East Goes West Younghill Kang, 2021-02-23 One of The Atlantic's Great American Novels of the Past 100 Years A beautiful collectible hardcover edition of the father of Korean American literature's wonderfully resplendent evocation of a newcomer's America Chang-rae Lee author of *Native Speaker* A Penguin Vitae Edition Having fled Japanese-occupied Korea for the gleaming promise of the United States with nothing but four dollars and a suitcase full of Shakespeare to his name the young idealistic Chungpa Han arrives in a New York teeming with expatriates businessmen students scholars and indigents Struggling to support his studies he travels throughout the United States and Canada becoming by turns a traveling salesman a domestic worker and a farmer and observing along the way the idealism greed and shifting values of the industrializing twentieth century Part picaresque adventure part shrewd social commentary *East Goes West* casts a sharply satirical eye on the demands and perils of assimilation It is a masterpiece not only of Asian American literature but also of American literature Penguin Vitae loosely translated as Penguin of One's Life is a deluxe hardcover series from Penguin Classics celebrating a dynamic and diverse landscape of classic fiction and nonfiction from seventy-five years of classics publishing Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives and welcomes new readers to discover these literary gifts of personal inspiration intellectual engagement and creative originality

Go West! Bernhard Hemetsberger, Andreas Oberdorf, 2025-03-31 The West is a central concept in public discourse but its meaning is often unclear and open to manifold interpretations and ascriptions of belonging and exclusion Who is part of the West When and where is it located How did its meaning change over space and time Who are the mediators of the West and what is their interest in terms of culture and education The West is often used without any critical questioning though This is also reflected in history of education research especially with focus on transnational or transatlantic issues Here the West is a sort of container term or fuzzy concept that can refer to a variety of historical entanglements and cultural transfers in school systems and education but also to conflicts and crises accordingly This book aims to stimulate a critical reflection and debate on ideas of the West in the history of education by gathering scholars from various fields of historical research With a reflexive historical distance to current political incidents in which ideas of the West are revived the contributions in this book are intended to enable readers to evaluate representations of the West in current academic or public discourses and debates alike

Scheherazade Goes West Fatema Mernissi, 2001-09-16 Throughout my childhood my grandmother Yasmina who was illiterate and grew up in a harem repeated that to travel is the best way to learn and to empower yourself When a woman decides to use her wings she takes big risks she would tell me but she was convinced that if you didn't use them it hurt So recalls Fatema Mernissi at the outset of her mesmerizing new book Of all the lessons she learned from her grandmother whose home was after all a type of prison the most central was that the opportunity to cross boundaries was a sacred privilege Indeed in journeys both physical and mental Mernissi has spent virtually all of her life traveling determined

to use her wings and to renounce her gender's alleged legacy of powerlessness Bursting with the vitality of Mernissi's personality and of her rich heritage Scheherazade Goes West reveals the author's unique experiences as a liberated independent Moroccan woman faced with the peculiarities and unexpected encroachments of Western culture Her often surprising discoveries about the conditions of and attitudes toward women around the world and the exquisitely embroidered amalgam of clear-eyed autobiography and dazzling meta-fiction by which she relates those assorted discoveries add up to a deliciously wry engagingly cosmopolitan and deeply penetrating narrative In her previous bestselling works Mernissi widely recognized as the world's greatest living Koranic scholar and Islamic sociologist has shed unprecedented light on the lives of women in the Middle East Now as a writer and scholarly veteran of the high wire act of straddling disparate societies she trains her eyes on the female culture of the West For her book's inspired central metaphor Mernissi turns to the ancient Islamic tradition of oral storytelling illuminating her grandmother's feminized subversive and highly erotic take on Scheherazade's wife preserving tales from The Arabian Nights and then ingeniously applying them to her own lyrically embellished personal narrative Interwoven with vivid ruminations on her childhood her education and her various international travels are the author's piquant musings on a range of deeply embedded societal conditions that add up Mernissi argues to a veritable Western harem A provocative and lively challenge to the common assumption that women have it so much better in the West than anywhere else in the world Mernissi's book is an entrancing and timely look at the way we live here and now By inspiring us to reconsider even the most commonplace aspects of our culture with fresh eyes and a healthy dose of suspicion Scheherazade Goes West offers an invigorating candid and entertaining new perspective on the themes and ideas to which Betty Friedan first turned us on nearly forty years ago **Next Level Marriage** Kerry A.

