Clark, Bethany Beal, 2019-04-30 For the modern Christian woman living in today's sexually charged society embracing God's design for sex and purity can often feel like an impossible pursuit. As the culture seeks to normalize things such as pornography, erotica, and casual sex, both single and married women of all ages feel immense pressure to conform. With alluring temptations constantly inviting them to join in, they might even begin to question whether God's design is truly good. They wrestle with questions like: What is the purpose of my sexuality? What does it mean to pursue purity? Are my sexual longings good or bad? In this encouraging book, Kristen Clark and Bethany Beal share honestly about their own struggles and victories and invite women on a personal journey to discover and reclaim a biblical vision for their sexuality. Kristen and Bethany help women understand why God's design for sexuality is good, relevant, and leads to true hope and lasting freedom.

**A Biblical Commentary on James** Bruce Guckelberg Ph.D., 2015-04-24 James is one of the most practical books of the Bible because he covers issues that are common to all people. Bruce Guckelberg develops the concept of God's wisdom being necessary to meet the challenges of life. This commentary unfolds the meaning of each passage in a clear and concise manner while not getting sidetracked on secondary issues. There are insights and applications for every section of the book that will help the reader apply the truths that James presents. This commentary can help you cope with the challenges life presents to you through God's wisdom and enrich you spiritually.

**The Armor of God** David Skeba, 2011-07-28 There is a mighty spiritual war raging all around us. You have sensed it, felt it, and hoped it wasn't quite so real. It's all happening right here, right now, in YOUR life. David Skeba reveals why your life is the way it is and how you can change it for the better. We are born into a world where we find ourselves caught in the midst of Satan's war against God's kingdom. The battle is for our very souls and for the glory of God. We have become the targets. We are the prize. Open your eyes and discover an invisible world you never knew existed. What you don't know can hurt you. Learn how to fight enemies you cannot see so you can victoriously finish your journey on earth and then live with God forever.

**Romans 7 and Christian Identity** Will N. Timmins, 2017-12-21 In this book, Will N. Timmins provides a close rereading of Romans 7 within its literary argumentative context and offers a fresh and compelling solution to the identity of the "I" in this text. Challenging existing paradigms which fail to provide both literary coherence and theological plausibility, he develops his own positive theory about the device. Along the way, he also re-examines a number of key texts within the letter which have hitherto not been given due weight within the scholarly discussion. This study offers a fresh and satisfying solution to one of the Bible's most notorious cruxes and contributes to our understanding of the apostle Paul's thought. It will be of interest to all scholars and students within the fields of biblical studies and Christian theology.

**Tempted for Us** John E. McKinley, 2009-07-01 This is an approach to Christ's impeccability and temptation through exploring and evaluating the theological models that have been developed from the early church to the present day. Drawing from tradition and the relevant biblical evidence, John McKinley argues that Jesus was truly tempted in ways that are closely relevant to the temptations common to us. Having been tempted for us in this

way Jesus can provide true help as the credible example to follow and truly sympathetic ally in the fight against sin Key to understanding how Jesus remained unable to sin and sharply vulnerable to temptation is the role of the Holy Spirit In Spirit and Truth Sylvia Sweeney, Kevin J. Moroney, Stephanie Budwey, Samuel Torvend, 2020-12-17 An invitation to a conversation about the direction of our worship life The Anglican colloquium of the North American Academy of Liturgy acknowledged the need for a collection of insights to aid in the liturgical formation of the Episcopal Church as we move into liturgical revision The volume s contributions have been shaped around the clauses of resolution A068 looking at the ways in which parishes and individuals can live into this time of revision and creativity With a shared understanding of our deepest held Christian values the editors look forward to what the future brings for our collective worship lives and our missional lives as bearers of Christ to a troubled and broken world This volume provides churches with tools for intelligent cogent accessible historical and theological conversation illuminating the way forward for the Episcopal branch of the Jesus movement *Holiness* Matt Ayars, Christopher T. Bounds, Caleb T. Friedeman, 2023-10-17 The command to be holy is one of Christian life s most challenging and misunderstood commands Three scholars from the Wesleyan tradition constructively argue for a neo holiness that encourages the pursuit of Christian perfection while incorporating historic understandings of grace and the work of the Holy Spirit **The Practical Works of Richard Baxter: with a Life of the Author and a Critical Examination of His Writings by William Orme** Richard Baxter, 1830 The Practical Works of the Late Reverend and Pious Mr. Richard Baxter ... With a Preface; Giving Some Account of the Author, Etc Richard Baxter, 1830

