

UNITARIAN UNIVERSALIST ORIGINS

Our Historic Faith

Mark W. Harris

UNITARIAN UNIVERSALIST

“Unitarian” developed,
meaning the oneness of God

“Universalist” believed in
universal salvation, since
God is merciful and would
not condemn anyone to
eternal damnation in a fiery
pit.

Religion Among The Unitarian Universalists:

Growing Up Absorbed Richard S. Gilbert, 2014 How long does it take to grow a soul to love and to be loved and to help repair the world One lifetime so it is best to be totally engaged in the process Growing Up Absorbed follows the journey from cradle to grave through an education focus There are no shortcuts in this spiritual pilgrimage It can be hard but we are companioned along the way What happens is what Gilbert calls spiritual osmosis absorbing what the world has to teach us and passing on what we have learned an absorbing business Within these covers lies a history of religious education in the Unitarian Universalist tradition with reflections on faith development in the 21st century Beginning with Walt Whitman s poem *A Child Went Forth* as a metaphor the author concludes with life questions that empty the room He finds the journey has its valleys plateaus and mountain peaks and is no casual matter Gilbert shares his excitement on making the journey

Religion Among the Unitarian Universalists Robert B. Tapp, 1973 *In the Middle of a Journey* Richard S. Gilbert, 2013 The role of religious education faith development among Unitarian Universalists marks the uniqueness of this religious movement Without dependence on dogma or creed it is essential that a religious community be free to develop its own distinctive identity The centrality of religious education was evident in the very beginnings of this liberal denomination Rev Richard Gilbert collects many of the most influential statements of religious education philosophy in the anthology *In the Middle of a Journey* From William Ellery Channing s eloquent Sunday School Address to the writings of stalwarts Sophia Lyon Fahs and Angus H MacLean these carefully selected essays trace the evolution of faith development from a Christian catechism to a broadly based faith based quest for values meanings and convictions In an age that tends to belittle the past it is refreshing to realize that if we are to chart where we are going it is wise to know where we have been The Unitarian Universalist movement has been in some interesting places and eagerly seeks an adventurous future **Christian Voices in Unitarian Universalism** Kathleen Rolenz, 2006 Fifteen personal stories from laity and clergy alike show what it means to be a Unitarian Universalist Christian today These men and women arrive at their faith by many paths influenced by the Bible Jesus Christ Superstar and even the Bernstein Mass Here is a fresh and much needed look at UU Christians who for decades have kept the work and spirit of Christianity alive in our liberal religion Foreword by Carl Scovel *An Introduction to the Unitarian and Universalist Traditions* Andrea Greenwood, Mark W. Harris, 2011-08-11 How is a free faith expressed organised and governed How are diverse spiritualities and theologies made compatible What might a religion based in reason and democracy offer today s world This book will help the reader to understand the contemporary liberal religion of Unitarian Universalism in a historical and global context Andrea Greenwood and Mark W Harris challenge the view that the Unitarianism of New England is indigenous and the point from which the religion spread Relationships between Polish radicals and the English Dissenters existed and the English radicals profoundly influenced the Unitarianism of the nascent United States Greenwood and Harris also explore the US identity as Unitarian Universalist since a 1961 merger and its

current relationship to international congregations particularly in the context of twentieth century expansion into Asia

Humanist Voices in Unitarian Universalism Kendyl L. R. Gibbons, William Murry, 2016 In this highly anticipated collection

Unitarian Universalist Humanists present their faith perspectives in 23 engaging and thought provoking essays The contributors both lay and ordained demonstrate why Humanism has been one of the bedrock theologies of Unitarian Universalism for the last hundred years They reflect on what it means to be a religious Humanist today and how they see the movement evolving in the twenty first century They explore Humanist history beliefs approach to life social justice community and religious education Together these voices proclaim a passionate affirmation of a rich and dynamic tradition within Unitarian Universalism

