Singleness in God's Redemptive Story Barry Danylak, 2022-09-06 For generations the predominant message in the church has been that to live a complete and happy life one must marry and have children And while this does bring joy and fulfillment for many other Christians are called to a life of singleness or become single due to the death of a spouse or divorce Pastor Barry Danylak was inspired to write Singleness in God's Redemptive Story based on his own experience in the church as a single person combined with his study and reflection on singleness in Scripture This compelling condensed theology examines the topic theologically in relationship to the developing biblical narrative focusing on how

marriage and singleness relate to the Old and New Testament covenants the theological motif of offspring as well as the singleness of Jesus and Paul Singleness in God's Redemptive Story will greatly benefit Christian singles in understanding how they are fully complete in Christ and will equip pastors and church leaders with an understanding of the theological significance of singleness within the flow of redemption history This concise biblical theology is a must read for all those in ministry leadership With thought provoking discussion questions at the end of each chapter Singleness in God's Redemptive Story can be read individually or used as a small group study guide **Redeeming Singleness** Rev. HyoJu Lee Ph.D,2017-02-16 Have you made a New Year's resolution to get married out of nowhere Did it work When the author turned thirty she put getting married on her New Year's resolution list not because she wanted to get married or had a boyfriend but because of social pressure in which she lived Social pressure made her think that if she wanted to ever get married it was better to do so sooner than later For three consecutive years she prayed about it and made efforts to form relationships After three years passed by she was still single and unhappy As she reflected on her unhappiness she finally realized that she was not happy because she was not able to accomplish a goal that was ultimately out of her control How absurd it was to put get married on my New Year's resolution As she eliminated marriage from her New Year's resolutions and focused on what she really wanted to do with her life her energy level was boosted Although she did not have any tool to frame her singleness she happened to choose the best course for her Only if she knew the socially constructed characteristics of marriage the first three years of her thirties would have been different The author hopes ministers and never married single women can learn what we think is normal is a very contextual product The author invites never married single women to own their own stories instead of being owned by metanarratives in their lives Singleness and the Church Jana Marguerite Bennett,2017 Singleness is a much overlooked treasure in Christian tradition In these pages Christians single and married alike can rediscover the richness of singleness in its great variety This book offers thought provoking cultural and theological analysis along with voices of single Christian people down through the centuries God, Marriage, and Family Andreas J. Köstenberger,David W. Jones,2010 This updated edition of Köstenberger and Jones's landmark work tackles the latest debates and cultural challenges to God's plan for marriage and the family and urges a return to a biblical foundation Holy Sexuality and the Gospel Christopher Yuan,2018-11-20 From the author of Out of a Far Country which details his dramatic conversion from an agnostic gay man who put his identity in his sexuality to a Bible professor who now puts his identity in Christ alone comes a gospel centered discussion of sex desire and relationships Dr Christopher Yuan explores the concept of holy sexuality chastity in singleness or faithfulness in marriage in a practical and relevant manner equipping readers with an accessible yet robust theology of sexuality Whether you want to share Christ with a loved one who identifies as gay or you're wrestling with questions of identity yourself this book will help you better understand sexuality in light of God's grand story and realize that holy sexuality is actually good news for all **Singled Out** Christine Colón,Bonnie Field,2009-06-01 Authors
