Journey to the Kingdom Jon Meier,2025-08-13 This is a book of spiritual poems that are designed to lift up the reader while speaking of Jesus and God s love The book is something that could be added to your everyday devotion time It could also help someone who is looking to strengthen their relationship with Jesus and God I believe that Jesus and God are the purest forms of love in the world and everyone should be able to experience this feeling The intent of the book is to help those whose souls are lost and let them get to know Jesus and God the way they have helped me in my spiritual growth **A Touch of Love from Heaven** Angel Love,2005-11 Standing in the Great Room at my home I see a rainbow appearing between the mirrors on my living room wall I note that the six colors of the chakra system are in the correct sequence red orange yellow green blue and lilac at the top of the rainbow Looking at my watch the time is 5 50 p m The rainbow disappears and now none can be seen The time is 5 55 p m Next almost immediately two rainbows appear The first one is on the back of the Great Room Wall to the right above the sofa while I stand there facing the mirrors The second rainbow appears on the lamp Both of them contain the six colors of the chakra system in the chronological order I am left wondering if these visuals are the light of God giving me the go ahead for putting my writings into the hands of the people Since the chakra system and the rainbow are both utilized in my writings I believe this sign is from God and no accident **It's not**

What You Do, It's How You Become Deborah Rae Hall, 2025-03-26 Deborah Hall's book *How You Become* is the result of a writing partnership with Star Beings from the Pleiades who have been communicating with her since 1999. This book is an amazing handbook of love with lessons in learning to love your self along with challenges to put your love into action for the benefit of Mother Earth and others struggling to survive. Organized as a daybook with an essay to read each day, the words will uplift you and hold your spirit high while helping you open your heart. There are 52 exercises which are as inspiring and full of love as the essays. They will stretch your heart muscles until you find the love you have been searching for. Listen to your heart and let this book find you.

The New Psychology of Love Robert J. Sternberg, Karin Sternberg, 2019 This is a much needed update on the latest theory and research on love supplied by leading scientific experts. It is suitable for psychologists, neuroscientists, anthropologists, sociologists, and anyone with an interest in love and what has been learned from scientific studies of it.

Liahona, 1917 *A Gift of Love* Tony Cointreau, 2016-08-30 I wrote *A Gift of Love* because people kept asking me to do so, telling me that there was a great need for it. Perhaps it was their parents who were dying or another family member or a close friend and they needed to know what they could do for their loved ones in those last weeks, days or hours. They knew that I had worked with Mother Teresa as a volunteer in her homes for the dying and had twelve years experience in what they were facing perhaps for the first time and asked me to pass on some of my knowledge. In 1979 when I saw a magazine photograph of one of Mother Teresa's volunteers carrying a dying man in his arms, I knew in an instant that I had to become a part of this work. It was certainly not a religious calling but a simple calling to give something of myself to others. I felt that if I could comfort one dying person, my life would have had purpose. It took me ten years to enter the world that I had only seen a glimpse of in that magazine article. When I did it was during the worst of the AIDS crisis in the United States in a hospice called Gift of Love in New York City which had been opened by Mother Teresa in 1985. It had room for fifteen dying men, most of them from a world I had never known, a world of drugs, poverty, and crime, a far cry from the privileged life of children in Europe that I had been brought up in and later on the world of show business in which I had been able to fulfill some of my greatest dreams. In the years to come, these men who were dying of AIDS and had never been given much of a chance in life, taught me not only about the many ways to help others die in an atmosphere of peace and love but also how to enjoy the richness of living our lives fully until the very end. Whenever Mother Teresa asked me to sing for her on her little terrace in Calcutta, I never said No. And when I asked her to help me write about caring for loved ones in their last days, she also never said No. What a blessing, thank you Mother. If I can reach just one person who is flailing around in panic and fear while trying to help a loved one at the end of their life, my journey will have been worthwhile.

Love Across the Atlantic Brickman Barbara Jane Brickman, 2020-02-14 Winston Churchill famously described the political alliance between the US and UK as a special relationship, but throughout the cultural history of these two countries, there have existed transatlantic special relationships of another kind: affairs between British and American citizens who have fallen in

love with one another but often too with the idea of that other place across the ocean From romantic novelist Elinor Glyn in the 1920s to Prince Harry and Meghan Markle today this collection examines some of the history contemporary manifestations and enduring appeal of US UK romance across popular culture Looking at both historical and contemporary case studies drawn from across film television music literature news and politics this is a timely intervention into the popular romantic discourse of US UK relations at a critical and transitional moment in the ongoing viability of the special relationship

Romantic Love in Cultural Contexts Victor Karandashev, 2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the questions the volume explores through its interdisciplinary yet focused lens Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world's cultures Yet love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel think and behave in romantic relationships This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field Divided into three parts the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world focusing particularly on the development of romantic love as a cultural ideal of the modern cultures Finally the book concludes by summarizing the major achievements in this field of study and predicts future development A timely and thoughtful addition to the literature Romantic Love in Cultural Contexts delivers thought provoking insights to researchers in relationship scholarship sociology anthropology and cultural studies and all those interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world Romantic Love in Cultural Contexts updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations Flix Neto Professor of Psychology Faculdade de Psicologia e de Ciências da Educação Universidade do Porto Portugal **Greetings from a Myna** Afifah Amil, 2021-03-24 Through life experience of a Malaysian Muslim Millennial Woman from East to West Love you give not to receive My heart is now praying To continue living Raw and unbridled the poems and photographs you

would find in this collection captures the life changing journey and adventure of self discovery of love and lost faced by a young Muslim woman having lived in the West for college and work experience Afiqah s work touches on love home family faith loss identity mental health and society Told in a refreshing view of an individual who is neither an migr nor a refugee these poems capture the beauty of differences that points to a bigger common ground of human feelings Inspired by poets from the East and West her relationships and surroundings these poems reflect the soul of a maturing young lady navigating her way through the precarious globalized world to inspire others

Unfortunate Words of the Bible G. P.

Wagenfuhr,2019-06-25 What do unicorns law love and hell all have in common They are all unfortunate words of the Bible Through mistranslation cultural shifts anachronisms and misguided intentions this book traces several key words whose meaning is commonly misunderstood in our world today If the blatant mistranslation of unicorns could survive in the Bible for thousands of years securing their place in our cultural imagination to this day what would happen if important words like salvation were misunderstood How might our cultural imaginations hide the meaning of the Bible rather than revealing it By tearing down misunderstandings Wagenfuhr builds up a broad overview of the story of the Bible that illustrates a more mature and more exciting vision for Christian faith fulness than is commonly assumed

The Delights of Wisdom

Pertaining to Conjugal Love Emanuel Swedenborg,1856

The Future of God in the Global Village Thomas R.

Mcfaul,2011-10 In the long trek of human history the adage that there will never be peace among the nations until there is peace among the religions has never been truer The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty first century has taken a terrible toll on the lives of thousands of innocent victims The primary purpose of this book is to address this issue head on by examining the role that the earth s diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment At this stage of human evolution nothing is more urgent
