Reign Of The Madman The Birdcatcher A Novel By Schenck Walter J:

The Birdcatcher Walter J. Schenck, 2000-12 Three men meet in Vietnam and become involved in a psychological struggle in a world of mysticism black marketing CIA espionage revenge and horrific helicopter battle campaigns The story begins when FBI agent Alignman investigates an occult movement and its links to drugs and politics To discover its origin and to capture its leaders Alignman encounters Jarrett who is a retired CIA agent voluntarily living in a mental ward Only Jarrett understands the origin and the personality of the occult movement that first began in Vietnam during the Tet Offensive of 1972 In Dr Peterson s office Jarrett recalls a series of events which bring into an acute focus his struggle to maintain his identity against the whims of evil and good Badlock and Nicewander enter Jarrett s arena of good and evil where all realities intertwine and merge into a surrealism recalling Dante and Faust The Birdcatcher who resides in Hades also enters the stadium of this mystical struggle and sets in motion the terrible and horrific events that will spell either the damnation or the redemption of Jarrett **Reign of the Madman** Walter J. Schenck, Jr., 2011-03-31 I have long loved the symphonic overtures of a brush against canvas Th e whimsical strokes the powerful rushes the soft immaculate renderings all attract me to a plain of gratitude and memories and wishful fantasies To confess I also wrote this collection of essays as an exercise in intellectual enrichment concerning one of my favorite subjects great artists I have traveled throughout the world and visited some of the most fabulous museums imaginable so I may gleam a small portion of the lives of the artists whom I selected for this brief book I selected two great pictures for each artists ie The Straw Hat for Rubens Fishing Boat on the Beach for Van Gogh Symphony in White 3 for Whistler Tobit and Anna for Rembrandt etc With each artist I delved into their lives with a specific and original interpretation of why they drew as they did I also present a brief analysis of the paintings It would take a reader a lot of research to accumulate what I present in so brief a space This childrens book may serve to delight the young reader to learn more of the lives of the artists who had gained fame The etchings are replicated so the child may draw within and yes even outside the lines to experience the wonder of reds and greens and blues on an imaginary canvas *Reign of the Madman* Walter Joseph Schenck,

Jr., 2016-01-22 Many books non fiction as well as fiction have been written about the Vietnam War Heroes anti heroes helicopters battles tank battles The Battle of An Loc The Battle of Kontom the Battle for the soul While there are some good non fiction books out there those books have the advantage of already being populated with characters with location with history with themes and story lines In contrast there are few good fiction books written on Vietnam and in fact about any kind of war experience Among all the fiction books ever written on Vietnam where the imagination has to soar to create characters from scratch to create realistic locations and dialogue to capture the essential ingredient of soldiers at war and the aftermath of their actions and to write intensive war battles only the Vietnam War book written by Walter Schenck captures the essence of the Vietnam War as a war of extremities Of existence Of survival Mr Schenck s book in the world of

fiction encompassing the Vietnam War has no equal **National Union Catalog** ,1983 Includes entries for maps and
