Relating Intimacies Power And Resistance:

Relating Intimacies Julie Seymour, 1999-11-26 *Relating Intimacies* contains papers presented at the 1997 British Sociological Association Conference which discuss contemporary research and theorizing with regard to intimate relationships. Researchers examine the development of new forms of intimate relationships exploring their emotional and legal dimensions, the issues of parenting in a changing world, and the tensions and negotiations which are managed by those in intimate relationships. This volume will be of interest to sociologists, social policy, and gender studies students, social workers, and legal students.

Relating Intimacies Julie Seymour, Paul Bagguley, 1999 This is a collection of papers presented at the 1997 British Sociological Association Conference which discuss contemporary research and theorizing with regard to intimate relationships. Researchers examine the development of new forms of intimate relationships exploring their emotional and legal dimensions, the issues of parenting in a changing world, and the tensions and negotiations which are managed by those in intimate relationships. This volume should be of interest to sociologists, social policy, and gender studies students, social workers, and legal students.

Same Sex Intimacies Catherine Donovan, Brian Heaphy, Jeffrey Weeks, 2003-09-02 Our families are increasingly a matter of choice and the choices are widening all the time. This is particularly true of the non heterosexual world where the last ten years have seen a popular acceptance of same sex partnerships and to a lesser extent of same sex parenting. Based on extensive interviews with people in a variety of non traditional relationships, this fascinating new book argues that these developments in the non heterosexual world are closely linked to wider changes in the meaning of family in society at large and that each can cast light on the other. *Same Sex Intimacies* gives vivid accounts of the different ways non heterosexual people have been able to create meaningful intimate relationships for themselves and highlights the role of individual agency and collective endeavour in forging these roles as friends, partners, parents, and as members of communities. This topical book will provide compelling reading for students of the family, sexuality, and lesbian and gay studies.

Virginia Woolf and the Ethics of Intimacy Elsa Högberg, 2020-02-06 Revisiting Virginia Woolf's most experimental novels, Elsa Högberg explores how Woolf's writing prompts us to re-examine the meaning of intimacy. In Högberg's readings of *Jacob's Room*, *Mrs Dalloway*, *To the Lighthouse*, and *The Waves*, intimacy is revealed to inhere not just in close relations with the ones we know and love, but primarily within those unsettling encounters which suspend our comfortable sense of ourselves as separate from others and the world around us. *Virginia Woolf and the Ethics of Intimacy* locates this radical notion of intimacy at the heart of Woolf's introspective modernist poetics, as well as her ethical and political resistance to violence, aggressive nationalism, and fascism. Engaging contemporary theory, particularly the more recent works of Judith Butler, Luce Irigaray, and Julia Kristeva, it reads Woolf as a writer and ethical thinker whose vital contribution to the modernist scene of inter-war Britain is strikingly relevant to critical debates around intimacy, affect, violence, and vulnerability in our own time.

Affective intimacies Marjo Kolehmainen, Annukka Lahti, Kinneret Lahad, 2022-07-19 This volume

provides a novel platform to re evaluate the notion of open ended intimacies through the lens of affect theories Contributors address the embodied affective and psychic sensorial and embodied aspects of their ongoing intimate entanglements across various timely phenomena This fascinating collection asks how the study of affect enables us to rethink intimacies what affect theories can do to the prevailing notion of intimacy and how they renew and enrich theories of intimacy in a manner which also considers its normative and violent forms This collection brings together a selection of original chapters which invite readers to rethink such concepts as care closeness and connectivity through the notion of affective intimacies Based on rigorous research it offers novel insights on a variety of themes from austerity culture to online discussions on regretting motherhood from anti ableist notions of health to teletherapies in the era of COVID 19 and from queer intimacies to critiques of empathy Lively and thought provoking this collection contributes to timely topics across the social sciences representing multiple disciplines from gender studies sociology and cultural studies to anthropology and queer studies By so doing it advances the value of interdisciplinary perspectives and creative methodologies for understanding affective intimacies An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence Age Matters Toni M. Calasanti, Kathleen F. Slevin, 2013-10-11 This volume of original chapters is designed to bring attention to a neglected area of feminist scholarship aging After several decades of feminist studies we are now well informed of the complex ways that gender shapes the lives of women and men Similarly we know more about how gendered power relations interface with race and ethnicity class and sexual orientation Serious theorizing of old age and age relations to gender represents the next frontier of feminist scholarship In this volume leading national and international feminist scholars of aging take first steps in this direction illuminating how age relations interact with other social inequalities particularly gender In doing so the authors challenge and transform feminist scholarship and many taken for granted concepts in gender studies Family Law John Dewar, Stephen Parker, 2003-04-14 This volume contains an edited selection of the papers by contributors from around the world delivered at the 10th World Conference of the International Society of Family Law The papers cover three broad themes innovations in processes for resolving and determining family disputes changing patterns in family and professional practices and the political and other pressures operating on family law systems and law reform processes **Children, Food and Identity in Everyday Life** A. James, A. Kjørholt, V. Tingstad, 2009-11-27 This book explores the significance of food practices for childhood identities from early babyhood to middle childhood and teenage years It examines how children and families negotiate food and eating practices what influence the media has on these the role institutions play and how far class and ethnicity shape the food that children eat Gender and Child Protection Jonathan Bryn Scourfield, 2018-06-26 It has been widely noted in the social work literature that the practice of child protection is highly gendered When it comes to child abuse women come under more scrutiny and men who are more likely to present a risk of harm to children are not engaged with This important text takes stock of this controversial topic examining the state of policy and theory on the subject and

