Love and Justice Eva O'Diam,1990 **Picking the "right" Bible Study Program** Macrina Scott,1992 *The Concept of Divine Sovereignty in Micah* Colin Semwayo,2019-12-14 We live in a world gone awry Social injustice pervades our societies the poor are disdained despotic leaders and nations seem to control world events and racism and hatred abound Yet while it might appear that evil reigns the sovereign God is in control Such is the message of the book of Micah a text that underscores God's presence in the world righting wrongs delivering the marginalized and restoring the intended order of creation In this careful explication of the minor prophet Dr Semwayo challenges those who would question the text's unity revealing Micah as a powerful theological reflection on the reestablishment of Yahweh's sovereignty on earth Connecting the Zion Davidic traditions to the Abrahamic covenant Semwayo articulates a vision of hope that is as relevant for us in the twenty first century as it was for Micah's original audience **American Book Publishing Record** ,2006 **James (Understanding the Bible Commentary Series)** Peter H. Invitation to Biblical Theology Jeremy M. Kimble, Ched Spellman, 2020-06-30 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study. Defining biblical theology as the study of the whole Bible on its own terms, Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches. They then lay out their own approach built on the framework of the canon, the covenants, and Christ. Taking God's plan of redemption in Christ as the uniting theme of Scripture, Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation, showing how each division of the canon moves the overarching story forward. The following ten chapters survey central and recurring themes of Scripture, including kingdom, worship, Messiah, and atonement, God's glory, and mission. The authors conclude with reflections on how biblical theology can serve the church as well as the academy.

The Cambridge Companion to Christian Ethics Robin Gill, 2001 Provides a comprehensive introduction to Christian ethics which is both authoritative and up to date.

A Christian Perspective on Political Thought Stephen Charles Mott, 1993 The author seeks to advance the role of biblical and theological values in the political lives of individual Christians and the public discourse of American society. He argues that Americans want to make choices in terms of standards of right and wrong but tend to lack the formulation of a theory.

What the Bible Says About God the Redeemer Jack Cottrell, 2000-09-04 Part of a three-book series on theology which includes God the Creator and God the Ruler. Cottrell expounds upon the three major elements of God as revealed in the scriptures: providence, redemption, and creation.

How to Read and Understand the Biblical Prophets Peter J. Gentry, 2017-06-20 A Concise Guide to Reading the Prophetic Books. The Prophetic Books of the Bible are full of symbolic speeches, dramatic metaphors, and lengthy allegories, a unique blend of literary styles that can make them hard to comprehend. How can we know if we are reading them the way God intended them to be read? In this accessible guide, leading Old Testament scholar Peter Gentry identifies seven common characteristics of prophetic literature in the Bible that help us understand each book's message. With illustrations and clear examples, Gentry offers guidance for reading these challenging texts, teaching us practical strategies for deeper engagement with the biblical text as we seek to apply God's Word to our lives today.

The Christian Programme Joseph Pathrapankal, 2005-05-16 What does it mean to be a Christian in our times in a world come of age where Christians all over the world have to face the challenge posed by religious pluralism and secular humanism and even the challenge of a so-called religionless Christianity in a postmodern era? Answers to this question can be varied, and all of them point to something more crucial and radical. This basic question is to be approached from an equally radical answer given by Jesus of Nazareth in the Sermon on the Mount (Matt 5:1-7:29) wherein we get the blueprint of an authentic programme of life for all humans. The theological and pastoral study of this major discourse of Jesus highlights the parameters of a responsible and committed life.

The Johannine Gospel's Concept of Community Godibert Kelly Gharbin, 2025-05-27 The Johannine Gospel's Concept of Community takes an interdisciplinary approach to contextualizing the New Testament in an African milieu which helps Johannine scholarship intersect with Akan anthropology and sociology through a tripartite frame of interpretation: a narratological analysis of community-oriented narratives in John, the exegesis of the Akan concept of community encapsulated in their proverbial lore, the anthology of inestimable information about the Akan conceptualization of communitarianism and an engagement between the two conceptual schemes through an intercultural reading. The methodological principles utilized foster a cross-pollination of ideas between the Johannine characterization of a community of God and the community concept present in Akan maxims. This allows the Akan concept of communitarianism to enrich the reader's understanding of the text. It also allows John's theology of community revealed in what Jesus epitomizes, prescribes and proscribes for the believing community to serve as a form of discernible evaluation for Akan and other believers on the *modus vivendi* redolent of a believing community. In the end, it forces a redefinition of community replacing the anthropocentric individualistic and acquisitive elements that have typified the human community with a theocentric and authentically collectivist approach. **Zionism and the Quest for Justice in the Holy Land** Donald E. Wagner, Walter T. Davis, 2014-07-01 A critical examination of political Zionism, a topic often considered taboo in the West, is long overdue. Moreover, the discussion of Christian Zionism is usually confined to Evangelical and fundamentalist settings. The present volume will break the silence currently reigning in many religious, political and academic circles and in so doing will provoke and inspire a new challenging conversation on theological and ethical issues arising from various aspects of Zionism, a conversation that is vital to the quest for a just peace in Israel and Palestine. The eight authors offer a rich diversity of religious faith, academic research and practical experience as they represent all three Abrahamic faiths and five different Christian traditions. Among the many themes that run through Zionism and the Quest for Justice in the Holy Land is the contrast between exclusivist narratives, both biblical and political, and the more inclusive narratives of the prophetic Scriptures which provide the theological foundation and the moral imperative for human liberation. Readers will be drawn into a compelling, readable and stimulating series of essays that tackle many of the

complex issues that still confound clergy politicians diplomats and academic experts