Clark, 2024-06-20 If you were allowed to sit in on a couples coaching session with us what follows is a brief description of the five sections covered Understanding the Relationship Life Cycle A relationship goes through cycles Knowing this provides a clue to how a couple can prepare for the upcoming cycles and how to cycle-proof one's marriage Defining The Intent of Marriage This section covers why two people should desire to bring their lives together appropriately and define a purpose for the marriage Getting To Know Your 7 Levels of Relationships Relationships can be summed up in seven classifications which give a couple a way to brace for how each relationship level directly impacts a marriage Redefining LOVE Do We Really Love Each Other The biggest mistake made is assuming one understands what love is and what it means to be loved Clearing up this natural assumption is a key to having success in marriage Putting It All Together The last step we take is helping the couple put it all together from ceremony to keeping their marriage healthy for years to come *Go West, Young Women!* Hilary Hallett, 2013-01-15 In the early part of the twentieth century migrants made their way from rural homes to cities in record numbers and many traveled west Los Angeles became a destination Women flocked to the growing town to join the film industry as workers and spectators creating a New Woman Their efforts transformed filmmaking from a

marginal business to a cosmopolitan glamorous and bohemian one By 1920 Los Angeles had become the only western city where women outnumbered men In *Go West Young Women* Hilary A Hallett explores these relatively unknown new western women and their role in the development of Los Angeles and the nascent film industry From Mary Pickford's rise to become perhaps the most powerful woman of her age to the racist moral panics of the post World War I years that culminated in Hollywood's first sex scandal Hallett describes how the path through early Hollywood presaged the struggles over modern gender roles that animated the century to come *The American Western A Complete Film Guide* Terry Rowan,2012-11-18 A comprehensive film guide featuring films and television shows of the great American western The stories of the men and women who tamed the old West Also featuring actors and directors who made these films possible *All His Love Go to His Little Cute Wife* Li JiaGongZi,2020-06-08 As an adopted daughter she had to marry a handicapped man in place of her older sister However that man didn't appear on the day of the wedding She had completed the wedding by herself As a small assistant she appeared in front of the rumored tyrannical CEO Mr Pei Hello Mr Pei I'm Ning Xia The HR department has arranged me to assist you Pei Yi Chen looked coldly at this innocent girl Assist How would you assist me in bed From then on this man who looked like a lunatic spoiled Ning Xia as a princess **Catalog of Copyright Entries. Hollars,2021-09 2022 Silver Midwest Book Award Winner At the sound of the bell on the last day of kindergarten B J Hollars and his six year old son Henry hop in the car to strike out on a 2 500 mile road trip retracing the Oregon Trail Their mission to rediscover America and Americans along the way Throughout their two week adventure they endure the usual setbacks car trouble inclement weather and father son fatigue but their most compelling drama involves people privilege and their attempt to find common ground in an all too fractured country Writing in the footsteps of John Steinbeck's *Travels with Charley* Hollars picks up the trail with his son more than half a century later Together they sidle up to a stool at every truck stop camp by every creek and roam the West They encounter not only the beauty and heartbreak of America but also the beauty and heartbreak of a father and son eager to make the most of their time together From Chimney Rock to Independence Rock to the rocky coast of Oregon they learn and relearn the devastating truth of America's exploitative past as well as their role within it *Go West Young Man* recounts the author's effort to teach his son the difficult realities of our nation's founding while also reaffirming his faith in America today *Turn the Beat Around* Peter Shapiro,2015-06-23 A long overdue paean to the predominant musical form of the 70s and a thoughtful exploration of the culture that spawned it Disco may be the most universally derided musical form to come about in the past forty years Yet like its pop cultural peers punk and hip hop it was born of a period of profound social and economic upheaval In *Turn the Beat Around* critic and journalist Peter Shapiro traces the history of disco music and culture From the outset disco was essentially a shotgun marriage between a newly out and proud gay sexuality and the first

generation of post civil rights African Americans all to the serenade of the recently developed synthesizer Shapiro maps out these converging influences as well as disco s cultural antecedents in Europe looks at the history of DJing explores the mainstream disco craze at it s apex and details the long shadow cast by disco s performers and devotees on today s musical landscape One part cultural study one part urban history and one part glitter pop confection Turn the Beat Around is the most comprehensive study of the Me Generation to date
