Heffernan gives a highly informative analysis of what the internet is and can be in an examination of its past present and future Lou Reed Anthony DeCurtis, 2017-10-10 The essential biography of one of music s most influential icons Lou Reed As lead singer and songwriter for the Velvet Underground and a renowned solo artist Lou Reed invented alternative rock His music at once a source of transcendent beauty and coruscating noise violated all definitions of genre while speaking to millions of fans and inspiring generations of musicians But while his iconic status may be fixed the man himself was anything but Lou Reed s life was a transformer s odyssey Eternally restless and endlessly hungry for new experiences Reed reinvented his persona his sound even his sexuality time and again A man of contradictions and extremes he was fiercely independent yet afraid of being alone artistically fearless yet deeply paranoid eager for commercial success yet disdainful of his own triumphs Channeling his jagged energy and literary sensibility into classic songs like Walk on the Wild Side and Sweet Jane and radically experimental albums alike Reed remained desperately true to his artistic vision wherever it led him Now just a few years after Reed s death Rolling Stone writer Anthony DeCurtis who knew Reed and interviewed him extensively tells the provocative story of his complex and chameleonic life With unparalleled access to dozens of Reed s friends family and collaborators DeCurtis tracks Reed s five decade career through the accounts of those who knew him and through Reed s most revealing testimony his music We travel deep into his defiantly subterranean world enter the studio as the Velvet Underground record their groundbreaking work and revel in Reed s relationships with such legendary figures as Andy Warhol David Bowie and Laurie Anderson Gritty intimate and unflinching Lou Reed is an illuminating tribute to one of the most incendiary artists of our time **The Life and Music of Lou Reed** Jeremy Reed, 2014-09-24 In Waiting For The Man Jeremy Reed focuses on Lou Reed as rock s principal literary avatar paying special attention to his controversial lyrics and prototypical garage sound Lou Reed influenced generations of copyists that took note of his outlaw status ambiguous sexual orientation characterised by his seventies relationship with the transvestite Rachel his implacable mystique cool and defiant

Dirty Blvd. Aidan Levy, 2015-10-01 Lou Reed made it his mission to rub people the wrong way whether it was with the noise rock he produced with the Velvet Underground in the late 1960s or his polarizing work with Metallica that would prove to be his swan song On a personal level too he seemed to take pleasure in insulting everyone who crossed his path How did this Jewish boy from Long Island an adolescent doo-wop singer rise to the status of Godfather of Punk And how did he maintain that status for decades Dirty Blvd the first new biography of Reed since his death in 2013 digs deep to answer those questions And along the way it shows us the tender side of his prickly personality Born in Brooklyn Reed was the son of an accountant and a former beauty queen but he took the road less traveled trading literary promise for an entry level job as a budget label songwriter and founding the Velvet Underground under the aegis of Andy Warhol The cult of personality surrounding his transformation from downtown agent provocateur to Phantom of Rock and finally to patron saint of the avant garde was legendary but there was more to his artistic evolution than his abrasive public persona The lives of many American rock stars have had no second act but Reed's did Dirty Blvd not only covers the highlights of Reed's career but also explores lesser known facets of his work such as his first recordings with doo

wop group the Jades his key literary influences and the impact of Judaism upon his work and his engagement with the LGBT movement Drawing from new interviews with many of his artistic collaborators friends and romantic partners as well as from archival material concert footage and unreleased bootlegs of live performances author Aidan Levy paints an intimate portrait of the notoriously uncompromising rock poet who wrote Heroin Sweet Jane Walk on the Wild Side and Street Hassle songs that transcended their genre and established Lou Reed as one of the most influential and enigmatic American artists of the past half century [Rock Song Index](#) Bruce Pollock,2014-03-18 The Rock Song Index Second Edition is a new version of a well received index to the classic songs of the rock canon from the late 40s through the end of the 20th century The study of the history of rock music has exploded over the last decade all college music departments offer a basic rock history course covering the classic artists and their songs **It's Too Late to Die Young Now** Andrew Mueller,2013-08-01 It s Too Late to Die Young Now answers the question what became of the rock writer the day the music died There is no field of journalism more mythologised or more derided than rock journalism with good reason according to Andrew Mueller And he d know Starting out writing for the Sydney music street press in his teens by his early twenties Mueller was working for the legendary UK music weekly Melody Maker earning a living by listening to records going to gigs hanging out in seedy pubs and travelling the world with his favourite rock groups In barely two years he went from a childhood bedroom with a poster of Robert Smith to The Cure s tour bus Though it didn t seem like it at the time the years Mueller was living the dream the late eighties to the mid nineties were actually the last hurrah for the music scene as we knew it The era of flourishing live pub venues and record stores and rock journalists as cultural arbiters and agitators is now long gone Featuring cameo appearances from luminaries of the Seattle grunge boom and the Britpop response to it and encounters with the likes of U2 The Cure Pearl Jam The Fall and Elvis Costello It s Too Late to Die Young Now is an Almost Famous for Generation X and a hilarious and heartfelt eulogy to a life that seems even less probable now than it did at the time
