Shibamoto

Smith, 2004-10-28 Japanese Language Gender and Ideology is a collection of previously unpublished articles by established as well as promising young scholars in Japanese language and gender studies The contributors to this edited volume argue that traditional views of language in Japan are cultural constructs created by policy makers and linguists and that Japanese society in general and language use in particular are much more diverse and heterogeneous than previously understood This volume brings together studies that substantially advance our understanding of the relationship between Japanese language and gender with particular focus on examining local linguistic practices in relation to dominant ideologies Topics studies include gender and politeness the history of language policy language and Japanese romance novels and fashion magazines bar talk dictionary definitions and the use of first person pronouns The volume will substantially advance the agenda of this field and will be of interest to sociolinguists anthropologists sociologists and scholars of Japan and Japanese **Language, Culture, and Society** James Stanlaw, Nobuko Adachi, Zdenek Salzmman, 2018-04-24 Why should we study language How do

the ways in which we communicate define our identities And how is this all changing in the digital world Since 1993 many have turned to Language Culture and Society for answers to questions like those above because of its comprehensive coverage of all critical aspects of linguistic anthropology This seventh edition carries on the legacy while addressing some of the newer pressing and exciting challenges of the 21st century such as issues of language and power language ideology and linguistic diasporas Chapters on gender race and class also examine how language helps create and is created by identity New to this edition are enhanced and updated pedagogical features such as learning objectives updated resources for continued learning and the inclusion of a glossary There is also an expanded discussion of communication online and of social

media outlets and how that universe is changing how we interact The discussion on race and ethnicity has also been expanded to include Latin and Asian American English vernacular

Conversation and Gender Susan A. Speer, Elizabeth Stokoe, 2011-01-06 Conversation analysts have begun to challenge long cherished assumptions about the relationship between gender and language asking new questions about the interactional study of gender and providing fresh insights into the ways it may be studied empirically Drawing on a lively set of audio and video recorded materials of real life interactions including domestic telephone calls children s play mediation sessions police suspect interviews psychiatric assessments and calls to telephone helplines this volume is the first to showcase the latest thinking and cutting edge research of an international group of scholars working on topics at the intersection of gender and conversation analysis Theoretically it pushes forward the boundaries of our understanding of the relationship between conversation and gender charting new and exciting territory Methodologically it offers readers a clear practical understanding of how to analyse gender using conversation analysis by presenting detailed demonstrations of this method in use

The Discourse on Gender Identity in Contemporary Russia Dennis Scheller-Boltz, 2017-08-01 Conchita Wursts Sieg beim Eurovision Song Contest 2014 war ein zentrales diskursives Moment welches das derzeitige Spannungsfeld zwischen Postgenderismus und Traditionalismus in Russland offenlegte und aufzeigte wie sehr Geschlecht und Sexualit t nicht zuletzt f r das russische Selbstbild und die Konstruktion einer russischen nationalen Identit t instrumentalisiert und politisiert werden und wie sehr Identit tskonzepte den russischen Alltag mitbestimmen Die Monografie widmet sich der Diskussion um Geschlecht und Sexualit t in Russland nach dem Sieg von Conchita Wurst und untersucht das Verh ltnis von Diskurs und Identit t Im Vordergrund steht die Funktion von Sprache sowohl f r die Identit tskonstruktion als auch f r die Schaffung und Abgrenzung von R umen Dabei lassen sich nicht nur lexikologische und wortbildnerische Besonderheiten beobachten sondern es liegt insgesamt ein auff lliger Sprachgebrauch mit interessanten Argumentationsstrategien vor Ausf hrungen zu Identit t und kritische Anmerkungen zur russischen Gender und Queer Linguistik komplettieren diesen Band Conchita Wurst s 2014 victory in the Eurovision Song Contest was a significant discursive moment which revealed the current tensions between postgenderism and traditionalism in contemporary Russia This case also made clear just how far gender and sexuality are instrumentalised and politicised not least in creating Russians self perception and constructing a Russian national identity and how massively notions of identity impact on Russian everyday life The monograph focuses on the discussion of gender and sexuality in Russia following the 2014 event and investigates the relation between discourse and identity Above all it is concerned with the function of language in identity construction and in the creation and demarcation of spaces In this context Dr Scheller Boltz s study not only analyses lexicological and word formation peculiarities but also provides some revealing research findings about specific language use including certain argumentation strategies The monograph begins with a detailed introduction to notions of identity and concludes with some critical remarks on Russian gender and queer linguistics

Talking Gender and Sexuality

Paul McIlvenny, 2002-01-01 This edited volume brings together scholars from psychology linguistics sociology and communication science to investigate how performative notions of gender and sexuality can be fruitfully explored with the rich set of tools that have been developed by conversation analysis and discursive psychology for analyzing everyday practical language use agency and identity in talk Contributors re examine the foundations of earlier research on gender in spoken interaction critically appraise this research to see if and how it translates successfully into the study of sexuality in talk and promote innovative alternatives that integrate the insights of recent feminist and queer theory with qualitative studies of talk and conversation Detailed empirical analyses of naturally occurring talk are used to uncover how gender and sexual identities agencies and desires are contingently accomplished in conversational practices Collectively they pose the important question of what a critical theory of talk gender and sexuality ought to look like if it is to be sensitive to a politics of conversation analysis Language, Culture, and Society Zdenek Salzmänn, James Stanlaw, Nobuko Adachi, 2014-07-08
