Simple Passion:

Simple Passion Annie Ernaux, 2003-08-05 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE A New York Times Notable Book In her spare stark style Annie Ernaux documents the desires and indignities of a human heart ensnared in an all consuming passion Blurring the line between fact and fiction an unnamed narrator attempts to plot the emotional and physical course of her 2 year relationship with a married foreigner where every word event and person either provides a connection with her beloved or is subject to her cold indifference With courage and exactitude she seeks the truth behind an existence lived entirely for someone else and in the pieces of its aftermath she is able to find it Selections from Manuscripts James Hinton, 1856 Passion of Kin Don Reardon, 2024-01-05 Dive into a whirlpool of family secrets vengeance and dark pasts in this stirring narrative that commences amidst the 1949 North Carolina cotton mill strike marking the onset of unionization and a cauldron of violence As two young adults inherit the turbulent legacy of their kin a storm of revelations threatens to shatter the fragile bonds holding their family together Unveiling secrets could be a path to healing or the trigger for further discord and bloodshed **Saint Maximos the Confessor-mediator between East and West** Prof. Jean-Claude Larchet, **When You Kant Figure It Out, Ask a Philosopher** Marie Robert, 2019-11-12 Advice for modern dilemmas from the greatest Western philosophers How can Kant comfort you when you get ditched via text message How can Aristotle cure your hangover How can Heidegger make you feel better when your dog dies When You Kant Figure It Out Ask a Philosopher explains how pearls of wisdom from the greatest Western philosophers can help us face and make light of some of the daily challenges of modern life In twelve clever accessible chapters you ll get advice from Epicurus about how to disconnect from constant news alerts and social media updates Nietzsche s take on getting in shape John Stuart Mill s tips for handling bad birthday presents and many other classic insights to help you navigate life today Hilarious practical and edifying When You Kant Figure It Out Ask a Philosopher brings the best thinkers of the past into the 21st Century to help us all make sense of a chaotic new world **Matter and Spirit** James M. Lawler, 2006 This narrative shows how the contours of moral and political philosophy in the seventeenth and eighteenth centuries were shaped by Kant s two distinct philosophical responses to the results of modern science This history of early modern Western philosophy takes its inspiration from Kant s claim that the battle between the metaphysics of matter and that of spirit is the principal axis around which modern philosophy up to his time in all its aspects has revolved The empiricist materialist trend that dominates in England is first examined in the progressively unfolding works of Hobbes Locke Berkeley Hume and Adam Smith A contrasting and competing dialectic develops in the rationalist spiritualist trend in the continental philosophy of Descartes Leibniz and Rousseau Framing this history is the background context of the philosophy and science of Aristotle and the challenges to the traditional paradigm presented by the revolutionary sciences of Copernicus Galileo and Newton James Lawler is Professor of Philosophy at the State University of New York at Buffalo **Reinventing Love** Mona

Chollet,2024-07-02 A new work by the author of *In Defense of Witches* that seeks to redefine heterosexual relationships and give women back their voice As feminist principles have taken wider hold in society and basic ideas about equality for women can seem a given many women still struggle in one of the most important areas of life love Whether it s finding a partner seeking a commitment from one or struggling in a relationship that is unfulfilling or even potentially abusive women still find that deeply engrained notions of gender and behavior can be obstacles to a healthy loving relationship In her new book acclaimed French feminist Mona Chollet tackles some of these long held and pervasive ideas that remain stumbling blocks for many women in heterosexual relationships Drawing from popular culture politics and literature *Reinventing Love* provides a provocative accessible look at how heterosexual relationships can improve and evolve under a feminist lens As *I See It* Tom Sullivan,2012-09-04 An inspirational memoir of a man s rich life experiences without sight but with an enormous sense of wonder in the world around him Bestselling author Tom Sullivan explores life without sight and finds it rich and rewarding In fact he s gleaned a number of gifts from his affliction including I ve never assessed my relationship with people according to the limits of labels or assumption I ve enjoyed a world of senses available to all of us but almost never explored by the majority of those with sight I ve made challenge my road to limitless opportunity I ve cultivated a clear sense of my own purpose I ve learned to be passionate celebrating my own uniqueness through the expression of that passion I ve found a powerful faith that has become my foundation for living I ve learned to love unconditionally through the interdependent relationship I share with my wife Patty and my children Through insightful stories and emotive writing Tom describes a life of fullness not lack as he s made blindness a positive For Tom Sullivan author actor athlete singer entertainer and producer a life with blindness has been a life with very few true limits In this elegant exploration of the senses he considers the different challenges he s faced and explains the wonder he carries because not in spite of his blindness I realize that my way of looking at the world is unique and yes special I m sure that in God s essential plan I was chosen to be blind and after many years of struggle I ve come to terms with that remarkable truth Along my journey I have learned much that I hope to pass on to you but for now here s what I want you to understand blindness is the best thing that has ever happened to Tom Sullivan Would I like to be able to see Certainly to see the beauty of nature in all of its forms the faces of the people I love and the myriad colors of a sunset I d love to play center field for the Red Sox or catch a touchdown pass from Tom Brady and the Patriots But I have not only become content with my lot I now celebrate my own uniqueness with closed eyes but a completely open soul The joy in writing this book is in my knowing that even though I quite likely will never see as you do I might just be able to change your perceptions and broaden the possibilities for your own appreciation for the grace God has provided us with and the life we re so blessed to live So take a look as I see it inside out rather than outside in Tom Sullivan from the Prologue
