Single The Jesus Model:

They Were Single Too: Eight Biblical Role Models David M. Hoffeditz, 2018-01-23 Singleness is not a sin that needs to be redeemed Yet for many single Christians the way the church regards them often feels condemning Living between these truths can be a painful frustrating experience By examining eight individuals from Scripture who were single at some point in their adult lives Paul Anna Martha Jeremiah Ruth Joseph Nehemiah and John the Baptist Hoffeditz guides readers through common struggles singles face such as loneliness and disappointment Hoffeditz isn't offering a self help guide a twelve step program to recovery or philosophical musings They Were Single Too spells out concrete steps for a healthy God approved attitude toward unmarried life and how one can truly serve God without a spouse Brief chapters with questions for reflection allow for either individual or group study Long used as a resource for singles ministries this revised edition updates the language of this timeless biblical study and makes it more attractive for today's reader **Sex and the Single Savior** Dale B. Martin, 2006-01-01 Probing into numerous questions about gender and sexuality Dale Martin delves into the biblical texts anew and unearths surprising findings Avoiding preconceptions about ancient sexuality he explores the ethics of desire and marriage and pays careful attention to the original meanings of words especially those used as evidence of Paul's opposition to homosexuality For example after a remarkably faithful reading of the scriptural texts Martin concludes that our contemporary obsession with marriage and the whole search for the right sexual relationships is antithetical to the message of the gospel In all of these essays however Martin argues for engaging Scripture in a way that goes beyond the standard historical critical questions and the assumptions of textual agency in order to find a faith that has no foundations other than Jesus Christ **The Single Life in the Roman and Later Roman World** Sabine R. Huebner, Christian Laes, 2019-02-14 Using a variety of historical sources and methodological approaches this book presents the first large scale study of single men and women in the Roman world from the Roman Republic to Late Antiquity and covering virtually all periods of the ancient Mediterranean It asks how singleness was defined and for what reasons people might find themselves unmarried While marriage was generally favoured by philosophers and legislators with the arguments against largely confined to genres like satire and comedy the advent of Christianity brought about a more complex range of thinking regarding its desirability Demographic archaeological and socio economic perspectives are considered and in particular the relationship of singleness to the Roman household and family structures The volume concludes by introducing a number of comparative perspectives drawn from the early Islamic world and from other parts of Europe down to and including the nineteenth century in order to highlight possibilities for the Roman world **Jesus was a Single Adult** Bob Vetter, June Vetter, 1978 Practical steps to solutions of problems that single adults face **One Like Jesus** Debra K. Farrington, 1999 This book of biblically based meditations affirms the value of being single and provides a map for the journey **T&T Clark Handbook of Christology** Darren Sumner, Chris Tilling, 2025-06-26 This comprehensive work collects more than 30 essays

from leading biblical scholars and systematic theologians to explore the person and work of Jesus Christ in a generously interdisciplinary manner From research foundations and method to the doctrine of the incarnation from the Trinity to the resurrection and from Christ's temptations to his high priestly prayer these essays seek to engage constructively with Scripture the history of Christian teaching and modern proposals and debates Together this international group of scholars engages such topics as Christ's preexistence his constitution as the God human his temptations and will the hypostatic union the prayer of John 17 the struggle in Gethsemane kenosis the two states and threefold office Spirit Christology impassibility and the cross resurrection and the diversity of the New Testament witnesses to him This is an indispensable volume for the study of Jesus Christ in the subject's biblical historical and doctrinal contours

The Omnipresence of Jesus Christ

Theodore Zachariades, 2015-06-01 This important book reassesses the classic Chalcedonian view of Jesus one person two natures It carefully rejects all forms of kenotic Christology and affirms that Jesus possessed and used all the divine attributes in particular that of omnipresence arguing that evangelical scholars have abandoned this important truth This has ramifications for our view of the Holy Spirit and of Christ's presence with his people It challenges us to read the Scriptures again and to live in the presence of Jesus Publisher Commendation In this important study of orthodox Christology Dr Zachariades develops an aspect of it that has generally been neglected How should we understand the universal presence of the risen ascended and glorified Christ Starting with the controversies of the early church he takes us through the questions involved in the discussion and points us to a deeper understanding of how Christ is both God and man at the same time

