Gills, 2004 When a relinquished life becomes faithful to the promises of God the result is His joy His peace and His charity Dr James Gills recounts his own period of rest and complacency brought on by a time of incapacitation He learned that when we give ourselves over to the thought patterns of the world we turn our backs on the Lord and His glory Imaginations More Than You Think was written so that the reader might understand how rich life can be when we focus our thoughts on God You will come to treasure its wisdom as you learn to appreciate its four foundational principles We are what we think therefore our thoughts determine our actions Our present thoughts affect how we will spend eternity God is most glorified in us when we are most satisfied in Him Our greatest joy comes from surrendering our thoughts to God Dr Gills teaches the reader how to wake up with love happiness and enthusiasm for the new day True surrender to the satisfaction of being with Jesus and accepting His provision for us sets the reader free from all daily worry and concern About the author James P Gills M D has earned a reputation as the most experienced cataract surgeon in the world He is the founder and medical director of the renowned St Luke s Cataract Laser Institute in Tarpon Springs Florida Dr Gills has dedicated his life to restoring much more than physical vision His not for profit publishing outreach Love Press has distributed well over three million copies of his books on a donation basis through LoveLines The Honor Innovation **Queen of Prison Ministry** Michael Glenn Maness, 2008-06 This WW II novel revolves around the experience of a callow youth destined to join the Fourth Infantry Division in H rtgen Forest The narrative traces the bonded ties of six comrades in arms three of whom are killed and three wounded Vividly detailed the stressful existence of Combat Infantrymen causes some men to break What helps those who see it through is their loyalty to one another called a culture of caring by their Chaplain In Part I our innocent recruits are sobered by incidental casualties on the way up which

initiate them into the inconsequence of death Part II takes them into H rtgen a battle fought under continuous icy rain in steep hilled terrain favoring the well entrenched Germans Casualties often run over 100% of a Company s authorized strength Attacks are met by unrelenting artillery and mortar fire machine guns at close range In a typical situation our narrator covers a Sergeant who after taking out a machine gun pinning the Company down is himself killed by a sniper A hard headed West Pointer insists on night action impossible in the Forest and after stepping on a mine that takes his legs off he rolls on another that hits those nearby General Patton called H rtgen an epic of stark infantry combat Part III deals with how badly depleted in numbers and morale the men successfully withstand the Breakthrough thereby saving Luxembourg a defense for which Patton gave the Fourth a Unit Citation In the concluding Part the narrator is wounded and put on limited assignment He dislikes the rear echelon life style guys being obsessed with whores drinking stealing and feasting but he holds his peace and decides he ll return to the world where reality matters **Would You Lie to Save a Life** Michael Glenn

Maness,2007-09-12 **Would You Lie to Save a Life** Love Will Find a Way Home A Theology on the Ethics of Love In 1968 Commander Lloyd Bucher and the USS Pueblo were pirated on the high seas They were held captive for 11 months and Bucher was forced to sign a confession forced to lie to save the lives of his men How does Love impact that decsion in a Christian theology Love makes the world go round Without Love little else has value this side of heaven In this dilemma between Love and Truth Love was chosen over Truth but not at the expense of all Truth Between the deontological and teleological elements time itself comes into play in the determination of the absolute rightness of the choice in perfect Love How is as capable as Jesus was and is today The course of Love is a sacred stewardship of time that is the highest exhibition of the Christian s own Imago Dei or image of God granted to us in creation When we are able to follow the Scarlet Thread of obedience perfectly it will lead straight through all of 1 the areas of complexity uniting 2 all of the demands of all of the absolutes and run dead center between 3 all of the ethical fine lines These three areas are detailed specifically **Heart of the Living God** Michael G. Maness,2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is Gods gift to us in our Imago Deithe image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I dont think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Manes brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theisms avoidance of Love And he exposes some foul play in the process Thats the first half of the book For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just

about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at www.PreciousHeart.net **The Unseen Essential** James P. Gills, 2012-06-28 Michael Nastasis had it all a large home a luxury car a successful career and all the trappings of affluence until he received divorce papers and a restraining order from his wife In his latest Creation House release **The Unseen Essential** noted author and medical doctor James Gills takes readers inside the life of Michael Nastasis and illustrates how the character's newfound faith redeems him and his family He writes Michael the central figure of the story is a composite character He evolved in part from the imagination and experiences of people I have known me as well as anyone who is on a spiritual walk The book also examines the process of salvation and how to apply it in every day life Gills demonstrates a few key principles of the kind of faith I have learned to embrace In other words how does the unseen essential translate into the daily grind of living He also adds Rather than focus on any specific number of steps I pray you will be inspired to seek God to look beyond your own circumstances trials and temptations or even blessings to Jesus Nothing is too difficult for the author and finisher of your faith Filled with humor and honesty Gills motivates readers to recognize the power of God and His redeeming salvation **When Texas Prison Scams Religion** Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars Resting in His Redemption James Gills, 2011-07-05 The Scriptures teach clearly that God desires to live in intimate fellowship and communion with mankind He wants us to enjoy His love peace joy and companionship and to

rest in His redemption experiencing the perfect harmony and contentment and fulfillment of purpose for which He created us God's original purpose for creating mankind was simply for us to enjoy relationship with Him the kind of fellowship that the first couple Adam and Eve enjoyed in the Garden of Eden when God walked with them in the cool of the evening Gen 3:8 Then sin entered the human experience and separated all mankind from that divine fellowship But when we place our faith in Christ's sacrifice for our sin we are redeemed by the blood of Christ and justified in the sight of God But that is not the end of the matter it is only the beginning God's intention is that we be completely restored spirit, soul, and body to the divine rest found in His redemption He wants us to experience that mystery of intimate communion with our Creator Redeemer In this book we will discuss four important aspects of fulfilling the deepest desire of the human heart to know God personally and intimately in the way God's great loving heart intended To know the love of God that brings true heart contentment we need to walk in the understanding of these divine principles The biblical basis for all prayer is resting in His redemption The biblical basis for all Christian living is resting in His redemption The biblical basis for total forgiveness is resting in His redemption The biblical basis for divine contentment is resting in His redemption Your life can be transformed when you allow Him to make them a reality to your heart The love of God can fill your heart and make you a victorious lover of the Christ You will be ruined for any lesser temporal pleasure or love once you taste more deeply the wonders of resting in His redemption