Historical Dictionary of Unitarian Universalism Mark W. Harris, 2003-12-09 Small though it may be Unitarian Universalism has had a big impact not only on its members but also on the world around it Rejecting the constraints of other Christian denominations it sought tolerance for itself and surprisingly freely granted tolerance to others Evolving in its principles and practices over a relatively short lifetime it shows every sign of developing further reaching beyond Christianity to embrace what is good in other more diverse religions Unitarian Universalism has also regularly been at the forefront in fighting for social causes including abolition temperance women s suffrage pacifism educational reform environmentalism and others Unitarian Universalism has also spread with time First developed in present day Romania and Hungary its center shifted early to England but its most successful story is the way it grew and flourished in the United States This Dictionary covers numerous subjects both historical and contemporary There are entries on the places where the church was present many more on significant leaders and an impressive number on causes and issues It thereby provides a comprehensive understanding of the multiple facets of the Unitarian Universalist faith All the important people events and ideas in this religion are included not forgetting trends and issues up to the present day so that many living people are included as well as important late 20th century battles including racism and new principles and purposes

Religion in America Julia Corbett Hemeyer, 2015-07-17 Religion in America gives students and teachers a comprehensive yet concise introduction to the changing religious landscape of the United States Extensively revised and updated the Sixth Edition continues to engage students in reflection about religious diversity The author presents the study of religion within the context of the humanities as a tool for developing understanding and appreciation of communities of faith other than one s own and for understanding the dynamics at work in religion in the United States today

The Unitarian Universalist Pocket Guide Peter Morales, 2012 This book answers the questions most frequently asked about Unitarian Universalism Covering ministry worship religious education social justice theology and history these essays from leaders in the faith provide one of the most complete introductions to Unitarian Universalism available Adapted from back cover

A Documentary History of Unitarian Universalism, Volume Two Dan McKanan, 2017 A panel of top scholars presents the first comprehensive collection of primary sources from Unitarian Universalist history This critical resource covers the long histories of Unitarianism Universalism and Unitarian Universalism in the United States and around the world and offers a wealth of sources from the first fifty five years of the Unitarian Universalist Association From Arius and Origen to Peter Morales and

Rebecca Parker this two volume anthology features leaders thinkers and ordinary participants in the ever changing tradition of liberal religion Each volume contains more than a hundred distinct selections with scholarly introductions by leading experts in Unitarian Universalist history The selections include sermons theologies denominational statements hymns autobiographies and manifestos with special attention to class cultural gender and sexual diversity Primary sources are the building blocks of history and A Documentary History of Unitarian Universalism presents the sources we need for understanding this denomination s past and for shaping its future

Faith Under Siege Anatole Browde,2009 Unknown to most Americans Thomas Jefferson John Quincy Adams and Benjamin Franklin were Unitarians Today their beliefs have been called heretic or Christian godless or liberal argumentative or religious or all of the above Anatole Browde an active Unitarian since 1948 uses history and theology to place these conflicting qualities into a unified liberal Judeo Christian context Browde is convinced that faith is besieged because Unitarian church goers have diverse belief systems The power of the original Unitarian idea that God is one is too close to a creed and is therefore often devalued Using sermons and essays by ministers and philosophers Browde shows how Unitarianism beliefs dating from the sixteenth century overcame the restrictions of Calvinist predestination and sin to become a worldwide free religion Unitarians are free to believe in God be humanists have faith in an unknown or in Christ as a prophet His narrative provides an insight to the controversies that plagued believers throughout Unitarian history and demonstrates that the concepts of God and faith can make every service a celebration of joy and love

Children of the Same God Susan J. Ritchie,2014 In Children of the Same God Susan J Ritchie makes the groundbreaking historical argument that long before Unitarianism and Universalism merged in the United States Unitarianism itself was inherently multireligious She demonstrates how Unitarians in Eastern Europe claimed a strong affinity with Jews and Muslims from the very beginning and how mutual theological underpinnings and active cooperation underpin Unitarian history but have largely disappeared from the written accounts With clear implications for the religious identity of Christians Jews and Muslims as well as Unitarian Universalists and especially for interfaith work Children of the Same God illuminates the intertwining histories and destinies of these traditions

Stories in Faith Gail Forsyth-Vail,Tracey L. Hurd,2007 Universalists and Unitarians in America John A. Buehrens,2011 Being Liberal in an Illiberal Age Jack Mendelsohn,2006 Fluent in Faith Jeanne Harrison Nieuwejaar,2012-08-01

Religion Among The Unitarian Universalists Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion Among The Unitarian Universalists has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion Among The Unitarian Universalists has opened up a world of possibilities. Downloading Religion Among The Unitarian Universalists provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion Among The Unitarian Universalists has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion Among The Unitarian Universalists. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion Among The Unitarian Universalists. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion Among The Unitarian Universalists, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion Among The Unitarian Universalists has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
