Reinhold Niebuhr 1892 1971a Centenary Appraisal:

Reinhold Niebuhr Revisited Daniel F. Rice, 2009-07-10 In 2007 then presidential candidate Barack Obama called Reinhold Niebuhr 1892 1971 his favorite philosopher Reinhold Niebuhr Revisited offers fresh and creative ways of looking at this influential American theologian's views on religion politics and culture through the eyes of diverse respected scholars

Reinhold Niebuhr (1892-1971) Gary A. Gaudin, Douglas John Hall, 1994 Reinhold Niebuhr and His Circle of Influence Daniel F. Rice, 2013 This book presents Reinhold Niebuhr the prominent American theologian in dialogue with seven individuals who each had a major influence on American life *The Annual Review of Women in World Religions* Arvind Sharma, Katherine K. Young, 2001-11-08 This interdisciplinary consideration of women in world religions features new scholarship across traditions and approaches **The Tapestry of Christian Theology** Gregory C. Higgins, 2003 This unique and supremely readable textbook recounts the thought of nine influential twentieth century theologians in the light of biblical narrative to better understand the Christian life By drawing upon the achievement of major thinkers Rosemary Ruether Gustavo Gutierrez Reinhold Niebuhr Dietrich Bonhoeffer Karl Rahner Jurgen Moltmann Hans Kung Yves Congar and Wolfhart Pannenberg and rooting it within the rich fabric of its biblical context Creation Exodus Conquest Exile the Incarnation the Crucifixion the Resurrection Pentecost and the End of Time The Tapestry of Christian Theology traverses a landscape both historical and spiritual one that traces and encourages a new understanding of both perspectives and illumines a greater insight into our own lives Here is a rigorous and wide ranging textbook for college theology courses also suitable for the general reader **Hopeful Realism in Urban Ministry** Barry K. Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy **Disruptive Christian Ethics** Traci C. West, 2006-01-16 This book brings to the fore the difficult realities of racism and the sexual violation of women Traci West argues for a liberative method of Christian social

ethics in which the discussion begins not with generic philosophical concepts but in the concrete realities of the lives of the socially and economically marginalized

Scripture and Ethics Jeffrey S. Siker, 1997 Siker brings together the history of biblical interpretation and the study of uses of the Bible in Christian ethics to examine how the Bible has actually been used in Christian theological ethics and in the process profiling eight influential twentieth century theologians

Women and Pride Luping Huang, 2018-09-30 Reinhold Niebuhr is largely regarded as the leading twentieth century theologian of sin. However many feminist theologians criticize Niebuhr's view of pride as the primary sin arguing that it fits only with men's experience. In this detailed study Dr Luping Huang engages with Niebuhr and his feminist critics to provide a response to the feminist critique of Niebuhr's theology of sin. Dr Huang provides a thorough analysis and examination of both the Niebuhrian and feminist understandings of sin highlighting the strengths and limitations of both arguments. While some aspects of the feminists opposition to Niebuhr's doctrine of sin are valid there are weaknesses and limitations within its own framework. Through her research and interaction with women's testimonies Huang's argument bridges these two competing views of women and sin resulting in a more accurate understanding and application of the theology of sin particularly in reference to women.

The Promise of Lutheran Ethics Karen L. Bloomquist, John R. Stumme, 1998-08-01 Here ten Lutheran theologians explore Lutheran emphases, themes and approaches to offer their account of Christian ethics as a way of life in today's world. Writing in dialogue they raise foundational concerns of biblical and theological sources and norms of Christian freedom and responsibility of call and social witness of justice and formation in prayer. Then in a lively Table Talk the participants discuss and debate the tradition's insights and oversights and show how it might illumine today's burning ethical issues such as homosexuality.