exploring the organisational culture and the professional knowledge and values that influence contemporary social work in the field of child welfare Skilfully combining theory with illustrative example it concludes by focusing on the lessons for practice

Why Love Matters Sue Gerhardt, 2004-06-24 Why Love Matters explains why love is essential to brain development in the early years of life particularly to the development of our social and emotional brain systems and presents the startling discoveries that provide the answers to how our emotional lives work Sue Gerhardt considers how the earliest relationship shapes the baby's nervous system with lasting consequences and how our adult life is influenced by infancy despite our inability to remember babyhood She shows how the development of the brain can affect future emotional well being and goes on to look at specific early pathways that can affect the way we respond to stress and lead to conditions such as anorexia addiction and anti social behaviour Why Love Matters is a lively and very accessible interpretation of the latest findings in neuroscience psychology psychoanalysis and biochemistry It will be invaluable to psychotherapists and psychoanalysts mental health professionals parents and all those concerned with the central importance of brain development in relation to many later adult difficulties

Sexuality and the Politics of Violence and Safety Les Moran, Beverley Skeggs, 2014-02-04 Sexuality and the Politics of Violence offers a timely and critical exploration of issues of safety and security at the centre of responses to violence Through a multi disciplinary analysis drawing on feminism lesbian and gay studies sociology cultural geography criminology and critical legal scholarship the book offers to transform the way we understand and respond to the challenges raised by violence It breaks new ground in its examination of the rhetoric and politics of violence property home cosmopolitanism and stranger danger in the generation of safety and security Using interviews focus groups and surveys with lesbians and gay men Sexuality and the Politics of Violence draws upon real life experiences of safety and security It raises some fundamental challenges to the law and order politics of existing scholarship and activism on homophobic hate crime

Responsibility, Law and the Family Jo Bridgeman, Craig Lind, 2016-04-08 Focusing on moral social and legal responsibilities as opposed to rights or obligations this volume explores the concept of responsibility in family life law and practice Divided into four parts the study considers the nature of family responsibility constructions of children's responsibilities shifting conceptions of family responsibilities and family responsibility and the law The collection brings together leading experts from the disciplines of sociology socio legal studies and law to discuss responsibilities prior to birth responsibilities for children as well as responsibilities of children and of the state towards family members The volume informs and challenges the developing conceptualization of responsibilities which arise in interdependent intimate and caring relationships and their legal regulation It will be of great interest to researchers and practitioners working in this complex field

Family Practices in Later Life Pat Chambers, 2009-09-02 This exciting book challenges many common stereotypes about the nature of family involvement as people age The book explores diversity and change in the family relationships older people maintain looking at how family relationships are constructed and organised in

