Henning, William T. Myers, Joseph D. John, 2015-04-16 Despite there being deep lines of convergence between the philosophies of Alfred North Whitehead C S

**The Life of Women in Ancient Athens** Joseph R. Laurin,2013-01-02 About the Image on the Front Cover This image is one the most endearing of all the sculptures made during the Classical Period of Athens It shows a husband and wife whose names inscribed above their heads are Philoxenos dressed in the uniform of a hoplite one of many foot soldiers fighting in phalanx formation wearing a metal helmet breastplate short tunic called exomis and sandals and holding a shield on his left arm and Philoumene his wife wearing a long robe called peplos flowing down yet attached at the waist with her hair in a snood and elevated shoes The pose is classic standing straight in serene elegance one knee bent as if they were ready to walk away from each other They gaze at each other for a tender and sad farewell and shake hands to express their mutual love and loyalty This scene is carved in relief on a grave stele made of marble white with a hue of grey from a quarry on the south side of Mount Pentelikon about ten miles northeast of Athens It may have been painted originally but the paint has disappeared The dimensions are 102 2 cm 40 in in height 44 5 cm 17 in in width and 16 5 cm 6 in in depth It is dated of about 400 BCE during the return to normal life in Athens after the end of the Peloponnesian War in 404 BCE The timing may indicate that the tribute was from

the wife to her husband killed in action and for this reason that the gravestone was paid for by her wealthy family This image is reproduced here from the J Paul Getty Museum Villa Collection Malibu California 83 AA 378 See the Museums Handbook of the Antiquities Collection p 22 <http://www.greekancienthistory.com> *Life in Year One* Scott Korb,2010-03-18 For anyone who s ever pondered what everyday life was like during the time of Jesus comes a lively and illuminating portrait of the nearly unknown world of daily life in first century Palestine What was it like to live during the time of Jesus Where did people live Who did they marry And what was family life like How did people survive These are just some of the questions that Scott Korb answers in this engaging new book which explores what everyday life entailed two thousand years ago in first century Palestine that tumultuous era when the Roman Empire was at its zenith and a new religion Christianity was born Culling information from primary sources scholarly research and his own travels and observations Korb explores the nitty gritty of real life back then from how people fed housed and groomed themselves to how they kept themselves healthy He guides the contemporary reader through the maze of customs and traditions that dictated life under the numerous groups tribes and peoples in the eastern Mediterranean that Rome governed two thousand years ago and he illuminates the intriguing details of marriage family life health and a host of other aspects of first century life The result is a book for everyone from the armchair traveler to the amateur historian With surprising revelations about politics and medicine crime and personal hygiene this book is smart and accessible popular history at its very best **Just a Thin Slice: A Family's Journey**