Gerald L Bray Research Professor of Divinity History and Doctrine Beeson Divinity School USA *The Discipleship Paradigm* David Beck, 2021-11-15 This volume examines the Fourth Gospel narrative in terms of its character portrayal especially the portrayal of anonymous characters It focuses on how characterization impacts readers eliciting their involvement in the narrative particularly the recognition of and response to Jesus identity and how anonymity facilitates that participation The first chapters examine the understanding of characterization in contemporary literary theory then the author explores other contemporaneous narratives for the function of anonymous characters in those narratives The final chapters examine specific character portrayals in the Fourth Gospel demonstrating how the narratives of anonymous characters draw the reader into participation in the narrative and enables identification with those characters especially the disciple Jesus loved the Johannine paradigm of discipleship

Christology: A Guide for the Perplexed Alan J.

Spence, 2015-07-30 Today Christology is of concern to both New Testament scholars and theologians alike and continues to provoke debate within the Church Christology A Guide for the Perplexed examines the key debates and defining moments in the early Church and the Reformation After a brief introduction providing a basic definition of Christology this historical background provides an essential foundation on which to outline later developments in Christology Alan Spence then considers the Quest for the Historical Jesus the work of the major theologians in this area including Barth and

Schleiermacher and from the present day N T Wright and Pannenberg and explores the contemporary arguments within the field of Christology

Elders and Leaders Gene A. Getz, 2003-08-01 Strong leadership in the church is exactly what God had in mind However very few people Gene Getz believes understand the biblical pattern for church leadership He has written *Elders and Leaders* to unravel the mystery and alleviate the confusion surrounding this critical topic In the first part of the book Getz lays the historical and biblical groundwork for the position of elder In the second part he shares how he has applied or has seen these principles applied over the years

A Corpus of Rembrandt Paintings VI Ernst van de Wetering, 2014-11-11 A revised survey of Rembrandt's complete painted oeuvre The question of which 17th century paintings in Rembrandt's style were actually painted by Rembrandt himself had already become an issue during his lifetime It is an issue that is still hotly disputed among art historians today The problem arose because Rembrandt had numerous pupils who learned the art of painting by imitating their master or by assisting him with his work as a portrait painter He also left pieces unfinished to be completed by others The question is how to determine which works were from Rembrandt's own hand Can we for example define the criteria of quality that would allow us to distinguish the master's work from that of his followers Do we yet have methods of investigation that would deliver objective evidence of authenticity To what extent do research techniques used in the physical sciences help Or are we after all still dependent on the subjective expert eye of the connoisseur The book provides answers to these questions Prof Ernst van de Wetering the author of our forthcoming book which deals with these questions has been closely involved in all aspects of this research since 1968 the year the renowned Rembrandt Research Project RRP was founded In particular he played an important role in developing new criteria for authentication Van de Wetering was also witness to the way the often overly zealous tendency to doubt the authenticity of Rembrandt's paintings got out of hand In this book he re attributes to the master a substantial number of unjustly rejected Rembrandts He also was closely involved in the re discovery of a considerable number of lost or completely unknown works by Rembrandt The verdicts of earlier specialists including the majority of members of the original RRP up to 1989 were based on connoisseurship the self confidence in one's ability to recognise a specific artist's style and hand Over the years Van de Wetering has carried out seminal research into 17th century studio practice and ideas about art current in Rembrandt's time In this book he demonstrates the fallibility of traditional connoisseurship especially in the case of Rembrandt who was par excellence a searching artist The methodological implications of this critical view are discussed in an introductory chapter which relates the history of the developments in this turbulent field of research Van de Wetering's account of his own involvement in it makes this book a lively and sometimes unexpectedly personal account The catalogue section presents a chronologically ordered survey of Rembrandt's entire painted oeuvre of 336 paintings richly illustrated and annotated For all the paintings re attributed in this book extensive commentaries have been included that provide a multi faceted new insight into Rembrandt's world and the world of art historical research *Rembrandt's Paintings Revisited* is the concluding

