they never well hardly ever interfere directly in human affairs they have called upon Albions most notorious band of adventurers Mission Implausible to do the job The band would normally be assigned a mage an expert in the theory and practice of magic to deal with Montmorency But because he has the Ward the Free Dragons have decided to use more primitive means They have arranged to transfer a mathematician from Earth Three to invoke the Summoner of Basingstoke and stop Montmorencys scheme in its tracks Unfortunately even the Free Dragons are not totally infallible Thus it comes to pass that the totally non mathematical Andrew Cruickshank having gone to on sleep in a Cumbrian hotel on Earth Three on the eve of a climbing holiday wakes up to find himself in a completely alien world in possession of a lethally temperamental magicians staff and in the company of five people who expect him to do magic on demand His talents in that area have hitherto been limited to a few transparent card tricks so the prospects appear unpromising And his attempts to use Tarot 5 1 Albions industry standard spell system are catastrophically unpredictable However it soon turns out he has other valuable talents With the help of these and Mission Implausible s robust uncompromising approach to conflict resolution the band of adventurers sweeps across Albion leaving confusion destruction and broken glasses in their wake until they reach Basingstoke There deep in the bowels of the Basingstoke Old Peoples Community Centre and Bingo Hall Andrew Cruickshank finds he must fight for his life against a lethal duellist before he can invoke the Summoner of Basingstoke
