**Post-Hegemonic Regionalism in the Americas** Jose Briceno-Ruiz, Isidro Morales, 2017-01-20 Regionalism in Latin America and the Caribbean has experienced transformations over the last few years After more than a decade of a hegemonic model based solely on free market principles the regional and global transformation that occurred in the first decade of the new millennium modified the way of understanding economic development and the insertion of regional blocs in global affairs Old initiatives have been reconsidered new schemes have emerged and new principles going beyond trade issues have modified the norms and processes of regional economic integration This book reviews these recent transformations to depict and explain the new trends shaping regional

blocs and cooperation in the Americas      *The Rise of Post-Hegemonic Regionalism* Pía Riggirozzi, Diana Tussie, 2012-01-07

This book offers a timely analysis and a novel and nuanced argument about post neoliberal models of regional governance in non European contexts It provides the first in depth empirically driven analysis of current models of regional governance in Latin America that emerged out of the crisis of liberalism in the region It contributes to comparative studies of the contemporary global political economy as it advances current literature on the topic by analysing distinctive overlapping and conflicting trajectories of regionalism in Latin America The book critically explores models of transformative regionalism and specific dimensions articulating those models beyond neoliberal consensus building As such it contests the overstated case of integration as converging towards global capitalism It provides an analytical framework that not only examines the what how who and why in the emergence of a specific form of regionalism but sets the ground for addressing two relevant questions that will push the study of regionalism further What factors enable or constrain how transformative a given regionalism is or can be with respect to the powers and policies of states encompassed by it and What factors govern how resilient a given regionalism is likely to be under changing political and economic conditions      **Regionalism, Multilateralism, and the**

**Politics of Global Trade** Donald Barry, Ronald C. Keith, 1999 The essays in this volume reflect the current debate about whether the new regionalism and interregional politics of the last decade support or undermine the global trading system Political scientists and international relations scholars from North America examine the changing relationship between regionalism and multilateralism and discuss the implications for national policy in the globalized economy The essays are arranged into four categories covering regionalism globalism and the state the dynamics of regional integration interregional relations and the policy implications particularly for Canada Annotation copyrighted by Book News Inc Portland OR

**Exploring the New South American Regionalism (NSAR)** Ernesto Vivares, 2016-04-15 The events and processes that have taken place in the last decade in South America have given way to one of the most interesting regional phenomena under a global crisis and within a changing world order From the traditional status of Washington's backyard and reign of economic and political stability South America has increasingly turned into a region marked by a heterodox development in the light of other dominant regional tendencies of development the European Union NAFTA and the Asia Pacific The political economic nature of the new South American regionalism NSAR is far from echoing the dominant interpretations about it which reflects the major regional projects today Given the reach and scope of the existing literature on the topic of the NSAR there is an important gap concerning its academic exploration in relation to its nature of development political economic complexity challenges and orientations In this sense this book explores from a wider and pluralist political economic perspective the developmental dimensions of the NSAR within a changing hemispheric and world order in transformation It analyses a set of specific debates regionalism in the Americas then and now social and economic development and regional integration and organized crime intelligence and defence An in depth and critical reflection on the complex and

heterogeneous path of regionalization taking place in South America from different perspectives and in key issues of regional development      **Interregionalism and International Relations** Jürgen Rüländ,Heiner Hänggi,Ralf Roloff,2006-01-16