sixth volume of A Corpus of Rembrandt Paintings Volumes I V 1982 1986 1989 2005 2010 It can also be read as a revisionary critique of the first three Volumes published by the old RRP team up till 1989 and of Gerson s influential survey of Rembrandt s painted oeuvre of 1968 69 At the same time the book is designed as an independent overview that can be used on the basis that anyone seeking more detailed information will be referred to the five previous digital versions of the Volumes and the detailed catalogues published in the meantime by the various museums with collections of Rembrandt paintings This work of art history and art research should belong in the library of every serious art historical institute university or museum

Spurgeon's Sermons Volume 03: 1857 Charles Haddon Spurgeon,2017-04-18 Charles Spurgeon was one of the most evangelical and puritan of protestant minister s in the 19th century In the third volume of these series of sermons these charismatic and inspiring sermons are enough to encourage convict and inspire anyone who seeks a closer and more intimate relationship with God

Christ at the Crux Paul Cumin,2014-06-20 How can Christian theology confess God as both other than the world and also related to it in a way that compromises neither of these Most modern thought has offered a simple reply it cannot Christ at the Crux analyzes one element of the roots of this denial and charts a route toward rapprochement The Christologies of eight theologians offer various attempts to relate the Creator and the creature in Christ Irenaeus of Lyon Cyril of Alexandria John Philoponus Martin Luther John Calvin John Zizioulas Robert Jenson and Colin Gunton Within the patristic era the question is grounded in theology about the incarnation with the Reformers the focus is on the mediation between creation and Creator and with the three modern theologians the breadth of the issue is completed with theology proper Together these eight offer a grand scale perspective on much of the christological possibilities for conceiving the relation between God and everything else In the end Paul Cumin shows how the doctrine of the Trinity appears to open new possibilities for Christology and in particular for the way theology about the Spirit enables a reimagining of those items of Christian thought most likely at the roots of our modern rejection of God as other

Jon Courson's Application Commentary Jon Courson,2004-01-17 A devotional commentary that helps you gain fresh insights into the Bible and understand how you can apply God s Word to your life Few Bible commentators simultaneously articulate both insightful spiritual truths and memorable life applications for readers who want to be relevant witnesses for Jesus Christ Gifted Bible preacher and inspiring teacher Jon Courson effortlessly combines these elements in this easy to read verse based devotional commentary on the entire New Testament Pastor Jon s years of immersion in God s Word as he regularly preached from the Bible produced faithful valuable teaching that takes a balanced approach between a scholarly work and an encouragement for living the Christian life His application commentaries combine the following elements in a unique blend of pertinent information and needed inspiration Deep love for God s word Colorful cultural insights Insightful historical information Applicable topical studies Vivid illustrations and stories Humorous practical and inspiring life lessons Jon Courson s devotional commentaries offer thorough and comprehensive teaching along with practical in depth topical studies in a very

