Reincarnation In The Early Christendom:

Reincarnation Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same

Nothing Merciful Than Reincarnation Kevin R Williams, 2019-05-25 Part 1 is an introduction to reincarnation in Christian history including the biblical evidence of John the Baptist as the reincarnation of Elijah the Prophet The religious concept of the Resurrection of the Dead a massive worldwide reanimation of corpses at the end of time is a foreign concept originating from ancient Persia not Judaism or Christianity Part 2 describes more biblical reincarnating prophets and other holy people also Jesus teachings on bodily and spiritual rebirth Jesus taught Nicodemus that You must be born again which has a literal meaning of bodily rebirth reincarnation but is also used metaphorically to mean spiritual rebirth regeneration by the Holy Spirit Part 3 proves it is God s will that everyone is saved which can only realistically occur through reincarnation Part 3 also describes how God s law of divine justice also known universally as karma is the same as the law of reincarnation Universal salvation like preexistence and reincarnation was widely believed by Christians and Jews during the first 500 years of Christianity and was championed by the early Church Father Origen Part 4 describes the biblical case of how God s demand for human perfection and holiness can only realistically occur through reincarnation Part 4 also describes how God s salvation and judgment according to works also can only realistically occur through reincarnation The belief in the soul resting in peace until a final corpse resurrection at the end times makes any personal identity of the soul salvation and personal spiritual growth after death impossible Part 5 describes the biblical doctrines of the preexistence of the soul and the Christian mystery of God within human beings as important principles involving Christian reincarnation The nature of an eternal immortal and indestructible human soul spirit shows that all human beings partake in the divine spirit as Jesus did Jesus taught the Kingdom of God is within you Luke 17 20 21 which implies divinity within humanity An immortal human soul spirit makes reincarnation a necessity The Bible describes a Trinity the Father Son and Holy Spirit three parts of Christ the Mind of Christ the Body of Christ and the Spirit of Christ and three dimensions of God light life and love which the three dimensional enlightened Christian shares mind body and spirit Part 6 describes more reincarnating biblical personalities including fallen angels as reincarnating human beings Fallen angels reincarnating as human beings including Satan and the fallen human soul are described in the Bible the Book of Enoch the Book of Jubilees and the New Testament Apocrypha Part 7 describes the biblical case for the past lives of Jesus Christ as King David Melchizedek Joseph and Adam Part 7 includes a final summary of this the book and a final conclusion by the author Both David and Jesus share titles such as

the anointed one Messiah the Holy One only begotten son firstborn Root of Jesse priest of Melchizedek and most exalted king of the Earth The Bible clearly states that David himself will be reincarnated in the Last Days Hosea 3 4 5 Ezekiel 34 13 24 Ezekiel 37 22 24 Jeremiah 30 1 9 In Acts 15 12 19 the apostle Peter equated rebuilding David's fallen tent with the resurrection of Jesus' body In the Bible tent is a metaphor for the human body 2 Corinthians 5 1 2 Peter 1 12 13 Part 8 provides references resources and links related to reincarnation and Christian reincarnation in particular Internet links to websites provided include reincarnation main websites and researchers references

