Singing In The Night The Complete Poems Of Beatrice Ferneyhough:

Singing in the Night Beatrice Ferneyhough, 1994 **Cahiers de la Femme** ,1978 **Radicals and Revolutionaries**
Sean Purdy, Tom Reid, Thomas Fisher Rare Book Library, 1998 *Radicals and Revolutionaries* explores a significant yet neglected area in Canadian history the experiences of the radical workers movement and the Communist Party of Canada. Although a minority current on the Canadian political scene at key points the radical movement posed a pointed challenge to the established order. Within that section of the socialist movement which openly identified itself as revolutionary the CPC clearly predominated. It was instrumental in building the industrial union movement and played a key role in many of the major strikes of this century. In the social upheavals of the 1930s and 1940s its influence extended far beyond its numbers.
