Love About Love:

What Love Is Carrie Jenkins, 2017-01-24 A rising star in philosophy examines the cultural social and scientific interpretations of love to answer one of our most enduring questions What is love Aside from being the title of many a popular love song this is one of life's perennial questions In *What Love Is* philosopher Carrie Jenkins offers a bold new theory on the nature of romantic love that reconciles its humanistic and scientific components Love can be a social construct the idea of a perfect fairy tale romance and a physical manifestation those anxiety inducing heart palpitations we must recognize its complexities and decide for ourselves how to love Motivated by her own polyamorous relationships she examines the ways in which our parameters of love have recently changed to be more accepting of homosexual interracial and non monogamous relationships and how they will continue to evolve in the future Full of anecdotal cultural and scientific reflections on love *What Love Is* is essential reading for anyone seeking to understand what it means to say I love you Whether young or old gay or straight male or female polyamorous or monogamous this book will help each of us decide for ourselves how we choose to love

The Pursuit of Love Irving Singer, 1994 From sexual love to religious love from love of parents and children to love of friends and peers from love of self to love of other creatures nature or God *The Pursuit of Love* is wide ranging and authoritative Singer explores the distinction between wanting to love and wanting to be loved He examines love as merging and love as acceptance of another's uniqueness and autonomy

Talk of Love Ann Swidler, 2013-06-25 *Talk of love* surrounds us and romance is a constant concern of popular culture Ann Swidler's *Talk of Love* is an attempt to discover how people find and sustain real love in the midst of that talk and how that culture of love shapes their expectations and behavior in the process To this end Swidler conducted extensive interviews with Middle Americans and wound up offering us something more than an insightful exploration of love *Talk of Love* is also a compelling study of how much culture affects even the most personal of our everyday experiences

All About Love bell hooks, 2001-01-09 The word love is most often defined as a noun yet we would all love to better if we used it as a verb writes bell hooks as she comes out fighting and on fire in *All About Love* Here at her most provocative and intensely personal the renowned scholar cultural critic and feminist skewers our view of love as romance In its place she offers a proactive new ethic for a people and a society bereft with lovelessness As bell hooks uses her incisive mind and razor sharp pen to explode the question What is love her answers strike at both the mind and heart In thirteen concise chapters hooks examines her own search for emotional connection and society's failure to provide a model for learning to love Razing the cultural paradigm that the ideal love is infused with sex and desire she provides a new path to love that is sacred redemptive and healing for the individuals and for a nation The *Utne Reader* declared bell hooks one of the 100 Visionaries Who Can Change Your Life *All About Love* is a powerful affirmation of just how profoundly she can

Sad Love Carrie Jenkins, 2022-05-16 As a woman with a husband and other partners philosopher Carrie Jenkins knows that love is complicated Love is most often associated with happiness satisfaction and pleasure But it

has a darker side we ignore at our peril Love is often an uncomfortable and difficult feeling The people we love can let us down badly And the ways we love are often quite different to the romantic ideals society foists upon us Since we are inevitably disappointed by love wouldn't we be better off without it No says Carrie Jenkins Instead we need a new philosophy of love one that recognizes that the pain and suffering love causes are a natural even a good part of what makes love worthwhile What Jenkins calls sad love offers no bogus happy ever afters Rather it tries to find a way properly to integrate heartbreak and disappointment into the lived experience of love It's time we liberated love Also available as an audiobook

Love Leo F. Buscaglia, 2017 With Love G. Bradley, 2019-09-09 This is more than a book about love and relationships This is a book that shows how love works and how to make love work for you Nurture the love within and the rest will follow You can focus your thoughts on love today to free yourself from the past Reclaim your innocence with love and feel your happiness flow Introduce love to your dreams to empower their fulfilment Use your belief in the spirit of love to heal and comfort You will be introduced to four hundred quotes about love that will help you feel the joy love brings to all aspects of your life Open your mind and your heart to the discovery of some of the deeper and spiritual meanings of love Feel the love that is provided by nature and see the love in all things around you Admiration of Love Alan Hines, 2021-04-25 The admiration of love to honor to worship to display love crafted in the form of written poems *What Is This Thing Called Love?* Gene Wilder, 2010-03-30 The actor and novelist answers this eternal question twelve ways in stories that explore our most complicated emotion This is a winning collection from an author writing on his favorite topic love Each emotionally involving story illuminates a different kind of love star crossed intense needy eternal unrequited even comical Wilder's protagonists will be instantly recognizable to his fans men and women who stumble into relationships that can fulfill them or knock them out cold Which one it will be depends often on the smallest of gestures or reactions Wilder's stories include *In Love for the First Time* about a lover so shy and studious that he's a funny duck who has to be led by the hand by his equally inexperienced girlfriend *About Being in Love* featuring coarse but charming Buddy Silverman who yearns for connection but looks for it in exactly the wrong kind of woman *The Woman in the Red Hat* who shows a writer who has only explored love in his books what the real thing feels like *Law, Love and Freedom* Joshua Neoh, 2019-07-04 Moving from monasticism to constitutionalism and from antinomianism to anarchism this book reveals law's connection with love and freedom **Love 2.0** Barbara L. Fredrickson, Ph.D., 2013-01-24 In this groundbreaking relationship book positive emotions expert Barbara L. Fredrickson gives us an entirely new way of understanding love and appreciating its benefits A radically new conception of love *The Atlantic* Even more than happiness and optimism love holds the key to improving our mental and physical health as well as lengthening our lives Using research from her own lab Barbara L. Fredrickson redefines love not as a stable behemoth but as micro moments of connection between people even strangers She demonstrates that our capacity for experiencing love can be measured and strengthened in ways that improve our health and longevity Finally she introduces us to informal

and formal practices to unlock love in our lives generate compassion and even self soothe Rare in its scope and ambitious in its message Love 2 0 will reinvent how you look at and experience our most powerful emotion I wish I had known years ago about Barbara Fredrickson In particular her theory that accumulating micro moments of positivity like my daily interaction with children can over time result in greater overall well being Jane Brody The New York Times