Reincarnation for Christians John W. Sweeley, 2013 Why Christians Should Believe in Reincarnation Reincarnation was an accepted belief by the great minds of antiquity In Greece Plato was influenced by earlier classical Greek philosophers such as Pythagoras 6th cent BCE while Reincarnation was both believed and taught by Jesus and many Church Fathers through the 8th century as well as in Hebrew texts and mystical traditions throughout the middle ages In Reincarnation for Christians Monsignor Sweeley proves that reincarnation was accepted by Jesus according to Holy Scripture was accepted and taught by the Church Fathers as a doctrine of the faith and is believed today by many Christians Moreover he makes clear why there is no conflict between the atonement of Jesus and Jesus as the redeemer of humanity with the necessity of living many lives before we attain salvation In this timely book about reincarnation and the Christian tradition Monsignor Sweeley gives us an eye opening look into an issue that has been long ignored by mainstream Christian churches Most Rev Alan R Kemp D Min CEO The Ascension Alliance Msgr Jack Sweeley has amassed an enormous collection of information about the belief called reincarnation He includes evidence in support of reincarnation from the Christian Scriptures as well as from the Dead Sea Scrolls and the Nag Hammadi Library He cites and quotes notables from all walks of life and periods of history who have shared a belief in reincarnation Bishop Bernie O Finch D C EMD DD As a believer in reincarnation I was amazed at the information that literally packs the pages of Monsignor Sweeley's book As you will find reincarnation is not just New Age but has been a major belief in one form or another for thousands of years Katy O Ishee author of Pieces of My Heart and Gemini's Galaxy Msg Sweeley's brilliantly researched and comprehensive treatment of the Judeo Christian roots of Reincarnation will change your entire perspective on the subject K Michael Murphy M A DDS In these powerfully transformative times many in the Western world are accepting this doctrine and others are eager to know more about the Christian church's position on this subject Sri Swami Shankarananda Giri Divine Life Church Baltimore MD

Reincarnation in Christianity Geddes MacGregor, 1990-03-09 In this exciting landmark work MacGregor delves into the annals of Christian history to demonstrate

that Christian doctrine and reincarnation are not mutually exclusive belief systems *Reincarnation as a Christian Hope* Geddes MacGregor,1982-06-18 **The Case against Origen and Reincarnation** Eric Liberatos,2015-12-18 The Case against Origen and Reincarnation surveys the writings of Origen the most important Christian thinker between Paul and Augustine whose life straddled the third and fourth centuries By placing his work in the context of his theological predecessors Eric Liberatos uses this analysis to trace the development of Origen s distinctive doctrines such as reincarnation His review of the history of the period concludes that Origen s condemnation by ecumenical councils arose from the virulent polemics and contentious politics of various ecclesiastical leaders of the period The Case against Origen and Reincarnation will appeal to all who seek to understand the development of Christian thought and the influences of politics and personality on the church s theologies Award winning book that earned acclaim from the prestigious Next Generation Indie Book Awards 2016 Winner in Religious Non fiction 2016 Finalist in Historical Non fiction **The Western Doctrine of Reincarnation. A Critique From the Point of View of Catholic Theology** Frank Drescher,2016-12-21 Seminar paper from the year 2002 in the subject Theology Comparative Religion Studies grade 1.0 RWTH Aachen University Philosophisches Institut course ber die Seele III Weltseele Seelenwanderung Parapsychologie language English abstract In this contribution I am not looking for confrontation with those who believe in a doctrine of reincarnation Nor do I want to be a dogmatic know all or the kind of person who superciliously dismisses the faith context of two world religions i.e. Hinduism and Buddhism Explicitly what I am offering is a clear positive statement of the Christian faith itself which has been increasingly called into question in our society in recent decades Unfortunately this questioning goes hand in hand with a by now widespread religious indifference on the part even of those of our fellow citizens who regard themselves in the broadest sense as adherents of the Christian religion My critique is therefore quite deliberately addressed to those within the Christian fold who would attempt to fabricate a western style syncretizing version of the doctrine of reincarnation and amalgamate it with Christian convictions **I'm Back Again???** Mark Tabata,2013-10 Is there really a God or is it the case that humans are evolving into godhood as proclaimed by modern day adherents of reincarnation What is the history behind the doctrine of reincarnation Is it true that the early Christians believed in reincarnation and that the most ancient Gospels were deleted from the Canon by power hungry Church officials who feared that this doctrine would take away their political power Are there legitimate evidences showing that reincarnation is true Is the Bible a man made document full of errors or is it truly the Word of God These questions and many others are carefully examined and scrutinized in the pages of this book Whether you are a sincere seeker for truth or a disciple of Christ trying to teach the Gospel to an atheist or pagan friend this book will be very beneficial to in your studies **May a Christian Believe in Reincarnation?** Abbot George (Swami Nirmalananda Giri),Abbot George Burke,2014-10-01 May a Christian believe in reincarnation The answer may surprise you Reincarnation also known as the transmigration of souls is not just some exotic idea of non Christian mysticism Nor is it an