later life **A Sociology of Family Life** Deborah Chambers, 2015-02-11 New kinds of intimate relationships such as post divorce families co habiting couples friends as family and same sex unions are now commonplace This book explores the growing diversity of family life by presenting a comprehensive assessment of recent research and theory and foregrounds new thinking about family parenting childhood and personal life A Sociology of Family Life queries notions of moral decline by revealing a remarkable persistence of commitment and reciprocity across cultures in traditional and new family relations This insightful and innovative work examines factors such as gender race ethnic identity and new sexual lifestyles in relation to cultural customs government policies and social inequalities Global dimensions of intimate life are explored including the impact of population policies on fertility in several nations ethical dilemmas associated with reproductive technologies among different cultures interdependencies between rich and poor nations through the globalization of domestic care and transnational marriage strategies This book will be indispensable for students across the social sciences interested in change in intimate relations Selected by Choice as a 2013 Outstanding Academic Title **From Civil Partnership to Same-Sex Marriage** Nicola Barker, Daniel Monk, 2015-04-17 The Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 are important legal social and historical landmarks rich in symbolic material and cultural meanings While fiercely opposed by many within mainstream narratives they are often represented as a victory in a legal reform process that commenced with the decriminalisation of homosexuality Yet at the same time for others they represent a problematic and ambivalent political engagement with the institution of marriage Consequently understood or labelled as revolutionary progressive and conservative these legal reforms provide a space for thinking about issues that arguably affect everyone regardless of sexual orientation or relationship status This edited collection brings together scholars and commentators from a range of backgrounds generations and disciplines to reflect on the first ten years of civil partnerships and the introduction of same sex marriage Rather than rehearsing the arguments for and against relationship recognition the essays ask original questions draw on a variety of methods and collectively provide a detailed and reflective snap shot of a critical moment a history of the present as well as providing a foundation for innovative ways of thinking about and engaging with the possibilities and experiences arising from the new reality of relationship recognition for gays and lesbians *Children and the Changing Family* An-Magritt Jensen, Lorna McKee, 2003-12-08 This timely and thought provoking book explores how social and family change are colouring the experience of childhood The book is centred around three major changes parental employment family composition and ideology The authors demonstrate how children s families are transformed in accordance with societal changes in demographic and economic terms and as a result of the choices parents make in response to these changes Despite claims that society is becoming increasingly child centred this book argues that children still have little influence over the major changes in their lives This book breaks new ground by researching family change from the child s point of view Through combinations from childhood experts in Scandinavia the UK and America the book shows the

importance of studying children's lives in families in order to understand how far children are active agents in contemporary society. Students of childhood studies, sociology, social work and education will find this book essential reading. It will also be of interest to practitioners in the social child and youth services. Sex, Politics and Society, 2014-05-22. A pioneering study which has become an established classic in its field. *Sex Politics and Society* provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present. These changes are firmly located in the wider context of social change from industrialization and the experience of Empire through the establishment of the welfare state to the rise of new social movements such as feminism and gay liberation and new forms of social conservatism. Now fully revised and updated and with a new chapter bringing the story right up to date, this new edition considers the transformation of the sexual world through globalization and the internet, the changing impact of the AIDS pandemic over the last thirty years, the influence of new currents in social and cultural theory on the study of sexuality, the gradual depoliticization and mainstreaming of sexuality within historical study. Combining rich empirical detail with innovative theoretical insights, *Sex Politics and Society* remains at the cutting edge of the subject and this third edition will inspire and provoke a whole new generation of readers in history, sociology, social policy and the study of sexuality. Changing Families, Changing Food P. Jackson, 2009-08-12. Approaching family through the lens of food, this book provides a new perspective on the diversity of contemporary family life, challenging received ideas about the decline of the family meal, the individualization of food choice and the relationship between professional advice on healthy eating and the everyday practices of doing family. Childhood and Sexuality Allison Moore, Paul Reynolds, 2017-10-25. This book explores how children engage with sex and sexuality. Building on a conceptual and legal grounding in sexuality studies and the new sociology of childhood, the authors debate the age of consent, teenage pregnancy, sexual diversity, sexualisation, sex education and sexual literacy, paedophilia and sex in the digital age. Whilst Moore and Reynolds recognise the necessity of child protection and safeguarding in the context of risk, danger and harm, they also argue that where these stifle children's sexual knowledge, understanding, expression and experience, they contribute to a climate of fear, ignorance and bad experiences or harms. What is necessary is to balance safeguarding with enabling and encourage judicious understandings that advance from a rigid developmental model to one that recognises pleasure and excitement in children's nascent sexual lives. Exploring that balance through their chosen issues, they seek to encourage changed thinking in professional, personal and academic contexts and speculate that children might teach adults something about the way they think about sex. *Childhood and Sexuality* will be of interest to students, scholars and professionals across a range of subjects and disciplines including sociology, social work, criminology and youth studies. *Making Sense of Prostitution* J. Phoenix, 1999-03-08. This book provides a compelling analysis of the conditions in which women are sustained within prostitution in Britain at the end of the millennium. Based on a major empirical study, it is a unique glimpse into how some women who live lives completely torn apart by poverty, violence and criminalization are able to

understand their lives in prostitution and make sense of the choices they make including their involvement in prostitution in their struggles to survive
