2022 HOROSCOPE Magical Days - astrology and predictions

Artemisia, Mirzia, My Dear Readers you will surely be curious to know what your 2022 will be like First of all I thank you for choosing me as your lucky charm and I wish to tell you that like every year now there are 9 the formula has not changed but I have expanded it so much with new contents to make our Horoscope Magical Days also an astrology book so you will be lucky enough to have 2 books for the price of 1 Astrology blends with the horoscope as in a perfect couple dance to give you useful information to put your potential to good use and improve your new year so much as to make it more fortunate I will suggest you with the help of the Stars sometimes with irony not to bore you the best moments of each month of 2022 to get what you want I chose the e Book formula to have the privilege of always being with you I don t want to be forgotten in a drawer but to be useful to you every day This year I decided to expand always with a pinch of irony the sector of love a topic that appeals to all ages by adding a chapter on couple affinities Love always gives us that indefinable extra something that allows us to see only the good things in life But what is Luck It is being in the right place at the right time a meeting with a person who changes our lives for the better knowing how to seize opportunities but also that inexplicable something that improves our existence even economically an aspect that is certainly not negligible as Marilyn Monroe and Woody Allen said They say that money does not make happiness but if I weep rather do it in the back seat of a Rolls Royce

rather than on a car of the Underground Marylin M Money doesn't give happiness but it provides a similar feeling which requires a very advanced specialist to verify the difference Woody A And now my Dear Friends I just have to thank you and list all the topics covered Sign by Sign I wish you from my heart Happy New Year