exclusively Hindu Buddhist teaching In orthodox Jewish and early Christian writings as well as the Holy Scriptures we find reincarnation as a fully developed belief although today it is commonly ignored But from the beginning it has been an integral part of Orthodox Judaism and therefore as Orthodox Jews Jesus and his Apostles would have believed in rebirth This historical study of reincarnation in both Judaism and Christianity cites many authorities of both traditions including many Christian saints and Fathers of the Church as well as both Old and New Testaments In our opinion the testimony of orthodox Judaism ancient Christianity and the Bible is sufficient to answer the question May a Christian believe in reincarnation

European Cases of the Reincarnation Type Ian Stevenson, M.D.,2015-09-02 Many cultures accept that a person may die and then come back to life in another form but Westerners have traditionally rejected the idea Recently however surveys conducted in Europe indicate a substantial increase in the number of Europeans who believe in reincarnation and numerous claims of reincarnation have been reported This book examines particular cases in Europe that are suggestive of reincarnation The first section provides a brief history of the belief in reincarnation among Europeans The second section considers eight cases from the first third of the twentieth century that were not independently investigated but were reported and sometimes published by the persons concerned The third section covers 32 cases from the second half of the twentieth century that were investigated by the author Many of these cases involved either children who exhibited unusual behavior attributed to a previous life or adults who experienced recurrent or vivid dreams attributed to a previous life In the fourth section the author compares European cases suggestive of reincarnation with those of other countries and cultures

Tolerance, Intolerance, and Recognition in Early Christianity and Early Judaism Outi Lehtipuu, Michael Labahn, 2025-10-01 This collection of essays investigates signs of toleration recognition respect and other positive forms of interaction between and within religious groups of late antiquity At the same time it acknowledges that examples of tolerance are significantly fewer in ancient sources than examples of intolerance and are often limited to insiders while outsiders often met with contempt or even outright violence The essays take both perspectives seriously by analysing the complexity pertaining to these encounters Religious concerns ethnicity gender and other social factors central to identity formation were often intertwined and they yielded different ways of drawing the limits of tolerance and intolerance This book enhances our understanding of the formative centuries of Jewish and Christian religious traditions It also brings the results of historical inquiry into dialogue with present day questions of religious tolerance The book contains contributions by Ismo Dunderberg Carmen Palmer Michael Labahn Nina Nikki Anna Liisa Rafael Sami Yli Karjanmaa Galit Hasan Rokem Israel Yuval Paul Middleton Outi Lehtipuu Elizabeth Dowling and Amy Jill Levine

The New Science of Consciousness Survival and the Metaparadigm Shift to a Conscious Universe Dr. Alan Ross Hugenot, 2016-06-30 Alan Hugenot lectures on the Leading Edge Science of the Afterlife he concluded that the entire universe is conscious and that this explains both near death experiences and certain paradoxes of quantum theory As someone with a physics degree I know that Hugenot s basic idea of a conscious universe is neither crazy nor new Erwin Schrödinger one of the fathers of quantum physics was an avid student of Hindu philosophy and believed something similar Gideon Lichfield April 2015 Atlantic Monthly The existence of a hidden field Bohm s implicate order of non physical consciousness occupying as yet undiscerned additional dimensions which are outside the visible reality Bohm s explicate order as defined by 3 D plus time has now been proven scientifically by the following collated data Recent repeated replication of John Bell s theory of non locality Studies of the Near Death experience and After death communications demonstrated in triple blind laboratory experiments testing evidential mediumship This hidden field implicate order of non physical consciousness also provides the matrix upon which the explicate order of observed reality is continually manifested Alan Hugenot Our challenge is to discover through careful science how we can interface with this matrix of consciousness Viewing psi phenomena as belonging to aspects of reality about which we as yet simply know very

little is the only honest way for any scientist to proceed Healthy scientific skepticism must be open to new discoveries and so allow open examination of the scientific data developed by rigorous para normal research Honest open minded inquiry will bring both new discoveries of truth and new laws of physics beyond the limits of the Newtonian paradigm Alan Hugenot
