reign of economic and political stability South America has increasingly turned into a region marked by a heterodox development in the light of other dominant regional tendencies of development the European Union NAFTA and the Asia Pacific The political economic nature of the new South American regionalism NSAR is far from echoing the dominant interpretations about it which reflects the major regional projects today Given the reach and scope of the existing literature on the topic of the NSAR there is an important gap concerning its academic exploration in relation to its nature of development political economic complexity challenges and orientations In this sense this book explores from a wider and pluralist political economic perspective the developmental dimensions of the NSAR within a changing hemispheric and world order in transformation It analyses a set of specific debates regionalism in the Americas then and now social and economic development and regional integration and organized crime intelligence and defence An in depth and critical reflection on the complex and heterogeneous path of regionalization taking place in South America from different perspectives and in key issues of regional development A Companion to the Regional Literatures of America Charles L. Crow, 2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature **Hell of a Vision** Robert L. Dorman, 2012-10-01 The American West has taken on a rich and evocative array of regional identities since the late nineteenth century Wilderness wonderland Hispanic borderland homesteader's frontier cattle kingdom urban dynamo Native American homeland Hell of a Vision explores the evolution of these diverse identities during the twentieth century revealing how Western regionalism has been defined by generations of people seeking to understand the West's vast landscapes and varied cultures Focusing on the American West from the 1890s up to the present Dorman provides us with a wide ranging view of the impact of regionalist ideas in pop culture and diverse fields such as geography land use planning anthropology journalism and environmental policy making Going well beyond the realm of literature Dorman broadens the discussion by examining a unique mix of texts He looks at major novelists such as Cather Steinbeck and Stegner as well as leading Native American writers But he also analyzes a variety of nonliterary sources in his book such as government reports planning documents and environmental impact studies Hell of a Vision is a compelling journey through the modern history of the American West a key region in the nation of

regions known as the United States **Interregionalism and the Americas** Andreas Falke, Gian Luca Gardini, Simon Koschut, 2018-10-15 This book addresses the question of how the American continent engages with various forms of interregionalism including how different regions within the Americas deal with other regions of the world as well as how they relate among themselves The presence of different political economic and cultural sub regions within the Americas makes the continent a perfect setting to explore differences and commonalities in the western hemisphere s relationship with other regions across the globe Interregionalism and the Americas tackles three unifying questions First what type and understanding of interregionalism characterize the Americas way to interregionalism if any Second is summitry ultimately the major visible feature of interregionalism in the Americas and beyond Third is there anything typical or characteristic in the way in which the Americas engage with interregionalism This book contributes both to the theoretical debates about interregionalism and to the empirical understanding of the phenomenon and makes a compelling case to strengthen the inter American system and to advance a trilateral interregionalism mechanism between North America Latin America and Europe to stand up for their common values norms and preferred international order **Harvard Guide to American History** Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others **North American Regionalism** Eric Hershberg, Tom Long, 2023-12 North American Regionalism problematizes North America as an important region in its own right breaking with the area studies convention that divides the Global North and Global South portions of the Western Hemisphere at the US Mexican border By cutting across this division the theoretically sophisticated essays in this volume yield new insights about politics society and the economy of North America opening dialogues with the New Regionalism approach and the literature on comparative regional studies Drawing on a six year interdisciplinary collaboration among leading scholars from Canadian Mexican US and European universities the book brings North America back into International Relations study of regions and regionalism The book includes robust theoretical and empirical engagement with issues of trade migration security energy and climate and the rise of China

Regionalism In America Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regionalism In America has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regionalism In America has opened up a world of possibilities. Downloading Regionalism In America provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regionalism In America has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regionalism In America. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regionalism In America. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regionalism In America, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regionalism In America has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Regionalism In America Books

1. Where can I buy Regionalism In America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Regionalism In America book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Regionalism In America books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Regionalism In America audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Regionalism In America books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