**The Practical Works of the Rev. Richard Baxter, with a Life of the Author, and a Critical Examination of His Writings** Richard Baxter, William Orme, 1830 *40 Questions About Angels, Demons, and Spiritual Warfare* John R. Gilhooly, 2018-10-30 In *40 Questions About Angels Demons and Spiritual Warfare* John Gilhooly provides a biblical and balanced perspective on the many issues surrounding the spiritual realm Using a question and answer format he explains spiritual warfare angels and demons the role of Satan models and practices for spiritual warfare and topics related to the occult Beneficial as a comprehensive overview or as a reference guide to particular subjects this volume provides concise but thorough answers to many important questions including Do believers have guardian angels Can Christians be demon possessed Are there territorial spirits Why and when did the devil fall from heaven What is the role of prayer in spiritual warfare Are there such things as spiritual curses **Confession Made Easy** Fructuosus Hockenmaier, 1910 *Philosophy, Who Needs It?* Jason D. Crowder, 2016-03-02 Too often skeptics charge Christians with having a blind faith Unfortunately believers have added fuel to the charges of skeptics by speaking of their faith illogically But the Christian faith is not a blind faith In fact biblical faith is never a blind irrational faith Christianity rests firmly on the stone that was rejected by the builders which has become the cornerstone Jesus Christ Acts 4 11 Living biblically requires thinking biblically just as to think biblically entails to live biblically as Winfried Corduan notes in the Foreword As followers of Christ believers cannot separate

biblical thinking and biblical living These two behaviors are eternally connected not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth Christ mandates that his followers love God with their entire being heart soul mind and strength Mark 12 30 How are believers to go about living out this biblical mandate Christian faith is a warranted belief This is why it is so essential that Christians recognize the value and importance of philosophy and its proper place in Christendom and in the Christian s walk      *Licensed to Kill* Brian G. Hedges,2011-07 Your soul is a war zone Know your enemy Learn to fight Rather than aiming at simple moral reformation *Licensed to Kill* aims at our spiritual transformation This field manual focuses on the most critical information regarding our enemy and gives practical instruction concerning the stalking and killing of sin      *A Heart for Jesus* Thomas D. Hall,2004 God has spoken to my heart and so inclined me to open the doors of my life and share my struggles and transformations as I have journeyed to develop *A Heart for Jesus* I am calling out to all who hunger to understand who they are in Christ and how we transform our lives as Christians To all who are bound by the chains of repetitive sinful behavior even though you are saved To all who are filled with guilt shame and condemnation for their seeming inability to balance their lives Finally to all who are bound by the chains of addiction and to all who are spiritually lost or unaware and hunger to find *A Heart for Jesus* I want you to know that God s grace knows no boundaries Walk with me as we seek peace and balance in our lives Let my experience be your pain let me spur you on to you calling Together we will seek God while he can be found we will call upon him while he is near My journey details how I came to know Christ how we came to understand who we are in Christ and the process by which sanctification transforms us from sinners to winners in Christ We will discuss the importance of witnessing our struggle to understand where God is in this chaotic world and our call to balance our lives between who we say we are in Christ and how we actually live out each day I intend to uncover for those who hunger spiritually a true picture of our spiritual identity how we go into training through Godly disciplines who will tempt us and five keys to victory in Christ We will discuss spiritual gifts in detail where they came from why God gave them to us and how we go about using them to create a Heart for Jesus Through self examination and small group discussion we will understand why we still even though we are saved how to stop sinning how to pinpoint our character defects that allow Satan into our thought life and how we do battle with our sinful nature Finally we will determine what we value and how we exercise those values as we journey to develop a *A Heart for Jesus*      *Commentary on Paul's Letter to Romans* Moses Easterly Lard,1875
