American Women Short Story Writers Julie Brown, 2014-05-01 This collection of original and classic essays examines the contributions that female authors have made to the short story The introductory chapter discusses why genre critics have ignored works by women and why feminist scholars have ignored the short story genre Subsequent chapters discuss early stories by such authors as Lydia Maria Child and Rose Terry Cooke Others are devoted to the influences race class sexual orientation education that have shaped women's short fiction through the years Women's special stylistic formal and thematic concerns are also discussed in this study The final essay addresses the ways our contemporary creative writing classes are stifling the voices of emerging young female authors The collection includes an extensive five part bibliography

The Oxford Handbook of Transcendentalism Joel Myerson, Sandra Harbert Petrulionis, Laura Dassow Walls, 2010-04-16

The Oxford Handbook of Transcendentalism offers an eclectic comprehensive interdisciplinary approach to the immense cultural impact of the movement that encompassed literature art architecture science and politics *800 Years of Women's Letters* Olga Kenyon, 2011-10-21 This inspiring and fascinating book is the first truly comprehensive study of women's letters ever published Organised by subject matter and covering a wide range of topics from politics work and war to childhood love and sexual passion 800 Years of Women's Letter reveals the depth breadth and diversity of women's lives through the ages Here Holaise writes to Abelad of her undying devotion Vita Sackville West and Virginia Woolf correspond about life and writing and Queen Victoria complains to Robert Peel about the neglect of Buckingham Palace Many more women write letters that reveal the compassion humour love and tenacity with which they confront the often difficult circumstances of everyday life This is an intriguing insight and a rare opportunity to read the real words of real women in their own intimate language No literary form is more revealing more spontaneous of more individual than a letter P D James *Dust Off the Gold Medal* Sara L. Schwebel, Jocelyn Van Tuyl, 2021-08-23 The oldest and most prestigious children's literature award the Newbery Medal has since 1922 been granted annually by the American Library Association to the children's book it deems most distinguished Medal books enjoy an outsized influence on American children's literature figuring perennially on publishers lists on library and bookstore shelves and in school curricula As such they offer a compelling window into the history of US children's literature and publishing as well as into changing societal attitudes about which books are best for America's schoolchildren Yet literary scholars have disproportionately ignored the Medal winners in their research This volume provides a critically and historically grounded scholarly analysis of representative but understudied Newbery Medal books from the 1920s through the 2010s interrogating the disjunction between the books omnipresence and influence on the one hand and the critical silence surrounding them on the other Dust Off the Gold Medal makes a case for closing these scholarly gaps by revealing neglected texts insights into the politics of children's literature prizing and by demonstrating how neglected titles illuminate critical debates currently central to the field of children's literature In particular the essays shed light on the hidden elements of diversity apparent in the neglected Newbery canon while illustrating how the books respond sometimes in quite subtle ways to contemporaneous concerns around race class gender disability nationalism and globalism