Christian Theology After Christendom Patricia G. Kirkpatrick, Pamela R. McCarroll, 2020-11-24 Christian Theology after Christendom: Engaging the Thought of Douglas John Hall brings together contemporary thinkers to engage and build upon Douglas John Hall's work and to take up his challenge to reclaim a contextual and decolonizing theology of the cross as a means to speak to the realities of life and faith today. With a focus on contemporary issues this edited collection critically analyzes and deconstructs the centuries old colonial triumphalism of Christian theology and the church in the West. This book seeks to frame present day crises in ways that honor a deeply rooted *theologia crucis* that does not colonize the other. It explores constructive decolonizing possibilities for Christian theology at the end of Christendom.

Confessing the Faith Douglas John Hall, This bold work culminates Hall's three volume contextual theology the first to take the measure of Christian belief and doctrine explicitly in light of North American cultural and historical experience. Hall is deeply critical of North American culture but also of sidelined Christian churches that struggle to gain dominance within it. We must stop thinking of the reduction of Christendom as a tragedy he says. The disestablishment that the churches reluctantly enjoy can enable them to develop genuine community uncompromised theology and honest engagement with the larger culture. To a failed culture and a struggling church Hall shows the radical implications of a theology of the cross for

the shape and practice of church preaching ministry ethics and eschatology Hall's frank and prophetic volume is the trilogy's most practical and the most sustained probe to date of Christian life in a post-Christian context **Directory of Published Proceedings** ,2004 **Der Mensch als antwortendes Wesen** Georg Kalinna,2021-07-15 H Richard Niebuhr 1894 1962 im deutschen Sprachraum weniger bekannt als sein jüngerer Bruder Reinhold Niebuhr gilt in den USA als einer der bedeutendsten Theologen des 20. Jahrhunderts Der von Niebuhr auf Deutsch verfasste bislang unveröffentlichte Vortrag zum Sinn der Verantwortlichkeit ist aktueller denn je Seine Theologie und vor allem seine Theorie des responsiven Selbst geben nicht nur wertvolle Impulse zu theologischen Grundfragen sondern auch zu aktuellen ethischen Herausforderungen Verantwortungsethik ist spätestens seit den kirchlichen und theologischen Auseinandersetzungen um die Flüchtlingspolitik erneut ein stark diskutiertes und umstrittenes Themenfeld Georg Kalinna arbeitet anhand von Niebuhrs Vortrag Perspektiven einer zeitgemäßen gegenwärtigen Verantwortungsethik heraus **Zwischen Liebesideal und Realismus** Tina Bellmann,2018-09-21 Was lässt sich nach dem vielbeschworenen Ende der Anthropologie noch vom Menschsein sagen Wie lässt sich angesichts der zunehmenden anthropologischen Sprachlosigkeit noch ethische Orientierung gewinnen Welche Folgen hat die Fragmentierung von Menschenbildern für den demokratischen Diskurs Dieses Problemfeld bearbeitet die Autorin unter Rückgriff auf das Denken des hierzulande wenig bekannten US-amerikanischen Theologen Reinhold Niebuhr 1892 1971 Auf breiter Quellenbasis werden Genese Funktion und Profil seiner theologischen Anthropologie herausgearbeitet die sich als pragmatisch orientiertes zentral um die Sündenlehre kreisendes Denkmodell präsentiert Die Wahrnehmung tiefgreifender politischer und sozialer Krisen regt Niebuhr dazu an die Anthropologie zum Fundament eines groß angelegten gesellschaftlichen Rettungsprogramms auszubauen Aus der einsichtsvollen historischen wie theologischen Aufarbeitung des Niebuhrschen Werkes leitet die Autorin gewichtige Impulse für die Debatten der Gegenwart ab Sie zeigt auf wie eine realistische Anthropologie im Sinne Niebuhrs nicht nur einen innovativen Ansatz einer public theology begründet sondern darüber hinaus als soziale Ressource in der Debatte um die Krise der Demokratie neue Wege aufzuzeigen vermag Subject Guide to Books in Print ,1991 **Toronto Journal of Theology** ,1997 The Cumulative Book Index ,1996 A world list of books in the English language **American Book Publishing Record** ,1995 **Neuerwerbungen Theologie und allgemeine Religionswissenschaft** Universität Tübingen. Universitätsbibliothek. Theologische Abteilung,1997