readable and comfortable expositional style **Evangelical Feminism** Pamela D.H. Cochran,2005-01-01 For most people the terms evangelical and feminism are contradictory Evangelical invokes images of conservative Christians known for their strict interpretation of the Bible as well as their support of social conservatism and traditional gender roles So how could an evangelical support feminism a movement that seeks at its most basic level to redress the inequalities injustice and discrimination that women face because of their sex Evangelical Feminism offers the first history of the evangelical feminist movement It traces the emergence and theological development of biblical feminism within evangelical Christianity in the 1970s how an internal split among members of the movement came about over the question of lesbianism and what these developments reveal about conservative Protestantism and religion generally in contemporary America Cochran shows that biblical feminists have been at the center of changes both within evangelicalism and in American culture more broadly by renegotiating the religious symbols which shape its deepest values **Enriched Meanings** Ash Asudeh,Gianluca Giorgolo,2020 This book develops a theory of enriched meanings for natural language interpretation that uses the concept of monads and related ideas from category theory The volume is interdisciplinary in nature and will appeal to graduate students and researchers from a range of disciplines interested in natural language understanding and representation **Cracking the Twin Global Reset Code** Philip R. Herron,2024-08-30 CRACKING THE TWIN GLOBAL RESET CODE This book reveals how the process of Cracking the Twin Global Reset Code Led to discovering several other SECRET CODES Those codes reveal Hidden aspects of The end times These codes were THE PANDEMIC CODE THE ANGEL OF DEATH CODE THE GREAT FAMILY REUNION CODE WILL THESE CODES TIE COMING END TIMES TO OUR GENERATION **Luke Verse by Verse** Grant R. Osborne,2018-12-05 The Gospel of Luke is an orderly historical account but it is far from ordinary In the longest Gospel Luke places great stress on the unique lordship of Jesus and God s plan to bring salvation into this world Throughout Luke stresses that Jesus message reaches the forgotten people groups of this world particularly the poor and women showing us that the gospel is truly intended for all peoples In Luke Verse by Verse Grant Osborne leads readers through this systematic account of Jesus life He shows us why Luke may be called the theologian of prayer and unpacks the far reaching power of the gospel then and now With Osborne as guide readers will learn what this Gospel which introduces the Suffering Servant who has become the Risen Lord of all and reigns by his Spirit can teach us today The Osborne New Testament Commentaries by respected professor and author Grant R Osborne are for people seeking a straightforward explanation of the text in its context avoiding either oversimplification or technical complexity Osborne brings out the riches of the New Testament making each book accessible for pastors and all who consider themselves students of Scripture And with All Your Mind Steven H. Propp,2010-12-21 Its 1971 and Silas Baker is a high school senior in California whose main interests are basketball and weekend parties But his life takes a dramatic turn when he encounters a group of committed Christians who soberly inform him that Jesus is coming soon They enroll at Riverstent Bible College Its an exciting

time as leading Bible teachers have predicted that Jesus will return to Rapture his Church within one generation of the 1948 formation of the State of Israel Popular movies further inflame this passion as the eager students study Apologetics and Biblical Archaeology aberrant theologies such as the Death of God movement and even conflicting interpretations of the End Times An activist spirit develops within evangelicalism culminating in the so called Christian Right as the evangelical world is rocked in the aftermath of the televangelist scandals Confronted by world views such as Calvinism and Christian Reconstruction the characters passionately debate controversies such as Biblical Inerrancy and the age of the cosmos in addition to challenging evangelicals who deny traditional doctrines such as that of endless punishment in Hell or who promote an Open yet limited concept of God himself As society evolves so does evangelicalism seeker sensitive megachurches appear while Postmodernism and the Emergent Church become realities Theologians wrestle with the question of divorce and remarriage and the role of women in the church as well as the divisive issue of homosexuality As they struggle with lifes realities they ultimately must also respond to nonchristians who are alienated indifferent or engaged in active opposition to Christianity while searching for the meaning of Christian faith in the modern world

Models of the Kingdom Howard A. Snyder, 2001-07-23 Christians often misunderstand one another when they refer to the kingdom of God They may ask Is it here on earth In our hearts In our churches Over the years best selling author Howard Snyder has been helping pastors and church leaders understand kingdom terminology Now he explains in eight models how the kingdom or reign of God has been and may be conceived Snyder explains with biblical texts and illustrations from church history If you are a pastor or church leader you will find guidance for building new kingdom communities in your congregation as well as ways to relate kingdom theology to global crises with the environment and our economy
